PREMIUM GLADIOLUS.

THE IMPROVED, Large-flowered Hybrid Gladiolus are fine bulbous flowers that anyone can grow. The flowers range in color from white to crimson and blue, develop in fine spikes, and are showy in beds and grand for cutting as every bud in the spike will open. I supply a first-class mixture of imported bulbs of a superior strain by mail prepaid as follows: 100 bulbs \$1.00; 250 bulbs \$2.00; 500 bulbs \$3.50; 1000 bulbs \$6.00. By express, the prices are much lower. See 3rd cover page.

Finest Named Sorts, Lot C.

Queen of Whites, pure white; flowers large, well-formed, borne in long spikes; one of the most beautiful and distinct of the New Hybrids; flowers chaste, ivory white, very beautiful. Price 10c each, \$1.00 per dozen.

Pink Perfection, exquisite pink, large and handsome; spikes tall, are rather dense and very showy; splendid for cutting. Price 5c each, 50c per doz.

Brilliant, flaming orange-scarlet, with carmine and white markings at throat; perhaps the richest and finest of scarlets, 5c each, 50c per dozen.

This Splendid Collection, 6 Fine Bulbs, 25 cents. Larger Bulbs, 40 cents.

May, striped charming rose upon a white ground; spikes long, well-set with flowers and fine either for beds or for cutting; a superior Gladiolus. One of the best, 5c each, 50c per doz.

Canary Bird, canary yellow, clear and charming color; flowers large and showy; perhaps the best of yellow varieties. Price 5c each, 50c per dozen.

Jay Bird, violet blue, rich and very attractive; spikes long and well-set with fine, large flowers; new and the best of the blue varieties to date. Price 5c each, 50c per dozen.

Fine Named Sorts, Lot B.

White, Augusta, grand spike, each 5c
Rose, America, large flowers, each 5c
Scarlet, Brencleyensis, fine, each 5c

Cream, Hollandia, new, large, each 5c
Pink, Pink Beauty, fine pink, each 5c
Blue, Coerulea, new blue, fine, each 5c

This Named Collection, 6 Fine Bulbs, 15 cents. 7 Lots, 42 Bulbs, \$1.00.

THE ABOVE SPLENDID BULBS FREE.

I WILL mail Lot C, the six finest named Gladiolus, free to anyone sending \$1.00 for seeds selected from this Guide. And Lot B, free for a seed-order amounting to 50 cents. Or, I will send Lots B and C for a seed-order amounting to \$1.50; and Lots B and C, and 6 Tuberous Begonias for a \$2.50 order.

Superb Double Begonias.

I have imported a fine lot of a first-class strain of Double Tuberous Begonias in these colors: White, Rose, Orange, Red, Yellow and Scarlet. If you send me an order for \$1.00's worth of seeds, and prefer a collection of these fine Begonias to the Lot C, of Gladiolus, please say so when ordering, and the Begonias will be mailed instead. I can supply these Begonias alone, any color, at 5 cents each, or the collection, six bulbs at 25c.

☞ The above Special Offers are good only till July 1st, 1915.

HOW TO REMIT.—Sums of \$1.00 or more remit by draft, money order or registered letter. Smaller sums in silver coin in a coin card or sewed in split paste-board, or in 1c or 2c postage stamps. Always send enough money to pay for the seeds ordered. Address all orders and communications to

GEO. W. PARK, Seedsman, Florist and Publisher,

SPIKE OF GLADIOLUS.

WHEN sowing divide the packages, and sow at different times. Note the time, and give good care until the plants have had time to appear. Figures here indicate pages, and letters indicate, as per key, the time needed for germination. Do not condemn seeds until you have given them at least two or three trials.

As a rule, give c and ch the sound of k. G is generally hard, as in get. Such words as Zinnia and Gillia, ending in

Introductory Letter.

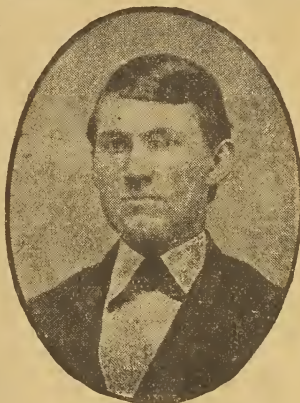

MY DEAR FLORAL FRIENDS:—For a long time I have had the pleasure of greeting you annually through the pages of my Floral Guide. These repeated greetings, and the many pleasant letters that come to me every day have brought us into the happy relation of friends, and as such I feelingly and truly address you. I want, first, to thank you for your past esteemed and repeated orders, your kind words of appreciation and encouragement, and your ever-continuous efforts to increase my big floral family, and enlarge the scope and influence of my already widely circulated Floral Magazine. I gladly greet you, for I know that in due time there will be a pleasing response that will renew our friendship, and make us both happier and better during the weeks and months and years to come.

My friends, I am engaged in what to me seems the most delightful avocation in the world—supplying flower-loving people (who are always delightful people) with seeds, bulbs and plants to make their homes brighter and the members of their family and others happier and better, for the influence of flowers is always for good. I need hardly tell you that there are instances on record where the gift of a packet of seeds, a bulb or a little plant has transformed a whole neighborhood noted for filth and squalor to one of cleanliness and neatness; and as cleanliness is next to Godliness, and one of the first steps toward it, you can readily judge of the happy result. A few flowers or a blooming plant given to a poor, benighted hospital patient has oft-times inspired hope and encouragement, and as an uplifting, reforming element the gift of a few flowers with a periodical devoted to their culture can hardly be over-estimated. Many of my friends have done good missionary work in past years by introducing the Floral Magazine with some flower premium into poor, discouraged homes. How many such missionaries will I hear from this year?

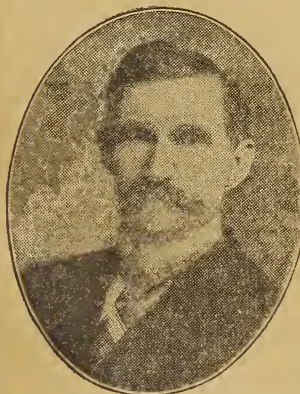

During the past summer I visited Europe with a view of adding new and valuable flowers to my already large list of seeds, bulbs and plants. I was among the Holland florists when the war began, and my visit through Germany and France, where I had many things in prospect, had to be abandoned, much to my regret. In Holland, however, I found the new large-flowered *Crinum Poweli* Major, a grand, hardy bulbous plant not unlike a big *Amaryllis* in appearance, but much more free-blooming and showy, and said to be sure to bloom every season. Here, also, I became acquainted with the new *Gladiolus* "Marie" and "Panama," "Europe" and others; also, large-flowered *Phloxes*; the elegant new *Calla Perle von Stuttgart*, and the free-blooming, beautiful *Trollius Japonica fl. pl.* All of these I found to be grand improvements upon the older sorts. At the Royal Kew Gardens, England, and the Glasnevin Royal Botanic Gardens, Ireland, I made notes of many choice things from which I trust my friends will be benefited. Some of these will be given elsewhere in this Guide, and others in my next summer's Plant List.

Those who have been dealing with me for years know that I supply the best seeds to be obtained, while my prices are very low, and that I aim to give satisfaction to all who entrust me with their orders. I guarantee the safe arrival of your order with the money (see how to remit on title page), the correct filling of the order, the safe delivery of the seeds, bulbs and plants; and to insure your success I send cultural directions along with every package, and when necessary give special cultural information in my monthly Floral Magazine, to which all, or nearly all, of my patrons are subscribers. My establishment is thus brought to your door, and you deal with me just as satisfactorily as though you were personally present. I am never satisfied till you are, and it is but fair that if you have any complaints they should come to me, and not be made to your neighbors or disinterested persons. Dear reader, if you have never dealt with me, I only ask a trial order. My seeds will compare with those of any competitor, regardless of price, and your orders, large or small, shall have my most careful attention. Kindly give me a trial.

This Floral Guide is not only a guide to the selection and culture of flowers, but tells how to pronounce the hard names, and what time is required for the seeds to germinate (see Index page). Preserve it, and kindly make your selections from it. Florally yours,
La Park, Pa., Season of 1915.

GEO. W. PARK.

Some Floral Notes.

PERHAPS as many failures in the culture of flowers are due to lack of knowledge of the flowers and their adaptation as to any other cause. I will, therefore, devote two pages of this Guide to notes about the various flowers offered, hoping that they will aid the flower gardener in making a satisfactory selection, and thus promoting success.

One of the best all-round, easily grown flowers for a showy and continuous display in beds is *Ageratum*. The tall sorts grow three feet high, and should be set only six or eight inches apart to form a mass. The dwarf varieties grow from six to twelve inches high, and, being of dense habit, should stand from five to eight inches apart. The seedlings begin to bloom early, and continue until after frost. They delight in hot sunshine, and bloom all the better in a dry season. A patron from Sharpsburg, Pa., writes:

Mr. Park:—I can recommend *Ageratum* for a free, continuous-blooming garden flower. The plants become a mass of flower-clusters, white, azure, and deep blue, and remain in full bloom throughout the season. It is one of the most beautiful of bedding flowers.—Jas. Brown, Allegheny Co., Pa., Oct. 23, 1914.

As a white edging probably there is no better annual than *Sweet Alyssum*. The plants are low and spreading, and smothered with white, sweet scented clusters from spring till winter. Little Gem is dwarf and erect, and White Carpet is spreading in habit. The latter is tastefully used in Kew Gardens, England, to carpet beds of Roses, and other shrubs.

Mr. Park:—From a packet of your *Sweet Alyssum* I have lovely beds. I made beds six inches high and four feet square. I planted the first of April, and they were a mass of white in a few weeks, and are still showy, October the 25th. They are the admiration of my neighbors.—Mrs. Lizzie Hopkins, Lee Co., Va., Oct. 25, 1914.

Mr. Park:—I have been buying seeds from you for a quarter of a century, and I can truly say that my flowers have made life happier for myself, and this old world more beautiful for others, in one little corner at least. Among the sweet, modest little flowers I love is the *Alyssum*. It makes such a beautiful border, blooms all the time, and the seeds self-sow and make plants each year.—Mrs. Isbell, Oconee Co., S. C., Oct. 19, 1914.

When at Dublin, Ireland, the past summer, I saw at Phoenix Park gorgeous beds and borders of the improved semi-dwarf *Antirrhinum* or *Snapsdragon*. The plants grew from a foot to fifteen inches high, were grouped in separate colors, and were glowing in effect. There was no more attractive display in the Park than those *Snapsdragons*, notwithstanding many more expensive plants were seen. The plants grow readily from seeds, and if started early will begin to bloom early in summer, and will last till winter.

Mr. Park:—My *Snapsdragons*, raised from your seeds, were lovely. Such a bewildering variety of colors, and such free bloomers! I sent back well they will bloom in the house in winter, as I had beauties last winter, treated in this way.—Mrs. A. A. Musser, Buffalo Co., Neb., Oct. 14, 1914.

Mr. Park:—Your *Orchid-flowering Snapsdragon*, that we sowed in May, surprised us in July by blossoming out in all the tinge shades. Besides these delightful coppery colors, we had red and yellow in all shades, from the clear, bright standard colors themselves, down to the pale tones, so characteristic of *Orchid* flowers. The individual flowerlets, that cluster thickly on each long flower-spike, are large and distinct, and often show startling color combinations, like pale pink shaded into a vivid lemon. *Snapsdragons* are indispensable as cut flowers, and are especially fashionable for decorations for teas and weddings.—Miss Ada Bennett, Onondaga Co., N. Y., Oct. 22, 1914.

There are three showy and free-blooming annuals somewhat similar in character, which should be better known. They are *Arctotis breviscapa*, *Dimorphotheca aurantiaca* and *Vendium calendulaceum*. All are easily started from seeds, grow eight or ten inches high, and bloom throughout the summer and autumn, the flowers being *Daisy*-like, and of rich golden colors. I had groups of these flowers in my trial grounds the past summer, and I saw them used more or less in the tasteful and elegant borders of the Glasnevin Royal Botanic Garden, Ireland, where I spent some time during the past August. They are so attractive and beautiful that I wonder their culture is not generally recommended.

Arctotis breviscapa. This is one of the most showy annuals we grow, bearing an abundance of rich orange flowers. It likes a sunny position. It will, however, flower as freely in partial shade as when fully exposed to the sun.—The English Garden.

VENDIUM CALENDULACEUM.

Mr. Park:—*Dimorphotheca aurantiaca*, the new African *Daisy*, is matchless in its rich orange colors; and the hybrid varieties show white, salmon and other shades as well as orange. The flowers close at night, but are open and bright every sunny day.—Mrs. A. Patrie, Allegan Co., Mich., Sept. 12, 1914.

Vendium Calendulaceum.—This is a beautiful half-hardy plant of dwarf, spreading growth, in summer bearing showy yellow blossoms two inches across, and good for cutting. A good effect is gained by putting out several plants on a warm, sunny border, or even on top of a wall or a raised stone edging. Seeds germinate freely.—English Garden.

The Double Asters are among the finest of fall flowers, and a bed of them lasts for several weeks. They are easily grown from seeds, and like a sunny situation. In preparing the bed enrich the surface with tobacco dust, and stir in some quicklime. This will prevent an attack of root aphid. If the black beetle appears spray with water in which has been stirred arsenate of lead, an ounce to two gallons of water.

Mr. Park:—Every seed in my packet of Asters came up, and oh, such lovely colors! Some flowers were nearly as large as saucers; some were peach and cream, others white, pink, dark red, blue, and almost every shade you could imagine.—Mrs. G. W. Burns, McMinn Co., Tenn., Oct. 13, 1914.

Mr. Park:—This year I got three packets of your mixed Asters of different kinds, and oh, such a pretty variety of double flowers—white, pink, red, lilac, and variegated! I always want Asters in my collection of summer flowers. I have a lot of annuals, but think the Asters stand at the head of the list.—Ethel Raby, Claiborne Co., La., Nov. 10, 1914.

The Improved *Camellia*-flowered Balsams are everblooming annuals of the easiest culture, and very beautiful, the flowers being of many colors, very double, and of rich, waxy texture. The plants grow from two to three feet high, and are suitable for a flower hedge or low screen. *Bellis perennis* fl. pl. *monstrosa* is the improved English *Daisy*, the flowers being double, and often as large as a silver half-dollar. Seedling plants begin to bloom early, and mostly continue to bloom until after severe frosts. They will even bloom in a sunken cold-frame during the winter. * * *Calendula grandiflora* is an annual deserving of more attention. Anyone can grow the plants, and they bear large, showy flowers until winter, rivaling the late *Chrysanthemums*. They make a fine bed for summer and autumn blooming.

Mr. Park:—Last spring I purchased a five-cent seed packet of your *Camellia*-flowered Balsam, and was much pleased. My Balsam bed was one mass of flowers from early in summer till late autumn. I had all colors and variegations, and the flowers were as double as *Roses*.—Mary Stone, Lyncoming Co., Pa., Nov. 4, 1914.

POPULAR MIXTURES OF FLOWER SEEDS.

Mixture of Annuals.—Contains chiefly seeds of flowers blooming the first season, embraces over 100 genera, represents 500 kinds. Price 10c.
Mixture of Biennials and Perennials.—Contains seeds of 125 species and varieties. Price 10c.
Mixture for Window Garden.—Contains seeds of about 125 varieties of window plants. Price 10c.
Mixture of Climbers.—Contains

seeds of a dozen different genera, about 50 varieties. Price 10c.
Mixture of Everlastings and Grasses.—Leading sorts for drying for winter bouquets. Price 10c.
Mixture of Fragrant Flowers.—Contains 50 kinds of our most fragrant flowers. Price 10c.
Mixture of Edging Plants.—Contains seeds of about 50 or more species and varieties. Price 10c.

Mixture of White Flowers.—Excellent for a moonlight display. Also suitable for graves. Price 10c.
Mixture of Shrubs and Trees.—Embraces a hundred of the best varieties. All hardy and useful for ornament and shade. Price 10c.
Park's Surprise Mixture.—Contains seeds of 1000 varieties, old and new. Very interesting. Price 10c.
Three packets, any mixture, 25 cents.

I would ask special attention to my collection of Dahlias, the seeds of which are offered upon page 21. The plants come quickly, and begin to bloom in June or July. *Gaillardia grandiflora* is a fine perennial bedding plant that blooms well the first season. The plants bloom freely and continuously till after frost, and the flowers are fine for cutting. The other kinds are excellent late-blooming flowers. See page 23. I offer a fine collection of *Helianthus* upon page 24. The two new Red Sunflowers are in the list, but I am not enthusiastic in their praise, though they do show brownish red markings. They are, however, worth trying as a novelty. The

PANSY. See page 5.

New South African Impatiens are splendid everblooming, free-blooming plants, and have no enemies. They bloom in partial shade outdoors all summer, and grown in pots keep up the display all winter. They are among the good things you should have. See page 25. The new, improved varieties of *Nemesia Strumosa* are exceedingly beautiful flowers, and the plants bloom freely throughout autumn. Do not fail to add this to your order. They are almost equal to *Phlox Drummondii*, and more rare and pleasing.

This year I offer seeds of the new Giant Pansies raised by my florist friend, Mr. Peter Brown. I verily believe that this strain surpasses all others. Mr. Brown is a skillful, painstaking and honest florist. Seeds of his raising I regard as absolutely reliable. I want my friends to give his seeds a trial and report their success. I feel assured they will be more than pleased. See page 30. The new German strain of Bedding *Petunias* advertised as *Petunia Hybrida Magnifica* is worthy of attention. The plants are compact, very free-blooming, and rich and varied in color, many new shades and variegations showing in the bed. The plants are also charming for pot culture in a sunny window in winter, where they will bloom freely throughout the winter. See page 5, also my splendid general collection, page 31. The following letters refer to a diversity of choice flowers grown from seeds:

Dahlias.—Mr. Park: In 1912 I bought a packet of your

Dahlias seeds and sowed in a long row in the yard. I think every seed came up, and the flowers were single and double, and of all colors. It was the prettiest row of flowers that I had that summer. My neighbors all came to see them. Since then I and my friends have raised Dahlias from seeds, and have great success. (See page 20.)—Mrs. Kate Pendergast, Clark Co., Ind., Nov. 10, 1914.

Pansies.—Mr. Park: I have had the finest Pansies this fall that I ever saw in my life. The plants were grown from your seeds, which germinated well. They were protected from the hot sun by a row of Sweet Peas on the south side. The flowers were grand, some more than 2½ inches across, of many rich colors, and with gorgeous markings. I shall always have your Giant Pansies. (See page 30.)—Mrs. D. B. Flagg, Woodbury Co., Ia., Nov. 14.

Cattleyana Pansies.—Mr. Park: Since I've had your Cattleyana or Orchid-flowered Pansies, I'll never leave over the strong, rich-colored ones again. The Cattleyana-flowered Pansies have the graceful form and the delicate Orchid and pastel tints that make them the most refined of all Pansies.—Miss Blanche Proudfit, Wash. Co., Pa., Oct. 23, 1914.

Compact Petunias.—Mr. Park: I was delighted with your Petunias, especially the Compact varieties. I set the plants around beds of hardy shrubs, and they soon carpeted the ground, and were covered with bloom until last week, when I removed them to mulch the beds for winter. (See page 31.)—Mrs. D. S., Dayton, O., Nov. 10.

Among the good annuals for beds are: *Phlox Drummondii Grandiflora*, page 32; *Portulaca*, page 32; *Salvia Splendens*, page 33; *Senecio Elegans*, page 34; *Tropaeolum*, Tom Thumb, page 35; Large-flowering *Verbena Hybrida*, page 36; Tufted Pansies, page 36; Zinnias, page 37. I would call your special attention to my choice seeds of these varieties. I have hundreds of testimonials from pleased patrons who have used my seeds of these flowers for beds. A few choice vines are quite as useful in making a home cozy and attractive, as the flowers used in beds. I can especially recommend, as easily grown vines, the *Cardiospermum* and *Cobaea Scandens*, page 39; *Dolichos* and *Gourds*, page 40; *Nasturtium* and *Ipomoea*, page 41; Sweet Pea and *Thunbergia*, page 42.

I wish I could impress upon all of my friends the importance of the biennials and perennials. When once started many of these flowers will last for years, even when their culture is neglected. The *Aquilegia* or Columbine, *Arabis Alpina*, and *Alyssum Saxatile*, described on page 43, are splendid early-flowering perennials, and perfectly hardy. *Campanula*, *Delphinium* and *Digitalis*, page 44, should be in every garden. The *Delphinium*, often seven or eight feet high, blooms until after severe frost. *Gaillardia Grandiflora* and *Gypsophila Paniculata*, page 45, are both valuable for bouquets, the latter almost indispensable to use in harmonizing and putting a tasteful finish to a bouquet. *Hollyhock* and *Perennial Poppy*, pages 46 and 47, are exceedingly showy and valuable plants for garden decoration, and the same may be said of the *Perennial Pea*, *Platycodon*, and *Pinks*, *Carnations* and *Picotees*, on page 49. *Scabiosa Caucasica* and *Japonica*, page 50, are among the most beautiful of garden flowers, and cannot be surpassed for cutting. I ask your special attention to them. They are much used as cut flowers in Europe, and would be popular in this country if they were better known. Sweet Williams, on the same page, are among the choice garden flowers, showy, beautiful and fragrant. My seeds of these are of the best quality.

FLOWER OF PINK. (P.49.)

On pages 51 to 58, inclusive, is an illustrated, descriptive list of many choice flowers for the window and conservatory. Kindly look over this list carefully, for it contains, in a modest way, nearly all of the worthy flowers and plants for the window that can be raised from seeds. *Abutilon*, *Begonia*, *Calceolaria*, *Carnations*, *Chrysanthemums*, *Cineraria*, *Cyclamen*, *Gernialums*, *Heliotrope*, *Lobelia*, *Primroses* in variety, *Jerusalem Cherry*, and a host of other good things are here offered, and the prices are about one-third those usually asked for such seeds. If you love house-flowers and have had some experience in starting seeds, you will be greatly interested in securing a collection of seeds from this list. *Asparagus* and *Smilax* are two vines valuable for the foliage, which are propagated almost entirely from seeds. I have a fine lot of fresh seeds of these plants, and even the novice can succeed in growing them.

I wish I had room to print many more of the enthusiastic letters of my friends who have had success in growing pot plants from my seeds, and in decorating their gardens and grounds with beds of seedling plants. It is a pleasure for me to supply the enthusiastic flower-lover with seeds and plants, for my best attention is always given to the quality and vitality of the seeds, and with proper care, success and pleasure are sure to follow. I send cultural directions with each package, and make every effort possible to aid my friends in their flower work. Write me freely about your flowers and your floral experience. I may not find time to answer promptly all such letters, but I am always pleased to hear from you, and to offer such suggestions from time to time as I may be able to give.

Awaiting your orders, large or small, and promising you my best attention, I remain sincerely yours,

GEO. W. PARK, La Park, Lancaster Co., Pa.

Portulaca.—Mr. Park: The *Portulaca* made a beautiful bed. The flowers were of all colors, and the plants stood the drouth and the hot sun. All my neighbors admired them very much. (See page 32.)—Mrs. L. Bailey, Taylor Co., Ky., 1914.

Godetia.—Mr. Park: From a packet of mixed *Godetia* seeds I raised quite a number of plants, and they were such beauties, crimson, pink, white, bluish, dark red, and a white with crimson blotches. The flowers are large, and look like fluted satin, and the delicately beautiful blooms make a fine show. (P. 23.)—Mrs. J. M. Sill, King Co., Wash., Nov. 12, 1914.

Linum.—Mr. Park: *Linum Perenne* grown from your seeds is beautiful, the graceful flowers borne so freely, make a grand garden display, while the feathery foliage makes the plant still more valuable. Mine are the only *Linum* plants here. I have blue and white, and the bed is very showy. The sprays of foliage are fine for bouquets.—Clara Woods-worth, Ashtabula Co., O., Oct. 16, 1914. (See page 46.)

Poppies.—Mr. Park: Your Shirley Poppies, sown in early autumn, bloom early in summer, and are very beautiful. I had ever so many for Decoration Day, and the plants kept on blooming most of the summer. Many neighbors came for the flowers to decorate graves of friends and loved ones.—Mrs. M. J. Reese, Washington Co., Ark., Nov. 13, 1914. (P. 32.)

Portulaca.—Mr. Park: Your seeds of *Portulaca* always grow well for me, and the plants, in many colors, make such a bright display in the morning, and bloom all through the hot, dry summer, which is very long here.—Mrs. E. S. Pulley, Fort Bend Co., Tex., Nov. 10, 1914. (See page 32.)

GAILLARDIA GRANDIFLORA

Some New and Choice Flowers not in the General List.

Only 5 cents per packet, 4 packets of any one kind 15 cents. Pick them out.

Before you finish your Seed Order do not fail to look over this list of New and Choice Flowers, as it contains some of the best Annuals, Biennials and Perennials grown from seeds. Any one of these flowers, per packet 5 cents, 4 packets 15 cents.

List of Annuals.

Ageratum Mexicanum nanum, Scarlet Gem, very dwarf, with small foliage, flowers pale rose with dark rose center.

Ageratum Wendlandii, an elegant, free-flowering, ever-blooming French variety; fine for beds and pots; likes a hot, sunny situation; colors blue, white and rose, mixed.

Agrostemma celi-rosa. Dwarf, blotched and striped, a pretty little hardy annual, appearing best when grown in masses; sow where the plants are to bloom.

Alyssum Benthami compactum, Little Dorrit, forms perfect little tufts four inches high, a mass of miniature white, fragrant clusters; new, fine edging.

Amaranthus Abyssinian, a giant Love-lies-bleeding; foliage light green, veined and shaded rose; flowers in clusters, drooping, red, extending two feet in length; very attractive.

Amaranthus tricolor marmoratus, marbled carmine on green and yellow ground; new and beautiful.

Amberboa muricata rosea, an exceedingly free-blooming "Cornflower," with pretty pink flowers on long stems. The flowers are two inches across, last well, and are fine for cutting; blooms throughout the season.

Arctotis breviscapa, a splendid annual, free-blooming, the flowers two inches across and of a golden yellow color, rich and attractive; fine for groups or beds.

Artemisia sacrorum viridis, or "Summer Fir," a new Chinese annual foliage plant, four feet high, branching and symmetrical, like a Christmas tree. The foliage is feathery, and lasts well when cut. The plants are lovely in pots, and make a fine clump or summer hedge; of very easy culture.

Atriplex hortensis cupreata rosea, splendid foliage plant; color, coppery-rose, and very attractive.

Atriplex hortensis purpurea, foliage rich crimson color; very effective.

Begonia semperflorens compacta rubra, plant dwarf, covered with large, fine red flowers continuously; very fine.

Bellis perennis Ranunculiflora alba plena, long-stemmed double white flowers, Ranunculus-shaped, very pretty and rare.

Blumenbachia insignis, a hardy annual trailer from Chile, flowers white, red and yellow an inch across.

Browallia, Dwarf Compact Blue, a beautiful, low, bushy variety, the flowers blue, profusely borne; fine for the garden, and good for pots; a splendid plant for winter-blooming in the window.

Calendula Ranunculoides superba, an improved garden Marigold; flowers large, double, golden yellow; very handsome.

Calliopsis hybrida superba, very showy and beautiful hybrids, embracing superb new shades and variegations: beautiful.

Calliopsis tenuifolium, a rare perennial, with feathery foliage, and rich golden flowers from summer till autumn. Sometimes called Calliopsis Japonica, and sometimes classed as a Helenium.

Calliopsis tinctoria nana, very pretty, profuse-blooming varieties of

Black-eyed Susan; dwarf and bushy, and fine for beds.

Campanula longistyla, a Bellflower growing three feet high, becoming a mass of bluish-violet bells, beautiful.

Campanula Pentagona, Bellflowers blooming the first season; flowers blue and white; handsome.

Castilleja Indivisa, a splendid annual; grows a foot high; flowers greenish-yellow, surrounded by large, attractive carmine bracts.

Caterpillars and Snails.—Large and small, striped and hairy Caterpillars (vegetable) may be raised from seeds; also Snails. I supply the seeds separately or in mixture. "These are grown as curiosities. The young seed-pods resemble in a striking manner various kinds of Caterpillars and Snails, and are sometimes put into salads as a harmless joke, to startle persons who are unacquainted with them. Their flavor is very indifferent.

Celosia Thomsoni magnifica nana, charming new dwarf varieties, the big pyramidal, feathery panicles varying through all shades of colors from brightest yellow to deepest crimson; very effective bedding and pot plant.

Celsia Arcturus, a showy plant four feet high, the flowers golden yellow with purple filaments, and borne in spikes; a good pot-plant.

Cheiranthus Aliotti, the new dwarf, compact bedding sort; flowers rich golden yellow, fragrant, in tufts in great abundance, and make a fine display, started either spring or fall.

Cheiranthus semperflorens, a very free-blooming, beautiful annual for beds; flowers golden yellow, keeping a long time in bloom.

Chrysanthemum multicaule, a free-blooming annual sort, useful for a bed or border.

Cistus pulcherrimus, an ornamental Thistle; flowers purplish-violet, like feather brushes.

Cleome gigantea, Giant Spider-flower; a tall, branching plant, each branch bearing showy, carmine, spider-like flowers throughout the summer and autumn; fine for beds, and for planting among shrubbery.

Coleus salicifolius, Parrot, new hybrids of free growth, the foliage being long, narrow, Willow-like, mostly fringed, and richly marked white, pink, yellow and chocolate, some mottled and blotched, and all beautiful. A novelty of rare merit. Easily grown from seeds, and grand for either pots or beds. Be sure to get

this fine new Coleus, which, as yet is not known in this country, and rare even in Europe.

Convolvulus aureus superbus, the rare golden-flowered "Morning Glory." Start the seeds in a box early, and transplant.

Coronilla varia, a herbaceous leguminous perennial; pea-like, pink and white, borne in clusters of from 15 to 20 flowers.

Cosmanthus fimbriatus, an elegant little annual, the flowers somewhat bell-shaped, pale blue, in scorpoid racemes.

Cosmos, Roemer's Large, early-flowering; an improved race that begins blooming in summer, and increases in beauty till destroyed by frost; five feet high; flowers large, freely produced, showy and fine for cutting. White, rose, crimson and purple.

Cosmos, Lady Lenox, large flowers on mammoth stalks; late.

Echium creticum, a hardy annual, one foot high, with spikelets of reddish-violet flowers.

Galium rubioides, a rather handsome Bed-straw, the foliage whorled, and the clusters of bloom of a brownish red color.

Gilia coronopifolia, two feet tall, with fine-cut foliage, and lovely flowers in long spikes; beautiful.

Gladiolus Praecox, new, elegant, large-flowered hybrids that bloom the first season from seeds, when started in March; finest mixture.

Glaucium, Burbank's Hybrids, new very fine. Also Glaucium leotocarpum which is fiery scarlet, beautiful.

Godefias.—These are beautiful, attractive flowers much used in Europe for beds, for which they are well adapted.

Marchioness of Salisbury, extremely showy large rosy-crimson flowers, splendid.

Rosamond, dwarf, compact, with large glossy, light pink flowers, very effective.

Schaminii, double, large, bright rose, fine in beds, and excellent for cutting.

Rubicunda splendens, one of the finest, splendid large brilliant red flowers.

Gomphrena, German Clover, dwarf compact carmine, a new bushy sort, excellent for beds, always freely in bloom; till after severe frosts; exceedingly showy, and should be popular, as it will endure drouth.

Gossypium, Cotton, blooms the first year, the flowers like a small Hollyhock, held in a showy calyx; sow early and transplant to a sunny, sandy bed.

Harpallium rigidum, Daniel Dewar an improved variety, the flowers larger and more attractive than the species; plants four feet tall, hardy, and very free-blooming.

Helianthemum mutabile, the beautiful Rock Rose; lovely flowers of many fine colors; summer blooming; very desirable.

Iberis coronaria princeps, very dwarf, large-flowering, white Candytuft; splendid for either beds or pots.

Iberis, Queen of Italy, an exceedingly free-flowering, dwarf, compact variety with almost evergreen foliage; may be grown either as an annual by early sowing or as a biennial by fall-sowing, excellent for beds, and valuable for cutting.

Impatiens Balfouri, a handsome Balsam; white, with carmine-rose petals.

Ipomoea Setosa, the Brazilian Morning Glory; foliage lacinated; large, rose-colored flowers; elegant.

Ipomoea Scarletina, a magnificent vine, bearing scarlet-red "Morning Glories."

Lavandula pinnata, a very beautiful species of Lavender, the foliage feathery, and the plant bushy and throwing up many fine spikes of lovely blue flowers.

Linaria dalmatica, 3 to 5 feet high, branching and bearing a profusion of large, showy yellow flowers.

Lobelia erecta pumila splendens, a low, bushy, free-blooming Lobelia, splendid for edgings and pots; the flowers dark blue, distinct white eye.

Lobelia compacta, Snowball, very compact and free-blooming, the flowers pure white, so that a plant appears as a ball of snow; new.

Lobelia Hamburgia, new, charming sort for hanging baskets, blue with white eye.

Lunaria, New Large-flowered Purple, grows 2 feet high; fine, large Phlox-like, fragrant flowers, followed by silvery seed-vessels.

Malcolmia littorea, a free-blooming annual, the flowers large, bright pink-purple, and fragrant.

Mimulus luteus, the common Monkey Flower, yellow, with blotches upon the lower lobes.

Nemesia strumosa grandiflora tigrina, a very beautiful annual of modern introduction, one foot high, and easily grown. The flowers are superbly tigred, and appear in clusters in great profusion.

Nigella diversifolia, various-leaved, and bearing charming light blue flowers; of easy culture; new.

Nigella, Miss Jekyll, a rich blue, double-flowered variety of Nigella Damascena; a very handsome annual, the pretty flowers succeeded by large, inflated seed-vessels; blooms for a long time.

Obeliscaria pulcherrima, a sort of annual cone-flower of rare beauty, blooming throughout autumn; the flowers have a long, dark, central cone, surrounded by drooping golden petals, each having a distinct brown blotch at the base.

Pansy, Cattleya-flowered, rare, light shades; very large, frilled, new and beautiful.

Papaver hybridum splendens fl. pl., a magnificent annual Poppy, the flowers of immense size, brilliant dark scarlet in color.

Papaver, Fire King, a free flowering annual Poppy. The flowers single, orange-scarlet, fringed, and showing lovely yellow stamens; magnificent; new.

Papaver, King Edward, single, large-flowered, free-blooming, deep scarlet shaded crimson-red; very beautiful.

Peltaria alliacea, a pretty little cruciferous plant a foot high, bearing sub-corymbose clusters of white flowers, followed by large seed-pods.

Pennisetum macrourum, an elegant perennial grass from the mountains of South Africa; tall, with feathery plumes a foot long.

Pennisetum Rupeellianum, a beautiful grass, with purple plumes.

Pentstemon Gentianoides hybridus, new varieties, with large showy, flowers of various colors; much used for bedding in Europe; splendid varieties mixed.

Petunia compacta magnifica, a rich-colored mixture of free-flowering Petunias, of dwarf, compact habit;

colors vary from white to lilac-rose, carmine, crimson and purple, with white or light-colored throat, partly bordered, starred and marbled; charming for beds and also for pots.

Petunia hybrida Editha, a new, free-blooming Petunia, the flowers slightly fringed, the color rose, with dark carmine star, veined and netted brilliant carmine, new.

Platystemon Californicus, a dense little plant studded thickly in summer with sulphur yellow blooms. Sow early in spring, where the plants are to bloom, and thin to six inches apart.

Portulaca, Parana, a new sort from South America, the flowers purple, and three inches across.

Ricotia Lunaria, a pretty little annual with lilac-rose flowers during the summer.

Rudbeckia bicolor superba semiplena, two feet high; flowers brown and gold, very attractive; double and semi-double.

Rudbeckia, Sullivantii, a new gorgeous hardy perennial, blooming the first season, grows 3 feet high; a waving golden mass of rich bloom throughout autumn.

Saccharum Maddenii, a quick growing hardy perennial grass, five feet high, with graceful foliage; makes a fine clump.

Salpiglossis, New Dwarf, very large flowered, free-blooming, a splendid mixture.

Scabiosa minor aurea compacta fl. pl., very free-flowering, compact annual, the flowers double and pure yellow.

Schizanthus Wisetonensis Excel-sior, a dwarf, bushy Butterfly Flower, exceedingly free-blooming, the plant vigorous in habit, and charming for pots; new and very beautiful, the flowers appearing in a variety of Orchid-like colors.

Silybum eburneum, a handsome Thistle-like plant, the spines appearing like ivory. The foliage is handsome if the flower stems are pinched out as soon as they appear.

Spergularia azoroides, a pretty little foliage plant, flowers small, bright blue, pretty.

Stephanophyllum longifolium, a winter-blooming pot plant; vermilion flowers.

Tournefortia heliotropioides, the summer Heliotrope; the clusters of purple bloom are like Heliotrope, but lack fragrance; pretty in the garden.

Valerianella congesta, a pretty little annual; flowers rose, in clusters.

Venidium calenduloides, a very beautiful, free-blooming annual; flowers large, Daisy-like golden yellow with orange zone; fine for beds, blooming throughout autumn.

Veronica syriaca, a very pretty little annual for garden or pot culture; easily grown; blue, white and mixed.

Viola Cornuta admirabilis; new blotched variety of the Tufted Pansy; very beautiful and free-blooming; splendid for bedding.

Wallflower, Kewensis, the new, elegant hybrid, having orange-yellow, fragrant flowers; blooms in 5 months, and fine for pots or beds.

Zea Japonica gigantea quadricolor the beautiful new variegated corn; leaves bright green, silver-white, sulphur-yellow, and rose striped; very decorative.

List of Perennials.

Achillea Ageratum, a pretty little Alpine plant, the foliage narrow with crimped margin, forming a rosette, from which stems arise six inches high bearing a large head of fine white flowers; a fine edging.

Antennaria Margaritacea, a beautiful white everlasting flower; fine for cutting.

Aquilegia Caryophylloides fl. pl., beautiful striped varieties of double hardy Columbine; bloom freely in spring and summer, and are very graceful and attractive.

Armeria Lauchena, a low, hardy perennial blooming profusely in summer, the flowers being brilliant rose.

Arundo Donax folis variegatis, a large, vigorous Reed, the broad, showy foliage striped white and yellow. I can also supply Arundo Phragmites.

Bromus macrostachyus, an ornamental grass, pretty, with gracefully drooping heads.

Euphthalmum cordifolium, a bold, showy hardy perennial from six to eight feet high, bearing at the summit throughout the summer an abundance of large, golden flowers. I can also supply E. grandiflorum, which is similar, but grows only about two feet high.

Campanula.—Besides the perennial Campanulas offered on page 44, I can supply the following:

Caesia, a variety of Canterbury Bell; flowers large, light blue, very fine. **Lactiflora** cerulea, a fine Bellflower from the Caucasus, 3 to 5 feet high, flowers bell-shape, blue, in erect, loose panicles.

Linifolia, the pretty little Swiss Bellflower, one foot high, with blue flowers in July.

Phyticodalyx, a fine sort with beautiful light-blue flowers.

Portenschlagiana, grows from 6 to 9 inches high, bearing erect blue bells in midsummer.

Vidalii, two feet high, the flowers large, drooping, waxy white, with a line of orange at throat. A fine, rare sort. Hardy south of Washington.

Canarina Campanula, a fine climbing plant, branches 3 to 4 feet long, useful for suspended baskets and trellises. The flowers are large, orange-purple with red veins and a deep red border. Useful for cut flowers. Hardy in the South.

Cassia corymbosa, a half-hardy, herbaceous perennial, six to ten feet high, branching and bearing freely corymbs of golden flowers.

Catananche bicolor, a fine old border perennial 2 feet high, bearing fine blue and white flowers, showy in the garden, and useful for cutting.

Cedronella triphylla or Canariensis, a half-hardy shrub three feet high, belonging to the mint family, the foliage very sweet-scented. Easily grown from seeds.

Celista cretica, a showy, hardy biennial, 4 to 6 feet high, flowers are 1½ inches across, yellow, with brown spots.

Chelone glabra hybrida compacta, mixed, 3 feet high, flowers in clusters, showy.

Chrysanthemum Etoile d'Anvers, a Shasta Daisy of special merit, the finest of the lot. Plants grow four feet high, and show a mass of immense flowers, white with golden center. From specimens observed in England and Ireland the past summer I consider this the best of the Shasta Daisies, and a first-class perennial. Deserves general cultivation.

Corydalis, Fern-leaved, new and beautiful.

Dianthus Cassius, the Cheddar Pink. One of the prettiest of dwarf Pinks, six inches high, the flowers rosy and fragrant. It is a wall plant, and does best in the crevices of rocks.

Dictamnus Caucasicus, a species larger in foliage and flower than *D. Fraxinella*, hardy, lasting, beautiful.

Dolichos tuberosus, a very useful climbing perennial with beautiful violet flowers, the roots tuberous.

Echinacea hybrida, 3 feet high, with large, showy red flowers at the end of the branches.

Enkianthus Japonicus, a slender, hardy deciduous shrub, with white, globose, nodding flowers.

Epilobium adenocaulon, a tall hardy plant with large, lilac-rose flowers. Very ornamental.

Erigeron grandiflorus elatior, a new sort 6 inches high, forming a mass of starry lilac flowers early in the season.

Francoa glabrata, a very strong-growing variety of Maiden's Wreath, the lovely white flowers borne on long, branching stems.

Gentiana Septemfida, a Persian species a foot high, bearing azure-blue flowers.

Geum Montanum, compact plants throwing up stems a foot high, bearing showy golden flowers.

Geum, Mrs. Bradshaw, an improved double variety of *Geum coccineum*. Very pretty.

Gunnera scabra, a foliage plant from Chile, suitable for the edge of a lake or stream, the leaves four feet broad upon strong, prickly stems five feet long, flowers red, numerous upon a club-shaped spike.

Gypsophila repens, a creeping plant with small rose or white bloom.

Helenium Hoopesii, 2½ feet high, early-blooming, the flowers large, deep yellow, beautiful.

Erigeron mucronatus, 9 inches high, becoming a rounded mass of lovely Daisy-like pink and white flowers, blooming all summer.

Helianthus Orgyalis, a tall, narrow-leaved, beautiful Sunflower, with small golden flowers.

Helichrysum Angustifolium, a low-growing, silver-foliaged plant, useful in bedding.

Helopsis Pitcheriana, the small "Orange Sunflower," four feet high, tree-like, coming, golden yellow, fine for cutting.

Herniaria glabra, a low, branching, spreading plant used for carpeting, the flowers small, green, in axillary cymes.

Hesperis, New Dwarf, pure white and violet purple. These are two greatly improved varieties of Sweet Rocket. The plants grow a foot high, bear big terminal clusters of lovely sweet-scented flowers, and are fine for groups or garden beds, very free-blooming.

Heuchera sanguinea hybrida grandiflora, lovely new large-flowered hybrids, the flowers of various colors, excellent.

Hieracium aurantiacum, a foot tall, branching, and bearing showy orange-red flowers with a hairy involucre.

Hieracium villosum, a handsome, dwarf plant with silvery leaves and large yellow flowers.

Lysimachia Japonica, a good Loosestrife, bearing large orange yellow flowers. I can also supply *Lysimachia vulgaris*, known as Creeping Jennie.

Molopospermum cicutarium, five feet high, with large fern-like leaves, forming a dense, graceful bush, large umbels of yellowish-white flowers.

Enothera Youngii, 18 inches high, with large, bold heads of bright yellow flowers.

Orobis Fischeri, a Siberian species with purple flowers early in spring.

Pentstemon.—In addition to those offered on page 49, I can supply *P. cordifolius*, a half-hardy species of climbing habit, loaded with tubular scarlet flowers an inch long. Also *P. Gordonii splendens*, large-flowered, brilliant dark blue, new.

Pentstemon hybridus pulchellus, mixed, elegant varieties of *Pentstemon* growing a foot high, and showing fine spikes of bloom of various colors.

Phyteuma Campanuloides, new, the spikes tall, much branched, with deep violet-blue flowers very freely produced.

Polygonum Monspelense, dwarf, the handsome rosy flowers in long spikes.

Potentilla Willmotiae, a charming variety, two feet high, with numerous lovely red flowers.

Primula acaulis hybrida grandiflora, a splendid strain of hardy Primrose. It forms tufts of foliage, literally covered with exquisite bloom of various colors.

Rheum Palmatum fl.-rubro, an ornamental Rhubarb, the plumy flowers of a dark red color.

Salvia globosa, a new hardy Salvia, 3 feet high, literally smothered with white flowers. Foliage silvery grey.

Saponaria ocymoides versicolor, new, bearing white and rose flowers upon the same plant.

Scutellaria baicalensis celestina, a hardy, easily grown plant, very free-blooming, the flowers blue, forming beautiful spikes.

Sedum Kamschatcicum, a succulent,

8 inches high, compact, with golden flowers.

Senecio clivorum, new, from China, shining green leaves a foot across, and heads of showy orange-yellow flowers with brown center.

Silene Asterias grandiflora, a new, beautiful *Silene*, bearing showy heads of crimson flowers.

Silene Schafta, a charming rock and border plant, bright pink flowers.

Stachys lanata, a woolly-leaved plant used for edging.

Statice Limonium, 2 feet high, heads of deep blue flowers. Resembles *S. latifolia*, but smaller flowers.

Stellaria graminea aurea, foliage grass-like, pale golden yellow, flowers white. Fine for bedding and rockwork.

Symphandra Hofmannii, dwarf, bearing large, creamy white flowers in abundance.

Symphytum officinale, Comfrey, grows three feet high, bearing violet blue flowers in scorpioid racemes.

Thalictrum dipterocarpum, 3 to 4 feet high, with plumy masses of pretty lilac flowers.

Veronica speciosa rubra, two feet high, bearing spikes of red flowers. Not hardy.

List of Window Plants.

Agathae celestis monstrosa, an improved Paris Daisy, double the size of the old sort. Splendid.

Cajanus indicus, grows 6 to 10 feet high, clothed with handsome pinnate foliage, and bearing racemes of purple-spotted, pea-like flowers. Sometimes called Pigeon Pea.

Celsia Arcturus, four feet high, flowers yellow; handsome pot plant.

Cineraria Polyantha Stellata, a beautiful pot plant of easy culture, literally covered with small starry flowers of richest colors. Those who are fond of fine blooming window plants should try this *Cineraria*.

Dioclea Glycinoides, a fine window climber, with large racemes of scarlet-red flowers.

Genista Canariensis, a pretty pot plant, yellow flowers, free-blooming.

Gerbera, Adnet's New Hybrid, a new variety of the beautiful Transvaal Daisy; flowers four to six inches across, pure white, rose, scarlet, yellow, crimson, salmon, orange, violet, variegated; Daisy-like, very graceful, on long stems. As pot plants they are free and ever-blooming; fine.

Helletope Cyclope, a new, dwarf race, of robust, regular growth, with large umbels of various shades.

Hypericum canariense, a pretty pot plant with golden yellow flowers.

Mikania scandens, a lovely trellis vine, flower heads yellowish white; rapid in growth.

Primula malacoides, a new and elegant Primrose from China, and a magnificent window plant, easily grown from seeds, in 4 months beginning to bloom, increasing in beauty with age, each plant a glorious mass of exquisite lilac flowers in showy whorls. This splendid Primrose should be in every plant window; lovely.

Roches falcata, an effective succulent, flowers fine scarlet, in heads.

Solanum Fra Diavolo, a bushy plant, foliage light green, richly decorated with small scarlet-red fruits. A very ornamental pot plant.

Solanum Lobellii, a charming pot plant for the window, with scarlet fruits.

Solanum azureum, a lovely vigorous vine, large panicles of azure flowers. Easily grown from seeds. Very beautiful.

Park's Choice Flower Seeds for 1915

GENERAL LIST OF THE FINEST VARIETIES

FOR MANY YEARS I have been supplying my flower-loving friends with the Choicest Flower Seeds at popular prices, and have, by honest and fair dealing, built up an immense trade. I challenge a comparison of my seeds with those of any other dealer, regardless of price, and I only ask a trial order to secure your permanent patronage. My high reputation has been earned by earnest, faithful service, and I shall never jeopardize it by abusing the confidence of my patrons. Will you kindly show this Guide to your friends and get up a club order? Please do not delay this work until others have taken the orders. The earlier it is done the better. I wish here, also, to ask attention to Park's Floral Magazine, a practical, illustrated floral monthly which I have been publishing for many years. It is the oldest and most widely circulated floral journal in the world. It gives just the information you need and insures success in your floral work. Only 10 cents a year; or, supplied upon the following combination offers:

Combination Offer No. 1.—20 Cts.

Magazine 1 year to 1 Subscriber 10 cts
Four packets of seeds your choice from this list 10 cts.
Total for Magazine and seeds, 20 cents.

Combination Offer No. 2.—50 Cts.

Magazine 3 years to one subscriber or 1 year to 3 subscribers 25 cts.
10 packets of seeds your choice from this list 25 cts.
Total for Magazine and seeds, 50 cents.

Combination Offer No. 3.—\$1.00

Magazine 6 years to 1 subscriber or 1 year to 6 subscribers 50 cts.
20 packets of seeds your choice from this list 50 cts.
Total for Magazine and seeds, \$1.00.

Combination Offer No. 4.—\$2.00

Magazine 1 year to 12 subscribers \$1.00
40 packets of seeds your choice from this list \$1.00.
Total for Magazine and seeds, \$2.00.

Special Bulb Premiums.—In addition to the above please read the Special Bulb Offers upon the title page. Also, send for blank subscription lists and liberal premium terms to club agents.

The above premium offers are in addition to the seeds offered, and those who get up a club should not fail to give the names of the subscribers.

Part I. Seedlings Blooming First Season.

Ageratum, Improved Large-flowered Special Mixture, 4 packets 15c, 1 packet 5c

The new large-flowered varieties of Ageratum are superb plants for beds or borders. They are easily grown from seeds, begin to bloom early, bloom in wonderful profusion throughout the season, and the flowers are in big clusters, and of fine blue, white, pink, yellow and variegated colors. They endure the hottest sun. The tall sorts are fine for beds, and the dwarf kinds are unsurpassed for edgings or baskets. They are much used in Europe for bedding designs.

Mr. Park:—It is seldom one finds a satisfactory blue flower, but I consider the blue Ageratum the most charming. The plants bloom profusely all summer.—Mrs. D. O. Teal, Neb.

Tall Varieties.

Mexicana Alba, white 5
Lasseauxi, pink, tall 5
Luteum, tall, cream 5
Mexicana Cerulea, blue 5
Alba Grandiflora, large, wh 5
Victoria Louise, bl, wh c't'r 5
Tall Sorts, Special Mixture, 4 pkts. 10c, 1 pkt. 3c.

Dwarf Varieties.

Imperial Dwarf, white 5
dark blue 5
Swanley Blue, azure, large 5
Blue Perfection, very dwarf 5
Little Blue Star, 5
Little Dorrit, yellow, dwarf 5
Dwarf Sorts, Special Mixture, 4 pkts. 10c, 1 pkt. 3c.

Annual Hollyhocks.

Althea rosea semperflorans fl. pl., new annual Double Hollyhocks, should be in every garden. The plants grow several feet high, and are wreathed in bloom the first season. They will also endure the winter and bloom the second season. I offer first-class seeds of these, and my mixture is specially prepared. Colors White, Rose, Cherry, Crimson, Blood Red, Purple, Black, and Fringed. Each 5 cents, mixed 5 cents.

Mr. Park:—I was greatly pleased with your new Double Annual Hollyhocks. I was surprised at the strong growth and delicate silky flowers the first season. The plants branched, and were covered with bloom till frost.—Mrs. C. O. Armor, Saratoga Co., N. Y., Oct. 31, 1914.

Amberboa Muricata Rosea.

A new and beautiful annual of easy culture, blooming freely throughout the season; flowers 2 inches across. Centaurea-like, light pink, borne on long stems are excellent for cutting. Very desirable. 4 pkts. 15c, 1 pkt. 5c.

Amaranthus Oriflamme.

A grand new sort, five feet high, of graceful habit, and umbrella-like in form; densely clothed with carmine and green leaves, with top and branchlets splendid carmine; a dry, sunny soil gives the foliage its richest colors; makes a gorgeous bed. 4 pkts. 15 cts., 1 pkt. 5 cts.

Antirrhinum (Snapdragon) Giant Fragrant. Special mixture, 4 pkts 15 cts, 1 pkt 5 cts.

The Improved Varieties of Snapdragon have become deservedly popular. The flowers are very large, fragrant, of the most varied and exquisite colors and variegations, and borne in long spikes. They bloom continuously during summer and autumn, and are largely used in Europe for summer-blooming in beds and borders, as well as for growing in pots for winter-blooming. As cut-flowers they are fashionable and last well in vases. The plants are so readily started from seeds, bloom so early the first season, and are so easily grown under almost any conditions that they merit a high place in every selection of choice annual flowers. If not exhausted seed-bearing the first season they bloom well the second year. My seeds of these new Snapdragons are from a first-class specialist, and are unsurpassed. My mixtures are specially prepared.

Giant-flowered Tall Snapdragons.

Queen Victoria, large, white 5
White striped red 5
Yellow and orange 5
Venus, delicate rose on wh. 5
Kermesina splendens, c'son 5
Luteum rubro-striatum 5
Cupreatum, copper color 5
Chamois, salmon 5
Rubro-striatum, red striped 5
Firefly, scarlet and yellow 5
Brilliant, scarlet, gold, wh. 5
Galathea, crimson and wh. 5
Delia, carmine, yellow, wh 5
Crescia, crimson-scarlet 5
Special Mixture of Tall varieties, 4 pkts. 15c, 1 pkt. 5c.
Double White; duplex flowers, pkt. 60 seeds 5c, 4 pkts. 15c.

Giant-flowered Semi-dwarf Snapdragons.

Album, pure white, fine 5
Golden Queen, shining yell. 5
Brilliant Rose, very hands'e 5
Dainty Queen, salmon 5
Prince Chamois, golden 5
Special Mixture of Semi-dwarf varieties, 4 pkts. 15c, 1 pkt. 5c.

New Orchideiflora, semi-dwarf, the flowers of the most exquisite, delicate colorings, as light terra cotta, salmon rose, apricot, chamois, delicate rose, flesh color, etc.; of great value for cutting; finest mixture, 4 pkts. 15c, 1 pkt. 5c.

Mr. Park:—Your Orchid-flowering Snapdragons were grand. My bed was a mass of huge blossoms, red, pink, yellow, white, and so lasting.—Mrs. Chown, Mich., Nov. 5, 1914.

Giant-flowered Tom Thumb Snapdragons.

Orange, golden yellow 5
White, pure white, fine 5
Crimson, showy 5
Rose, beautiful 5
Special Mixture of Tom Thumb sorts, 4 pkts. 15c, 1 pkt. 5c.

Acacia Lophantha.

4 packets 10 cts., 1 packet 3 cts.

An elegant decorative plant either for pots in the window, or a sheltered nook in the yard or garden. The foliage is as delicate and handsome as a Fern. The plants are easily cared for, grow rapidly, and are always greatly admired. When we regard its beauty and easy culture it seems very strange that the plant is so rare. Soak the seeds for 24 hours in hot water before sowing. The seeds often lie dormant in the ground three or four weeks before germinating. Flowers globular, golden, sweet scented.

Abronia umbellata. Sand Verbena;

flowers in clusters, rosy, Verbena-like; plant succulent, and thrives in sandy soil and a dry sunny bed; found native in sandy plains. Remove the husk before sowing. Set the plants a foot apart in the bed. Per packet 5 cents, 4 packets 15 cents.

Adonis Estivalis and Autumnalis, fine-cut foliage, crimson, cupped flowers. Mixed, 5 cents a pkt.

Ethionema Buxbaumii, a pretty annual 6 inches high, erect, branching; flowers in fine clusters, pale red. 5 cents per pkt., 4 pkts. 15 cents.

Agrostemma cœli-rosa, pretty annual; 10 inches high; flowers white, pink, lilac, purple, plain and fringed; fine in masses. Mixture, 4 pkts. 10 cts., 1 pkt. 3 cts.

Amaranthus.

handsome foliage and flowering plants of easy culture, always much brighter in sunshine, poor soil and a dry season. Fine for pots and beds.

Amabilis tricolor, rose, yellow and fiery red, very fine 5

Bicolor ruber, carmine scarlet 6

Caudatus, Love-lies-bleeding, red 6

Cruentus, Princess Feather, red 5

Hybridus Brilliant, red, variegated leaves 5

Melancholicus, rubber, red leaves 5

Salicifolius, dark Willow-leaved 5

Superbus, foliage Coleus-like, very fine 5

Speciosus, red pendant racemes

Tricolor splendens, Joseph's Coat, fine foliage Special Mixture, all kinds, 4 pkts. 10 cts., 1 pkt. 3 cts.

Alonsoa, a free-blooming plant, easily grown from seeds; fine for either pots or beds; 1 foot high, branching, showy and beautiful.

Albiflora, white flowers, fine 5

Grandiflora, scarlet, very fine 5

Linifolia, pyramidal habit, scarlet 5

Minuta compacta, lovely scarlet flowers; dense, bushy 5

Mutisii, chamolais, pretty 5

Myrtifolia, a large, showy species; scarlet, very abundant 5

Warszewiczii, brilliant scarlet, very pretty 5

Warszewiczii compacta, excellent for pots 5

Special Mixture of all sorts, 4 pkts. 10 cts., 1 pkt. 3

Started in autumn and grown in pots, Alonsoa Minuta Compacta and A. Warszewiczii Compacta are superb winter and early spring-blooming plants.

Alyssum, Sweet.

Special Mixture, 4 pkts, 10 cts., 1 pkt. 3 cts.

Sweet Alyssum is a favorite little annual, bearing continuously clusters of lovely white, very fragrant bloom in great abundance. Fine for garden edgings, also for pots and baskets. It blooms especially well in the late autumn, and is a flower loved by everyone. Little Gem, dwarf, erect, handsome 3

White Carpet, trailing 3

Common Sweet, 25 cts. 3

Special Mixture, all sorts, 4 pkts. 10 cts. 3

Ambrosia Mexicana, an annual with pretty, deliciously scented foliage; valuable for bedding, and useful for bouquets. A great favorite with some on account of its pretty foliage and pleasing fragrance. Pkt 6c.

Achusa Capensis, ashowy,

free-blooming plant, very easily raised, and bears very pretty azure blue flowers in abundance. A hardy perennial, but blooms the first season; grows three feet high. Capensis, blue, 4 packets 16 cents, 1 packet, 5 cents. Italica, azure, 4 packets 16 cents, 1 packet 5 cents. Dropmore, large blue, 4 pkts. 15 cts., 1 pkt. 5 cts.

Anthemis Kelwayii, a handsome hardy perennial, blooming first season; grows foot high, bearing a profusion of golden Daisy-like flowers; fine for a bed or group; very showy. 4 pkts. 15 cts., 1 pkt. 5 cts.

Anagallis, known as Pimpernelle. Flowers

showy, distinct and very pretty. Suitable for garden or house culture; grows one foot high.

Sanguinea 5

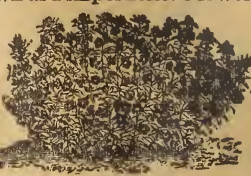

Grandiflora cœrulea, blue 5

Grandiflora lilacina, lilac 5

Linifolia, flax-leaved 5

Fruitescens, perennial, scarlet

Special Mixture, 4 packets 10 cents, 1 packet 3 cents.

Anemone, St. Brigid, a large, Poppy-like flower, in red, white and blue colors. They need a sandy well-drained soil, and make a beautiful bed. They are hardy as far north as New York. They bloom late in the fall and also early in the spring. Special mixture of all colors, per packet, 5 cts.

Arctotis, beautiful, large, bright flowers borne on plants a foot high; they delight in a dry, sunny bed; very easily grown from seeds. Breviscapa, orange, 5 cts.; Grandis, lavender, 5 cts.; Mixed, 4 pkts. 10c, 1 pkt. 3c.

Arnebia cornuta, a very pretty annual, 1 foot high; flowers gold, spotted brown; very attractive. 4 packets 10 cents, 1 packet 3 cents.

Argemone, hardy Mexican annuals; 2 feet; prickly foliage, large, showy flowers; likes dry, sandy soil. White, 5; Yellow, 5; Mixed, 4 packets 10 cts., 1 packet 3 cts.

Artemisia Annaa, a

tall, very showy foliage annual, the feathery sprays deliciously scented. Once introduced the plants are reproduced every year from self-sown seeds. Often called Sweet Fern, on account of its pretty, scented foliage. Desirable for its fern-like beauty and delicious fragrance in bouquet-making. This is often advertised by publishers as a great novelty, to get subscriptions. 4 pkts. 10 cts., 1 pkt. 3 cts.

Asperula azurea setosa, a charming hardy annual; 1 foot; globular; small, fragrant, blue flowers, in many clusters; blooms freely for several months. 4 packets 10 cents, 1 packet 3 cents.

Aster, New Invincible Branching.

Complete Special Mixture, 4 pkts. 15 cts, 1 pkt. 5 cts.

I OFFER here the most beautiful and highly developed race of Asters known, and challenge comparison. The plants grow two feet high, are robust, branching, and free from disease, and set ten inches apart in a rich, sunny bed become a glorious mass of exquisite Paëony-like flowers from early autumn until despoiled by frost. The flowers are of immense size, averaging four inches across under favorable culture, and by disbudding and giving special care may be developed to five or six inches in diameter. They are full-double, of the most refined form, the petals firm and gracefully curved. When cut the flowers are unsurpassed for vases or personal adornment, being borne upon strong, leafy stems a foot or more in length, and lasting well because of their vigor and substance. They are a fine substitute for the autumn Chrysanthemums, and come into use earlier in the season. The texture and superb shades of color elicit the admiration and praise of all who see them. They are thus unrivalled either for beds on the lawn or flowers for the house. Be sure to get this "ne plus ultra" of Asters.

Pure White 5, Shell Pink 5, Rose 5, Lavender 5, Crimson 5, Peach Blow 5, Peerless Pink 5, Scarlet Gem 5, Rosy Carmine 5. 1000 seeds of any of the above, 50 cents.

Special Mixture of all varieties, 4 packets 15 cents, 1 packet 5 cents.

My seeds of this grand race of Asters were carefully saved, and will be sure to give unbounded satisfaction to every purchaser. None can be better, no matter what price is paid.

The New Sada Yakko Aster.

This Aster was recently introduced from Italy, and I offer seeds imported direct from the introducers. In their description they say: "This is undoubtedly the finest of all Asters belonging to the Chrysanthemum class. The extremely double flowers are white, with a rosy hue forming such a lovely color that they can be used even for the most delicate bouquets. The petals are channelled and curve gracefully back toward the center of the bloom. The flowers are borne on strong, stiff stems, and are highly valuable for cutting, all the more as they keep fresh a very long time." The Royal Hort. Society, London, reports: "An especially good variety; flowers soft pink, 3 to 4 inches in diameter, very double, freely borne on stout stalks, lasting well; plants 1½ feet high. Surnamed Beauty Pink." I had beds and borders of this fine Aster the past season that were greatly admired. Price, packet of 75 seeds, only 5 cts.; 4 pkts. 15 cts.

Selected Giant Crego Aster.

The Crego Aster is an American improvement upon the Giant Comet Aster. The plants grow two feet high, with long branches, each surmounted by a huge double flower, full and fluffy, from four to five inches across, not unlike a Japanese Chrysanthemum. Set ten inches apart in rich, moist soil in full exposure to the sun they make a gorgeous bed of autumn flowers, and the long-stemmed flowers are fine for cutting. This race of splendid Asters is popular among florists to grow for cut flowers. The seeds are mostly sold at 15 cents per packet, but I offer selected seeds of prime vitality and quality, none better, at 5 cents per packet. Do not omit this fine Aster from your list. White Pink, Rose, Lavender, Purple, Special Mixture. 1 pkt. 5 cts., 4 pkts. 15 cts.

Mr. Park:—I have for years been a lover and grower of Double Asters, and delight in experimenting with new varieties; and I am glad to say that I have found your Giant Crego Asters in every way worthy of the high praise that has been accorded them. They are marvels of beauty. The blooms are large, the petals long and waxy, the centers well covered, and are set upon long stems. I shall call them the Chrysanthemum Aster.—Alice P. Sheffer, Mich., Oct. 10, 1914.

Aster, Park's Fine Bedding

Complete Special Mixture, 4 packets 10 cents, 1 packet 3 cents.

Park's Fine Bedding Aster is justly popular, as these plants, set six inches apart, will grow a foot high and make a glorious autumn display. The flowers are of large size, of the richest, loveliest colors, double to the centre, and very freely produced. Prepare the bed in a sunny exposure, making the soil deep and rich; water during dry weather. If attacked by the Aster Beetle sprinkle with a liquid made by adding an ounce of fresh hellebore to three gallons of water. I will supply seeds to color for a fine bed, as shown in the engraving below—red, white and blue, with edging, 4 packets, well proportioned, for 20 cents; or special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—My Asters from your seeds called "Park's Bedding Asters" are fine; the flower display is certainly beautiful. Some have white centres shading to a very dark margin. I had at least sixty plants from one packet. I would advise any one wishing beautiful flowers for little money to order from you.—Mrs. Jason Peck, Chen. Co., N. Y.

Mr. Park:—I raised a number of Aster plants from your packet of seeds, and had as many different colors. The neighbors told me that my Asters were the prettiest thing in our garden, which, by the way, is saying a good deal, as I have many pretty flowers.—E. A. Marshall, Washington Co.,

An Aster Bed.—I will supply seeds for this fine Aster bed to color—red, white and blue, with edging, four packets, well proportioned, for only 20 cents. Start the seeds in the seed bed in the spring, and when the plants are large enough transplant them six inches apart.

Aster, New Hohenzollern

Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Standing at the head of the Aster list is the new Hohenzollern, an Aster of the feather type, the plants growing two feet high, and producing enormous flowers, five to seven inches across, with curled petals, double to the centre, and of the richest and loveliest shades of color. For groups or beds this Aster is not surpassed, and for cutting it is the most admirable. Even for pots many people prefer it. I heartily recommend it. My seeds are imported direct from the German originator of this fine Aster, and cannot be excelled. The mixture I offer is specially prepared, and contains all the colors in good proportion.

| | | | |
|---------------------|---|---------------------|---|
| Pure White..... | 5 | Rosy Lilac..... | 5 |
| Pure Rose..... | 5 | Azure Blue..... | 5 |
| Dark Blue..... | 5 | Carmine Rose..... | 5 |
| Peach Bloom..... | 5 | Light Blue..... | 5 |
| Brilliant Rose..... | 5 | Deep Lilac..... | 5 |
| Giant White..... | 5 | Crown Prince, Carm. | 5 |

Special Mixture, all sorts, 4 pkts 15c 1 pkt 5c.

Aster, Early Hohenzollern, like the above, but the flowers opening two weeks earlier—rose, white, white changing to rose, each 5 cents. Special mixture, 4 packets 15 cents, 1 packet 5 cents.

Mr. Park:—From your packet of Hohenzollern Asters many plants started, but on account of neglect I only raised ten blooming plants. These were most wonderful. The flowers were as large as Japanese Chrysanthemums, and the

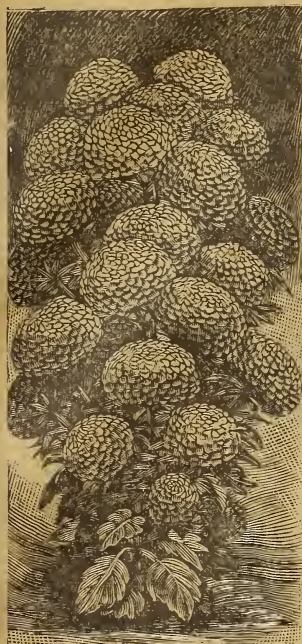

plants were full of bloom. Those who saw them could hardly believe them to be Asters. I shall certainly raise many more of them next year. I have never seen as fine ones, even in Horticultural shows. For beauty they cannot be surpassed.—Mrs. H. B. Plumer, Barnstable Co., Mass.,

Mr. Park:—I sowed a paper of your mixed Asters and I never saw such Asters or such a variety of colors, all shapes and sizes, some of the largest. They are grand.—Mrs. A. H. Wiison, Eau Claire Co., Wis.,

Mr. Park:—My Asters from your seeds are just lovely. Everybody says that they are the prettiest they have ever seen.—Mrs. Temp Lake, Braxton Co., W. Va.,

Aster, Giant Victoria.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Victoria

Aster, long considered one of the finest of Double Asters, has been greatly improved, and I now offer the giant varieties in all the fine colors. The plants grow two feet tall, branch freely, and bear flowers of the largest size, often five or six inches across. When in bloom, in September, they are the most showy of garden flowers, and always call forth enthusiastic expressions of admiration. The colors are very rich, and break into innumerable lovely shades, while some varieties exhibit the most exquisite and striking variegations. The seeds I offer are of the best strain, carefully saved by German specialists; and my special mixture is very carefully prepared from all the varieties. I feel assured they will delight all who sow them.

| | | |
|--------------------|------------------------|----------------------|
| Pure White..... 5 | White tinged Rose 5 | Yellowish White 5 |
| Rose..... 5 | Reddish Lilac..... 5 | Bright Blue..... 5 |
| Scarlet..... 5 | Purplish Violet..... 5 | Peach Blossom..... 5 |
| Silver Gray..... 5 | Brown Violet..... 5 | Deep Blue..... 5 |
| Lilac..... 5 | Crimson..... 5 | Carmine..... 5 |

Special Mixture of all varieties, 4 pkts 15 cts, 1 pkt 5 cts.

Aster, Victoria, the old-fashioned sort, still popular, though the flowers are not so large as those of Giant Victoria. Finest mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Aster, Dwarf Victoria, similar to Victoria, but of dwarf, compact habit. Finest mixture, 4 pkts 10c, 1 pkt 3c.

Aster, Victoria Needle, a handsome Double Aster of the Victoria class, with needle-like rays; very beautiful, and of many colors. Finest mixture, 4 pkts 10c, 1 pkt 3c.

Aster, Christmas Tree, Plants grow

two feet high, with horizontal branches in pyramidal form, and literally covered with small, very double flowers of rich colors. Odd, beautiful and very satisfactory to all who have grown them. I supply the following colors—seeds of the choicest quality.

| | |
|-------------------------------|---------------------------------|
| White and Carmine..... 5 | Fiery Scarlet..... 5 |
| White and Dark Blue..... 5 | Dark Blood Red..... 5 |
| Rose..... 5 | Light Blue..... 5 |
| Rose and White..... 5 | Light Blue with White..... 5 |
| Rose with White centre..... 5 | Light Blue, White Centre..... 5 |
| Carmine..... 5 | Dark Blue..... 5 |

Special Mixture, all colors, 4 pkts 15 cts, 1 pkt 5 cts.

New Single Aster. Elegance or Marguerite Asters are very graceful and free-blooming, and greatly prized by many lovers of Asters. The flowers are very handsome on the plant, and very desirable for cutting. Don't fail to try them. I supply White, Lavender and Dark Blue, each 5 cents. Finest special mixture of all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Aster, Ostrich Feather.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

One of our most prized Asters. The plants grow 18 inches high, and are very bushy, free-blooming and very showy. The flowers are of large size, double to the centre, show a wonderful range of colors, and the petals are twisted and feathery. Lovely for either garden or house. My seeds of this fine Aster are of the finest quality, and I offer these splendid colors:

| | | |
|-------------------|---------------------|-------------------------------|
| Pure White..... 5 | Light Yellow..... 5 | White changing to Rose..... 5 |
| Rose..... 5 | Peach..... 5 | White, tipped Carmine..... 5 |

| Scarlet..... 5 | Dark Blue..... 5 | Bright Lilac..... 5 |
| Light Blue..... 5 | Bright Rose..... 5 | Mixed, 4 pkts 15 cts, 1 pkt 5 |

Aster, Giant Perfection. The finest of

the Incurred Asters, and is fairly represented in the engraving. The plants grow two feet high, branch, and become a waving mass of exquisite, large flowers of the choicest colors as follows:

| |
|--|
| Pure White..... 5 |
| Bright Rose..... 5 |
| Dark Scarlet..... 5 |
| Bright Crimson..... 5 |
| Deep Blood Red..... 5 |
| Sunlight, Yellow..... 5 |
| Victoria Red..... 5 |
| Brilliant Black..... 5 |
| Blue with White..... 5 |
| Azure Blue..... 5 |
| Dark Blue..... 5 |
| Bright Rose..... 5 |
| Fiery Scarlet..... 5 |
| Rosy Crimson..... 5 |
| Flesh Color..... 5 |
| Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts. |

Fine for beds, also for pots. My seeds are the finest to be obtained, and will be found far superior to those mostly offered. My mixture contains all the finest colors well proportioned.

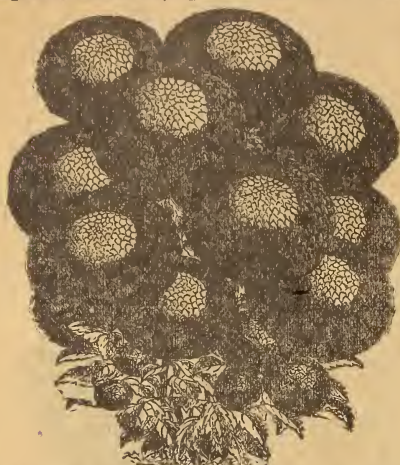

Mr. Park:—Your Giant Perfection Asters are certainly fine, the prettiest I have ever seen, and they show such a great variety of colors.—F. F. Gray, Windham Co., Vt.

Mr. Park:—My Asters from your seeds have certainly been lovely. Some of the flowers were as large as Chrysanthemums.—L. E. Marsh, Chesterfield Co., Vt.

Aster, New Pompon Crown.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

A very beautiful race of Asters. The flowers are globular, finely imbricated, and show a distinct white centre. The plants grow a foot high, and should stand eight inches apart.

| | | | |
|-------------------|---|-------------------------------|---|
| Blood Red..... | 5 | Light Blue..... | 5 |
| Carmine..... | 5 | Lilac..... | 5 |
| Dark Crimson..... | 5 | Rose..... | 5 |
| Dark Violet..... | 5 | Mixed, 4 pkts 10 cts, 1 pkt 3 | |

Crown or Cocardeau.—Splendid double flowers of many colors, every flower showing a distinct white centre. Rose, Crimson, Lilac, Azure, Violet and Brown, Violet, each 5 cents. Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Aster, Half Dwarf Multiflor. A very

highly praised Aster. The flowers are very large, freely produced and come in superb colors. The plants grow a foot high, and branch as indicated in the engraving. It is a choice and beautiful kind, in fine colors as follows:

| | |
|-------------|---|
| Azure..... | 5 |
| Mauve..... | 5 |
| Rose..... | 5 |
| Red..... | 5 |
| Violet..... | 5 |
| White..... | 5 |
| Yellow..... | 5 |

Special mixture of all these choice colors, well proportioned, 4 packets 15 cents, 1 packet 5 cents.

Aster, Dwarf Bouquet.—This exquisite

little Aster looks like a dense pyramid of double flowers set upon the ground. The plants should stand only four inches apart, to cover the ground. For small pots they are very charming, and excite admiration and praise from all Aster lovers. Toffer

Special Mixture of all colors, 4 pkts 10 cts, 1 pkt 3 cts

Aster, Chrysanthemum Dwarf.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Fine, late-blooming race, opening after the beetles have disappeared, and consequently developing its flowers perfectly. The plants grow a foot high, branch, and bear an abundance of flowers; the flowers are very large and double, come in a wonderful variety of shades and variations, and are showy on the plants and fine for cutting. Set the plants six inches apart, and give good cultivation, and you will have a gorgeous autumn display from this elegant Aster.

My Chrysanthemum Asters are of a very superior strain, and cannot be surpassed. My mixture contains all the varieties in fine proportion.

Aster, Invincible American, hand-

some large flowers on long stems, blooming late in the season; grow two feet high, bloom freely; showy in the garden, and unsurpassed for cutting; a new race of branching Asters; the flowers are of great size, exquisite form, and rich, lovely colors.

| | |
|------------------|---|
| Pure White... | 5 |
| Peach Bloom... | 5 |
| Rich Crimson... | 5 |
| Rich Rose... | 5 |
| Lavender Blue... | 5 |
| Indigo Blue... | 5 |

Special mixture of all varieties, 4 packets 10 cents, 1 pkt 3 cents.

This Aster is very popular in America, and is one of the finest grown. Do not fail to add it to your order.

Aster Gloria, a superb, large, double Aster, rich scarlet with a distinct pure white centre. This Aster cannot be excelled for the garden, also very beautiful for cutting. 4 packets 15 cents, 1 packet 5 cents.

VARIOUS CHOICE DOUBLE ASTERS.

Four packets of any one variety, 15 cts, 1 packet 5 cts.

Betteridge's Quilled, the finest of Quilled Asters; all the leading colors in fine special mixture.

Dwarf Queen, fine bedding sort, a foot high, of dense habit; very free-blooming; white, blue, crimson, mixed.

Diamond, splendid dwarf Aster, all colors, mixed.

Early June, the earliest of all Asters; 15 inches high, fine for beds; flowers large, double, pure white.

German Dwarf, very double, of many rich shades, very free-blooming; finest mixture of all shades.

German Globe, 18 in. high; double, all colors mixed.

Giant Comet, 2 feet high, branching, one of the finest; flowers very large, frilled and beautiful; all colors mixed.

Hedgehog or Needle, double, quilled flowers mixed.

Japanese, 15 in. high; flowers very large, double and fluffy like a Jap. Chrysanthemum; finest colors mixed.

Marvel, lovely double flowers, white with red centre.

Mignon, like Victoria, but smaller and more prolific.

Noble, very large, with Cactus-like petals, pure white.

Princess Aster, dwarf, fine for beds, all colors, mixed.

Queen of the Market, one foot tall, branching, fine for beds and pots, finest mixture of all colors.

Ray Aster, 20 in. tall, outer petals broad, inner fine.

Reid's Quilled, 2 ft. tall, large double flowers, mixed.

Silver Cloud, large, pure white flowers in masses.

Sunlight, new yellow, very double, incurved petals; two feet tall; fine for bouquets, beautiful.

Triumph or Fire Ball, dwarf, rich scarlet, incurved.

Uncum, snow-white, large, full-double; petals long, thread-like, and very gracefully twisted toward the centre.

Yellow Quilled, the finest pure yellow Aster; large.

Large-flowered Hardy Asters, Michaelmas Daisies.

Special Mixture, Finest Colors and Varieties, 4 packets 15 cts, 1 packet 5 cts.

I OFFER a special mixture of the new Large-flowered Hardy Asters, the plants of which will bloom freely in autumn from spring-sown seeds. They are vigorous, branch and form a tree-like mass from four to six feet high, and rival the late autumn-flowering Chrysanthemums in showiness and beauty. The Daisy-like flowers are mostly shades of blue, violet and purple, but some shade off to white and red. They are glorious in the garden when nearly all other flowers have succumbed to frost. The plants are perennials, perfectly hardy, and will improve with age, each becoming a grand clump of pleasing and attractive bloom. You can sow in early spring where the plants are to bloom, thinning out the surplus, which can be set where wanted, as they are easily transplanted. You will never regret starting a bed of these new, improved hardy Asters. Once started they will take care of themselves and bloom freely every autumn. Price 4 pkts 15c, 1 pkt 5c.

Park's Fine Double Balsams.

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

CAMELLIA-FLOWERED BALSAM.

Other Fine Varieties of Balsams.

- Double Dwarf Balsam**, very effective little plants.
 Twelve varieties of plain and six of spotted, each..... 5
 Dwarfs in special mixture, 4 pkts 10 cents, 1 pkt..... 3
Double Rose-flowered, 12 colors, separate, each..... 5
 The varieties mixed, 4 pkts 10 cents, 1 pkt..... 5
Double Spotted Balsam, 12 colors, separate, each..... 5
 The sorts mixed, 4 pkts 15 cents, 1 pkt..... 5

Mr. Park:—My Balsams from your seeds were beautiful. Roses. They were the admiration of all who saw them.—L. E. Marsh, Chester, Vt.

Mr. Park:—What is more beautiful than a row or bed of your Double Balsams? The flowers are so double and of so many different colors. Set a foot apart in a bed they are beautiful.—Mrs. C. A. Woods, Beaver, W. Va.,

Few Garden Annuals equal the Double Balsam in beauty of foliage and flowers, and few are of easier cultivation. The seeds quickly germinate, and the plants begin to bloom when quite small. The flowers are very double, waxy in texture, and of many shades and variations. The seeds I offer are of the finest quality, and will give unbounded satisfaction.

Park's Camellia-flowered.

This class is the most desirable of the many Balsams offered, and cannot be surpassed. The flowers are very large, double and as beautiful as a Rose, while they are of fine texture and surpass in color and variation. Plants grow two feet high, and if pruned when small they will develop as the one represented in the little engraving.

Plant of Balsam.

Balsams, all sorts, mixed, 4 pkts 10 cents, 1 pkt..... 3

The flowers were very double and as large and handsome as

Bartonia Aurea, a lovely golden-flowered California annual; flowers cup-shaped, shining with a very rich luster. The plants grow a foot high. Start early, and mulch during the summer, to keep the soil cool. 4 pkts 10 cts, 1 pkt 3 cts.

BARTONIA AUREA.

BASIL, SWEET.

Basil, Sweet, a fine pot herb with deliciously scented foliage. 4 pkts 10c, 1 pkt 3c.

Beilis perennis, Double Daisy, a beautiful hardy perennial, but blooms well first season. Flowers double, bright and showy.

Giant Red, Giant White, Red-centred, each 5 cents. Mixed, 4 pkts 10c, 1 pkt 3c.

Mr. Park:—A 3-cent pkt of your Double Daisy seeds sowed early in the house gave more plants than I would have expected from a dozen pkts. Flowers double and of handsome colors.—

Brachycome, Swan River Daisy, a lovely

little annual, showy, graceful and very pretty. Plants grow 10 inches high, bearing a profusion of Cineraria-like flowers an inch across, and of rich colors; easily grown from seeds. Blue..... 5 | White..... 5
 Mixed, 4 pkts 10c, 1 pkt..... 3

Mr. Park:—I had a fine display of Brachycome from your seeds. Plants bloomed all summer without extra care, and made a handsome edging.—Daisy Bruttentors, Kahoka, Mo.,

Bidens, showy, half-hardy perennials that bloom the first season; flowers single, showy, and prized by some for cutting. Hardy in the South.

- Grandiflora, yellow..... 5 | Black Prince, black-crimson, Humulus, yellow Cosmos..... 5 | called Black Dahlia..... 5
 Special mixture of all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Browallia, very free-blooming and pretty

annuals for either garden beds or window pots. Plants are bushy, a foot high, and perpetual blooming. All are of easy culture, and deserve more attention. Blue, White, Purple, each 5 cts; Speciosa, Roezli, large Blue, each 5 cts; mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—I have lovely plants of Browallia Speciosa raised from your seeds. They were covered with beautiful bloom.—Mrs. L. Whittaker, Greene Co., N. Y.,

Calendula Grandiflora.

Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The New, Large- flowered varieties of Calendula or Pot Marigold should have a place in every garden. The plants bloom freely and continuously, and in autumn, after most of the annuals have succumbed to Jack Frost, a row of these Marigolds in their gorgeous yellow hues is very attractive, rivaling the Annual Chrysanthemums. Grown in pots they are fine for blooming in a cool window during the early part of winter.

- Large-flowered Orange..... 5
- Large-flowered Sulphur..... 5
- Large-flowered White Striped... 5
- Large-flowered Orange Striped. 5
- Special mixture of all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—Every seed of your Calendula germinates, and the plants soon develop into lovely green bushes, literally loaded with golden bloom of many shades. They stand drought and chilly nights, and outlast even the Chrysanthemum in autumn. Once tried they will always be among the "must haves." Potted and placed in a cool, sunny window, they make a fine display during the winter.—Mrs. O. A. Bodd, Prescott, Arizona, Aug. 23, 1909.

Mr. Park:—From one packet of your mixed Calendula seeds I had plants producing many shades of bloom, from pale yellow to deep orange, some striped, others edged white.—Mrs. C. F. Bailey, Wash.

Calceola sonchiflora, a hardy annual

known as Flora's Paint Brush. The plants throw up long stems, 15 inches high, bearing clusters of brush-like flowers at the summit, useful and beautiful for bouquets. Easily grown from seeds. When once introduced the plants will reproduce from self-sown seeds. It is a native of India.

- Scarlet... 5
- Yellow... 5
- Mixed, 4 pkts 10 cts, 1 pkt 3

Sow seeds where the plants are to bloom, or sow in the seed bed and transplant. The foliage is mostly in a handsome

rosette at the ground. This plant should be more popular.

Calliopsis, very showy garden flowers that

do well treated as annuals. The plants grow a foot or more high, bearing their showy, bright flowers in a waving mass. Very showy in beds, and grand for cutting. Sow in the fall or early spring.

- Dwarf Yellow..... 5
- Dwarf Crimson..... 5
- Dwarf Marbled..... 5
- Dwarf Bicolored..... 5
- Dwarfs Mixed..... 5
- Tall Mixed..... 5
- Double Mixed..... 5
- Golden Wave..... 5

Special mixture all sorts, 4 pkts 10 cents, 1 pkt 3 cents.

Calandrinia, trailing, succulent plants

with very showy flowers in clusters throughout summer. They like a dry, sunny situation, and are excellent for beds and edgings.

- Burridgei, Rose..... 5
- Discolor, Carmine..... 5
- Grandiflora, Rose..... 5
- Speciosa, White..... 5
- Speciosa, Purple..... 5
- Special mixture of all sorts 4 pkts 10 cts, 1 pkt..... 3

The first three sorts above named have charming, large showy flowers, and are very handsome annuals.

Callirhoe, beautiful, free-blooming, con-

tinuous-blooming plants, belonging to the Mallow family. C. Pedata is of upright growth, but C. Involucrata trails, and is of surpassing value for a bed, blooming all the season, and lasting for years. Both deserve a place in every garden. Pedata, purple..... 5 Involucrata, red..... 5

Special mixture, 4 pkts 10 cents, 1 packet 3 cents.

Campanula, Annual. These are charm-

ing hardy annuals, blooming in a few weeks from spring-sown seeds. They are mostly trailing, bearing a profusion of lovely little blue and white bells, very pretty as edgings. C. Speculum is Venus' Looking-glass. C. Macrostylis has superb Violet flowers. C. Procumbens is fine for baskets. Separate varieties " cents per packet.

Special mixture, all varieties, 4 pkts 10 cents, 1 pkt 3 cents.

Candytuft, Annuals. These are well-known

very showy and beautiful hardy annuals. Sown early in spring and thinned till they are six inches apart they make a fine display. The white is especially fine if sown in autumn. All are showy and handsome.

Purple, Lilac, White, Sweet-scented, each 5 cents, Dwarf sorts 5 cents. Special mixture, all sorts, 4 pkts 10c, 1 pkt 3c.

Catchfly (Silene Armeria), a hardy annual

growing a foot high, surmounted by tufts of small, showy flowers. Once started, plants appear every season. It is sometimes erroneously called "Sweet William" on account of a resemblance to the true Sweet William.

White and Rose each 5 cts. Mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Canna---New Gladiolus-Flowered.

Special Mixture of all colors, 4 pkts 15 cts, 1 pkt 5 cts.

The old Indian Shot, Canna Indica, was introduced from India in 1750, and during the present century dozens of species have come from South America and the West Indies. The best of these were used by a French florist in originating a new and improved class, the varieties of which are the most gorgeous and stately bedding plants in cultivation. The foliage is massive and tropical in growth, and the flowers of the most brilliant colors surmount it in great plume-like heads. I offer seeds in mixture of all the finest named varieties, yellow, scarlet and crimson, margined and spotted, and those who wish seeds of a superior quality will find these just what they want. They are all fresh and genuine, not adulterated with the older sorts, and will produce the finest large-flowered plants. No flower with which I am acquainted will give better satisfaction or greater pleasure than these Cannas, and I therefore urge their culture.

Plant of Crozy Canna.

Scarlet..... 5 | White 5 | Yellow 5
Crimson ... 5 | Variegated ... 5 | Foliage-striped 5
Special mixture of all colors, 4 pkts 15 cts, 1 pkt 5 cts.

The New Cannas.—There is no disputing the utility of these Cannas. They are undoubtedly splendid acquisitions, and rapidly superseding the tall kinds once grown largely in gardens. They are good conservatory plants, being quite at home when assorted with Palms and Ferns. The newer kinds are remarkably fine flowers, the segments broad and finely colored, the outcome of patient work on the part of M. Crozy.—English Garden.

Mr. Park:—Those who want something to bloom all summer and be of little trouble should raise your Cannas. They are very beautiful.—Mrs. C.A. Woods, Beaver, W. Va.,

Mr. Park:—From a packet of seven seeds of your Cannas, I obtained seven fine plants and gave away three. Their flowers are the handsomest I ever saw.—Mrs. A. A. Coz, Newark, Sept. 15, 1893.

Mr. Park:—I got ten cents' worth of Canna seeds of you last spring. I filed the shells and soaked them over night in water, and had twenty-two nice plants. They are so easy to raise from seeds. I never think of saving the roots, as they are so hard to keep over winter.—E. H., Forest Co., Pa.

Capsicum--Ornamental Peppers.

Special Mixture, 4 packets 10 cents, 1 packet 3 cents.

The various forms and colors of Capsicum or Pepper are becoming popular as ornamental plants. The plants are so easily grown either in beds or pots, and the fruits are so varied, attractive and persistent that their culture affords a great deal of pleasure. In the garden they make a showy border or hedge or screen, and in pots they can be placed in the window where they never fail to attract much admiration and praise. The large, sweet varieties are useful for stuffing with vegetables to use upon the table as a relish. The Cayenne sorts are desirable for flavoring and for birds, and the Cluster, Cherry, Tom Thumb, Prince of Wales, Kaleidoscope and Little Gem are especially valuable for pots for room decoration.

I offer the following splendid varieties:

| | | | | | |
|-----------------------|---|---------------------|---|-----------------------|---|
| Black Nubian | 5 | Cherry-fruited Yel. | 5 | Golden Dawn | 5 |
| Cardinal | 5 | Chili Red | 5 | Golden Queen | 5 |
| Cayenne Yellow | 5 | Columbus Red | 5 | Hungarian Royal | 5 |
| Long Narrow Red | 5 | Columbus Yellow | 5 | Japanese Cluster | 5 |
| Celestial | 5 | Dwarf Chili | 5 | Kaleidoscope | 5 |
| Chameleon, dwarf | 5 | Elephants Trunk | 5 | Large Bell | 5 |
| Cherry-fruited Red | 5 | Giant Scarlet | 5 | Little Gem | 5 |
| Monstrous Golden Yel. | 5 | Red Cluster | 5 | Square Red | 5 |
| Monstrous Red Giant | 5 | Red Squash | 5 | Square Sweet Chinese | 5 |
| Prince of Wales | 5 | Ruby King | 5 | Tomato-fruited Red | 5 |
| Monstrous or Grossum | 5 | Spanish | 5 | Tomato-fruited Yellow | 5 |

Complete Special Mixture of all the above varieties, 4 packets 10 cents, 1 packet 3 cents.

I believe a packet of Mixed Seeds of this great variety of Peppers will afford as much satisfaction as anything that can be grown. Do not fail to order a packet in making out your seed order.

MIXED PEPPERS.

Procop's Giant 5

LARGE BELL.

Tom Thumb 5
Violet 5
Yellow Nocera 5
Yellow Squash 5

Calceolaria Scabiosifolia a trailing plant with Scabiosia-like, hairy foliage, and rather large yellow flowers in terminal corymbs. Started in early spring the plants will begin to bloom in May, and continue until October. Pkt 5 cts.

Callichroa Douglassii, a handsome composite growing a foot high, bearing numerous bright yellow flowers in autumn. It is a Californian annual, of very easy culture, and makes a showy display massed in a bed. Pkt 5 cts.

Cannabis Sativus, Giant Hemp; an annual growing from five to seven feet high, branching, and clothed with very pretty foliage. In autumn it is laden with seeds which are used for feeding canary birds. Plants make a fine screen. Pkt 5 cts.

Carnations, Improved Early-flowering.

Special Mixture. 4 packets 15 cents, 1 packet 5 cents.

The Improved Early-flowering Carnations are easily grown from seeds, and if started in March or April the plants will begin to bloom on the approach of autumn, and bloom freely until after severe frosts. They will then endure the winter and bloom the following season. The plants are of vigorous growth and stool out, and the flowers are large, mostly double, of many colors, and deliciously clove-scented. Some are also striped and variegated in a striking manner.

Large-flowered Early Vanguard.—This race of Carnations is an improvement upon the Marguerite Carnation, the plants being as vigorous and free-blooming, and the very large double flowers developing quite as early. I offer the following handsome colors;

- | | | | |
|-------------|---|--------------------|---|
| White..... | 5 | Striped..... | 5 |
| Red..... | 5 | Yellow-ground..... | 5 |
| Yellow..... | 5 | Variegated..... | 5 |

Special Mixture of all colors, 4 pkts. 15 cts. 1 pkt. 5 cts.

Guillaud Carnation, a very beautiful Carnation largely used for market purposes in France..... 5

Comtesse de Paris, a splendid early-flowering sort with double yellow flowers..... 5

Earliest French Giant. This is a new race of dwarf early-flowering Carnations. The flowers are very large and double, of rich colors and variegations, exquisitely scented and exceedingly beautiful. The plants begin to bloom early, and if potted on the approach of

Complete Special Mixture of Early-flowering Carnations, 4 pkts. 15 cts., 1 pkt. 5 cts.

Carnations like a rich, sunny bed, and rather tenacious soil. Do not let them suffer for want of water. To promote tufted plants, pinch the stems that first shoot up. This will cause them to stool out, and when they are allowed to bloom the flowers will appear in great abundance. Plants for the window should be given a sunny bed and regularly pinched until potted for the house in early autumn. Chopped tobacco stems upon the surface soil will prevent an attack of lice. Everyone who has a flower garden should have a big bed of Carnations. They are very desirable.

Mr. Park:—I bought three packets of seeds of your Improved Marguerite Carnations last spring, and sowed them early in a box of good soil. They germinated well, and I had plants enough to furnish a greenhouse. The plants began to bloom in July, and are still in bloom. I had a dozen different colors, and the flowers were sweet and beautiful.—Mrs. Walraven, Gordon Co., Ga., Nov. 23, 1914.

Mr. Park:—Your Vanguard Carnations have been blooming for the second time from seeds this year. They are very large and spicy, and formed nice plants with but little care. They stand the winter well.—Mrs. W. W. Whiteset, Va., Oct. 20, 1914.

winter, they will bloom in a sunny window throughout the winter months. Colors.

- | | | | |
|-------------|---|--------------------|---|
| White..... | 5 | Scarlet..... | 5 |
| Yellow..... | 5 | Yellow-ground..... | 5 |

Special Mixture, 4 pkts, 15 cts., 1 pkt, 5 cts.

Improved Marguerite.—This is one of the best varieties, having been much improved. The plants are dwarf and vigorous, become fine clumps, and throw up a mass of long-stemmed, very double, richly scented flowers, showy in the garden, and fine for cutting. The plants bloom well the first year, endure the winter, and bloom freely for several years. The colors are rich, varied and beautiful. My seeds of this fine Carnation are unsurpassed, and will give good satisfaction.

Special Mixture, all colors, 4 pkts. 15 cts., 1 pkt, 5 cts.

Celosia--Comb and Plume.

Complete Special Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Celosia Cristata Nana.

Celosia Cristata nana is the elegant Coxcomb, the flowers appearing in gorgeous big combs, as shown in the engraving. In good soil and a warm, sunny place these combs often measure a foot across, and retain their beauty till frost, bright and enlarging from early summer. I offer a fine strain, the seeds selected only from the best specimens.

Atropurpurea, rich red 5
Aurea, golden yellow 5
Chamois, Cuprenata, each 5
Coccinea, orange-scarlet, each 5
Rosea, Sulphurea, each 5
Sanguinea, blood-red 5
Violacea, crimson purple 5
Glasgow Prize, finest crimson. 5

Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Celosia plumosa magnifica, the improved Plume-flowered, the flowers borne in immense pyramidal, feathery plumes, exceedingly showy and attractive; elegant in the garden, and splendid for pots; fine for early winter window deco-

Celosia Plumosa Magnifica.

ration. My strain of seeds is unsurpassed, saved only from the finest plumes. Golden Yellow 5 cents; Glowing Crimson 5 cents; finest special mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Celosia Huttoni, dark-foliaged 5 | **C. Japonica**, scarlet combs 5 | **C. Spicata**, narrow, rose-spikes, everlasting 5
 Mr. Park:—I had several packets of your Coxcombs in my garden. The foliage is fine and the blossoms beautiful. They exceeded those on exhibition at the agricultural fair.—Mrs. Edith R. Bartlett, Newberryport, Mass.,

Centaurea, splendid annuals and perennials, showy in the garden, and unsurpassed for cutting, as the flowers retain their form and color for a long time exposed to the air. **C. Cyanus** is the Bachelor's Button, so handsome as a buttonhole flower, and lasting a day or more without wilting.

Cyanus, White, Blue, Rose, Variegated, Single-flowered, each 5 cents; special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Double, White, Blue, Rose, Variegated, each 5 cents; special mixture, 4 pkts 10 cents, 1 pkt 3 cts.

Nana Compacta, Dwarf, Blue, White, Red, Variegated, each 5 cents; special mixture, 4 pkts 10 cents, 1 pkt 3 cts.

Depressa, King of the Bluebottles, superb blue 5

Moschata, Blue, White and Purple, each 5

Suaevolens, Sweet Sultan, yellow 5

Imperialis, tall, large-flowered, mixed 5

Odorata, Corulea, Chamaeleon, Margaritae, each 5

Odorata and **Imperialis** mixed, 4 pkts 10 cts, 1 pkt 3

Americana, rose-flowers, fine, 4 pkts 10 cts, 1 pkt 3

Complete Special Mixture, all varieties, 4 pkts 10 cts, 1 pkt 3

The New Dwarf Compact Centaurea, Cyanus is very free-blooming; makes a lovely bed; all fine for cutting. Mr. Park:—The tall *Centaurea Cyanus* from your seeds are beautiful indeed. From a 3-cent pkt I have a hedge from which I cut every day, of all colors. Every seed grew.—Mrs. Harry Williams, Shelburne, N. Y.

Chrysanthemum--Annual.

These are among the most easily grown, showy, and free and continuous-blooming of annuals. They grow in any sunny bed, begin to bloom early, and are a mass of bloom the entire season. Grown in pots they bloom well in winter.

C. Carinatum, Single, White, Rose, Yellow, Scarlet, Vari'g'd, each 5
Carinatum, Doub. (Dunetti) White, Yellow, Purple, Scarlet, each 5

Double mixed, 4 packets 10 cents, 1 packet 3

Northern Star, Giant White flowers 5

Florisissimum, fine double, Nanum, fl. pl. double, mixed, each 5

Coronarum, Double, White, Sulphur, Imbricated, Yellow, each 5

Coronarum, double, mixed, 4 pkts 10 cts, 1 pkt 5

Coronarum, New Dwarf, double, mixed 5

White Star, Yellow Star, White Centered Star, each 5

Inodorum, Bridal Robe, White, Double, splendid 5

Frutescens, Paris Daisy, White, Comtesse de Chambard, yel, each 5

Complete Special Mixture, 4 pkts 10 cents, 1 pkt 3

Mr. Park:—From your seeds of Summer Chrysanthemums I have some of the loveliest flowers I ever saw. Some are deep yellow, some white and some cream. They are very free-blooming and beautiful.—Mrs. J. D. Slusser, Blacksburg, Va.,

of the loveliest flowers I ever saw. Some are deep yellow, some white and some cream. They are very free-blooming and beautiful.—Mrs. J. D. Slusser, Blacksburg, Va.,

Carduus Marianus, a hardy plant with handsome variegated leaves, useful for a bold edging. Sow the seeds in July or spring. **C. Benedictus**, the Blessed Thistle, is similar. **C. Kernerii**, new, three feet high, pretty rose flowers. Each 5 cents, mixed, 3 cents.

Carthamus tinctorius, the garden Saffron; the plants grow six feet high, bearing showy, golden flowers in autumn. The dried flowers are used for dyeing, and for tea, taken for measles and scarlet fever. Showy annual. Pkt 5 cts.

Centaureidium Drummondii, A Texas annual two feet high, bearing handsome yellow flowers not unlike a *Centaurea*; it blooms the entire summer; appears best in masses, the plants set six or eight inches apart in a sunny situation. Packet 5 cents.

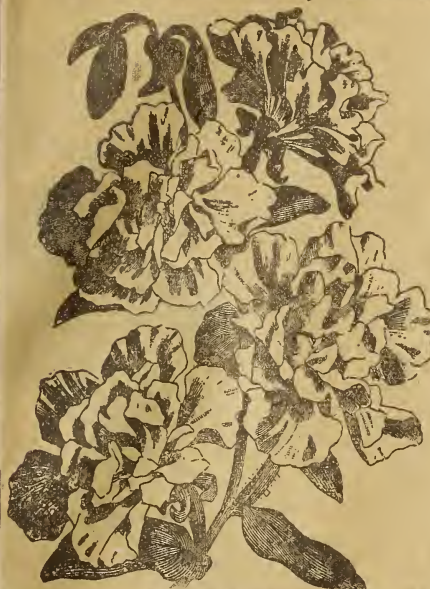

Centranthus macrospilon, a lovely annual, grows a foot high, the pretty little flowers in very showy tufts; blooms early, and till after frosts; fine for a bed. White, Flesh, Carmine, Bicolor, each 5 cents, mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Cerastium Biebersteini, a hoary-leaved evergreen six inches high, useful as an edging; flowers Daisy-like, white, borne in great abundance the second season; makes a very handsome bed when massed together. 4 packets 10 cents, 1 packet 3 cents.

Cerintho retorta, a Mexican annual a foot high; floral leaves of a purple tint, from among which peep the pretty yellow, purple-tipped flowers. Sow in a warm bed in spring and transplant. Good bed plant. Packet 5 cts.

Chaenostoma fastigiata, a pretty South African flower growing eight inches high, and producing tufts of delicate rosy bloom. Packet 5 cts.

Clarkia, Double and Single.

Branch of Clarkia Blooms.

feet high, and should be sown where the plants are to bloom. The dwarf, early-flowering sorts may be large-flowered and the most beautiful varieties.

- | | |
|--|---|
| Hybrida grandiflora alba, white, very handsome | 8 |
| Hybrida grandiflora rosea, rose, beautiful | 8 |
| Hybrida grandiflora Kermesina, beautiful crimson | 8 |
| Mammoth, white | 5 |
| Mammoth, mixed | 5 |

Complete Special Mixture of all varieties, 4 packets 15 cents, 1 packet

Mr. Park:—My Cosmos grew to be six feet high. The plants were truly beautiful. Such lovely foliage and flowers, some white and some yellow and some lavender. I have one almost seven feet high that did not bloom.—Evelina Oldham, Linn Co., Mo.,

Commelina coelestis, a trailing annual adorned with charming rich blue flowers during the entire season; a bed of it is always admired. Packet 5 cents. I also have white, variegated and mixed, 4 pkts 10 cents, 1 pkt 3 cents.

Chenopodium ambrosioides, a tropical annual, free-blooming, and somewhat resembling Mexican Ambrosia. In England it is used as a substitute for Asparagus, and is very much relished. Packet 5 cents

Cleome speciosissima, a Mexican hardy annual two feet high, bearing showy, beautiful rose colored flowers. Cleome pungeus, a West Indian annual, grows two feet high; leaves prickly; flowers rosy and showy. Each species 5 cts; mxd 3c.

Clintonia, Lobelia-like California plant, free-blooming and very beautiful for pots, edgings or baskets; flowers like Lobelia, but richer; colors White, Blue, and Blue with white eye, each 5 cents; all mixed, 4 pkts 10 cents, 1 pkt 3 cents.

Collinsia, very pretty hardy annuals; grow a foot or more high; flowers very bright and showy, and produced in great profusion. C. Verna, blue and white, sow in autumn; the others in the spring. Carmine, Variegated, each 5c; mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—I have been buying seeds of you for more than twenty-five years, and in that time have found that Park's seeds are uniformly good and always as represented. I always recommend Park's seeds whenever I have the opportunity of doing so, and have succeeded in getting others to send, and thereby becoming life-long friends of Park and his seeds.—Mrs. M. M. McKean, San Diego, California.

Special Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Very Beautiful Annuals, growing a foot high, and blooming freely during the summer. Sow early, either where the plants are to bloom, or sow in the nursery bed and transplant six inches apart.

|---|---|
| Dawn, dwarf early-flowering, white | 5 |
| Klondyke, dwarf early-flowering, orange | 5 |

Complete Special Mixture of all varieties, 4 packets 15 cents, 1 packet

Cosmos Blooms.

Collomia, a beautiful annual allied to Gilia; the plants grow a foot high, bearing throughout summer Verbenalike clusters at tips of branches; Coccinea, scarlet, from Chili, and

Grandiflora, reddish yellow from Cal. Each 5c, mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Cosmidium Burridgeanum, a composite annual, with bright yellow flowers the size of a Calliopis, on long stems; very pretty; easily grown from seeds, and very easily transplanted. Price, 4 packets 10 cents, 1 packet 3 cents.

Crepis, very showy and pretty annuals known as Hawkweed; the flowers are white, pink and golden yellow. The white and pink-flowered plants are a foot high; the yellow-flowered taller, flowers larger. Each 5 cts, mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Cheiranthus Maritimus, the Virginia Stock; a pretty little annual for massing, also for pots. If started in summer it blooms well in winter. Crimson King, White, Carmine, yellow, each 5 cts, mixed, 4 pkts 10c, 1 pkt 3c. Ten Weeks' Stock, mxd 5c

Cuphea Zimapanii is a fine annual with lovely Sweet Pea-like flowers, useful in the garden and for cutting. C. Strigulosa is also very fine. C. Platycentra is the Cigar Flower, useful for winter-blooming. Each 5 cts, mixed, 4 pkts 10 cts, 1 pkt 3c.

Cynolossium, grows three feet high, branching, and bearing an abundance of very showy blue or white flowers; splendid for bees, and attractive for a group or screen. Each color 5 cents; mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Mr. Park:—I have been buying seeds of you for more than twenty-five years, and in that time have found that Park's seeds are uniformly good and always as represented. I always recommend Park's seeds whenever I have the opportunity of doing so, and have succeeded in getting others to send, and thereby becoming life-long friends of Park and his seeds.—Mrs. M. M. McKean, San Diego, California.

Dahlias---Single-Flowered and Double-Flowered.

Complete Special Mixture. 4 packets 15 cents, 1 packet 5 cents.

Lilliput, extra fine double, mixture.....10 |

Complete Special Mixture, Single and Double, very fine quality, 4 packets 15 cents, 1 packet 5 cents.

Mr. Park:—From a packet of mixed Dahlia seeds, I have lovely single flowers. The petals are like dark maroon velvet, also yellow single ones like satin, and very double pink and red ones.—Mrs. E. O. Wilson, Canada, N. H.,

Mr. Park:—From your packet of Single Dahlias I raised sixteen fine plants, all of which are now in bloom. The flowers are all single and of several shades of red, white, pink and one white with purple blotches. They are all very beautiful.—Eugene Pierle, Sacramento, California,

Dahlias are as easily raised from seeds as Zinnias, and bloom almost as early. From a choice strain many plants will produce flowers of superior merit. Formerly the Double Dahlias were the only kinds grown, but the new single-flowered varieties are now very popular, being graceful, free-blooming and showy. Seeds of Double Dahlias are sparsely produced, and consequently high in price. Roots of all may be preserved and used the next season.

Single Dahlias.

- Giant Perfection**, large-flowered (see eng) mixed 5
Juarezii, Cactus sorts in finest mixture..... 5
Margined, finely bordered, finest mixture.... 5

 Special Mixture of Annuals and Perennials 4 pkts 10 cts, 1 pkt..... 3

Mr. Park:—One of the beauty spots in our garden this summer was a clump of Blue Perennial Larkspur beside a bed of Lillium Candidum. The Larkspurs are easily grown from seeds, and begin to bloom first season.—Mrs. C. Ricketts, Lima, O., Aug.

Datura.

A vigorous-growing plant bearing large, funnel-shaped flowers. The seeds germinate readily, and the plants begin to bloom in summer. If the roots are lifted and kept in a frost-proof place they will last for several years. At the South they are hardy. *D. humilis*, *D. fastuosa* and *D. Wrightii* have deliciously scented flowers.

- Fastuosa** Huberiana, double white..... 6
 Huberiana, mixed..... 5
Cornucopiae..... 5
Gigantea..... 5
Humilis, new Golden Queen..... 5
 Doub. golden yellow 5
Wrightii, single, lavender, fragrant.... 5
 Special mixture of all sorts, 4 pkts 10c, 1 pkt 3

Mr. Park:—I must tell you of my *Datura* seeds I bought of you. I sowed them outdoors in the spring, and thinned them out. The plants grew four feet high, and showed thirty blossoms open at one time, and oh, how fragrant at eventide. They were just grand.—Alzina Martin, Waterford, Erie Co., Pa.,

Didiscus Cœruleus, a half hardy annual from New

Holland; the plants grow a foot high, branching freely, each branch covered by a flat umbel of lovely blue flowers, from August till October. Like a rather dry, warm situation. Sometimes known as *Trachymene*. Pkt 5 cts.

Dianthus Chinensis in Splendid Variety.

Complete Special Mixture, 4 packets 15 cents, 1 packet 5 cents,

Dianthus Chinensis, the Chinese Pinks, are among the most beautiful and desirable of garden flowers. Seedlings begin to bloom in a few weeks, and remain a mass of rich-colored flowers till after frost. Set eight inches apart they make a grand display in beds, and call forth enthusiastic expressions of admiration.

PRINCESS PINKS.

Mr. Park:—The seed mixture of Dianthus Chinensis was very satisfactory, and I had such a display of beautiful blooms as I had never seen before. Some flowers were double, some single, and they literally covered the plants. I cut them freely, and the plants bloomed luxuriantly all summer—great, flaming crimson blossoms, delicate pink in all shades, very many with the most fairy-like penciling in darker or lighter shades, while other plants were a cloud of pure white blooms. I sometimes stood and looked at them in admiration, and made an effort to count the varieties, but never succeeded. They were beautiful, very beautiful, and some delightfully fragrant.—Mrs. E. O. Fisher, Ramsey Co., Minn., Oct. 23, 1914.

- Imperial Pinks, Double:** white, spotted, crimson, carmine, copper, rose, red, each 5 cts; mixed 4 pkts 15 cts, 1 pkt. 5
- Japan Pink, Heddewigii, Single:** white, crimson, blood-red, rose, white with purple eye, each 5c; special mixture 4 pkts 15 cts, 1 pkt. 5
- Laciniatus, Double, New Fringed varieties:** violet, salmon, white, blood-red, striped, scarlet, each 5 cts; mixed 4 pkts 15 cts, 1 pkt. 5
- Indian Pink, Double white, Dwarf** splendid rose, picotee or spotted, each 5 cts; mixed 4 pkts 15 cts, 1 pkt. 5
- Heddewigii, Double:** white, striped, purple, and purple with white margin (Mourning Cloak, see engraving), each 5 cts; special mixture 4 pkts 15 cts, 1 pkt. 5
- Princess Pinks, superb new spotted varieties** (see eng.): 4 pkts 15 cts, 1 pkt. 5
- Ornatus, new:** blood-red, striped and marbled dark brown, encircled by distinct white border; 4 pkts 15 cts, 1 pkt. 5
- Mephisto, salmon-scarlet, striped blackish brown:** 4 pkts 15 cts, 1 pkt. 5

- Dentatus hybridus, very fine sorts:** 5
- MOURNING CLOAK PINK Latifolius, the broad-leaved Pink;** grows 18 inches high; flowers in clusters like Sweet William but twice as large; rare; mixed colors, 4 pkts 15 cts, 1 pkt. 5

Complete Special Mixture all varieties 4 packets 15 cts, 1 packet 5 cts.

Double Daisy, New English Giant.

Special mixture, 4 pkts, 15 cts, 1 pkt 5 cts.

The Double Daisy is easily grown from seeds. The plants soon begin blooming, and keep up the display till winter. If then taken in they will continue blooming in a cool room or in a pit, through the winter. I take pleasure in offering choice seeds of the new Monstrosa or Giant varieties, the flowers of which are full-double and monstrous in size—very much larger than the old varieties. Red, White and Rose, each 5 cents; special mixture of all colors, 4 packets 15 cents 1 packet 5 cents.

Mr. Park:—I planted a packet of your pink Giant English Daisy, and one of white, and had fine success with them. I started the seeds in a box and set the little plants out as soon as large enough, the bed being on the east side of the house. They have bloomed all summer, and are still in bloom, Oct. 22d, although we have had severe frosts. The flowers were very double, large and handsome. I was much pleased with them.—Rachel Earl, Bingham Co., Idaho, Oct. 24, 1914.

Mr. Park:—I raised plants of your new Monstrosa Daisies, and was delighted with them. They have been blooming all summer, and will last till snow comes. I have never before seen such large and handsome Daisies, and many people ask what they are.—Clara Woodworth, Ashtabula Co., O., Oct. 16, 1914.

Diasecia Barberae.

A new and very pretty perennial blooming profusely the first season. The plants are rather dwarf in growth, and throw up stems that are covered with delicate, lovely flowers of a soft rose color, the plants remaining a long time in bloom. The flowers are not only charming when seen in masses in a garden bed, but are exquisite for cutting. [See eng.] 4 pkts 15 cts, 1 pkt 5 cts.

Dimorphothea Hybrids.

Mixture of all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Dimorphothea aurantiaca, the beautiful South African Daisy, was introduced several years ago, and its attractiveness and ease of cultivation brought it quickly into popularity. The plants branched and bloomed profusely, so that a bed became a mass of waving gold, glorious to the eye. Very soon the German florists announced a diversity of colors, as white, salmon, sulphur and yellow, as well as orange, and these new varieties are distinct and charming. The plants grow a foot high, begin blooming early, and continue till after frost. These new hybrids rank among the best of annual flowers, and should have a place in every garden. D. aurantiaca, 5c; all colors mxd 4 pkts 15c, 1 pkt 5c.

Mr. Park:—When I first saw the South African Daisy raised from your seeds three years ago, I thought it one of the prettiest annuals I had ever seen. Last spring I sent for a packet of the new Hybrids, which are of all colors, from white all through the shades of yellow, salmon, rose and apricot, some of them solid colors.—Mrs. J. M. Sill, King Co., Wash., Nov. 3, 1914.

Erysimum, New Bedding.

Price, 4 packets 10 cents, 1 packet 3 cents.

The New Bedding *Erysimum* is a variety of *E. Arkansanum*, and is a hardy annual, ten inches high, dense and bushy, each branch terminated by a cluster of rich golden, Wallflower-like blooms, dazzling the eye with its golden display, and filling the garden air with its delicious fragrance. Seeds may be sown in fall or early spring, in rows eight inches apart, and thinned to six inches apart in the rows. It is a near relative of the Wallflower, and the finest of *Erysimums*. 4 packets 10 cents, 1 packet 3 cents. I also supply *E. Perofskianum* and *E. Pulchellum* at the same price.

Echium plantagineum, doubtless the finest of *Echiums*, its showy, rich purple violet flowers appearing in long, slender wreaths that rise erect from a tuft of broad leaves; a member of the Forget-me-not Order (*Borraginaceæ*), elegant as a garden flower and useful for bee pasture. 4 pkts 10c, 1 pkt 3c.

Erodium, known as Stork's Bill; allied to *Geranium*, and bears showy flowers in clusters; *Grainum* 5 cts, *Manescavii*, red, violet, fine, 5 cts, mixed 4 pkts 10 cts, 1 pkt 3 cts.

Elsholtzia cristata, a very sweet-scented little lilac-colored flower, good for bee pasture, 5 cts per packet.

Emmenanthe Penduliflora, a little annual with drooping golden-yellow flowers, 5 cents per packet.

Erythraea linarifolia, a very neat little plant of the Gentian family; likes moist soil. 5 cents per packet.

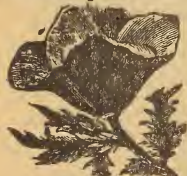

Bloom of *Erysimum*.

ERYSIMUM.

This is the beautiful California Poppy, which covers the hills in sections of that state with a shining mass of golden color in early spring. The plants have lovely, fine-cut, silver-green foliage, and large, showy flowers in great profusion. Sow where the plants are to bloom, and thin to six inches apart.

SINGLE ESCHSCHOLTZIA.

Double, Golden Yellow, White, Sulphur, Striped, Rose, Orange, each..... 5
Double Mixed, 4 pkts 15 cts, 1 pkt..... 5
Single, Yellow, White, Striped, Sulphur, Rose and Orange, each..... 5
Canaliculata, Rose Cardinal, Carmine King, Dainty Queen, Mandarin, Rose Queen, Douglasii and Golden West, each..... 5
Single Varieties Mixed, 4 pkts 10 cts, 1 pkt..... 3
Double and Single, Complete..... 3
 Special mixture, 4 pkts 10 cts, 1 pkt..... 3

My Improved Double *Eschscholtzias* are far superior to the common seeds generally sold.

Mr. Park:—The *Eschscholtzias* were a great delight. Among them were some silvery white ones, such as I had never before seen.—Mrs. P., Essex Co., Mass.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Eschscholtzia.

Euphorbia.

The species here offered are annuals that delight in a hot, dry, sunny situation. They grow two feet high and are very showy when in bloom in autumn. *E. Variegata* is known as Snow on the Mountain, the floral bracts being almost pure white; *E. heterophylla* is the Mexican Fire Plant, the floral leaves being rich scarlet. Separate, 5 cents; Special Mixture, 4 pkts 10 cents, 1 pkt 3 cents.

E. Variegata, represented in the little engraving makes a showy bed, and usually reproduces from volunteer seeds. It is very beautiful in the South, where it appears freely by the roadside.

Eutoca Viscida.

This is a handsome little annual growing a foot high, and bearing beautiful blue, white and lilac flowers. It is very often classed as a *Phacelia*; it is found native on the Pacific Coast. It is a flower but very little known, but is deserving of greater popularity. Separate, 5 cents; special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Fenzlia Dianthiflora.

color 5 cts; Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is a very handsome little annual, the flowers, which are borne in great profusion, are lovely rose, white and pink. It is a very charming little plant for edgings or borders. This plant is often classed as a *Gilia*; a native of California, and of easy culture. A ny

Erithrichium barbigerrum, a borragewort bearing very bright blue flowers; this is one of several species rarely seen in cultivation. It should be in every garden. Price, four packets 15 cents, one packet 5 cents.

Eucharidion, hardy annuals related to Evening Primrose. Seedlings bloom in two months, the flowers being quite showy; do best if the seeds are sown in autumn. Rose white and purple

separate or mixed, 5 cents.

Fedia cornucopiae, a very handsome annual of easy culture; plants grow six inches high, with glaucous foliage, bearing corymbs of very pretty red flowers with purplish stems, allied to the *Valerian*. Price per

packet 5 cents.

Gaillardias, Single and Double.

Special Mixture, all varieties, 4 packets 10 cts, 1 packet 3 cts.

Gaillardia picta is an annual, bearing very showy, single red and yellow flowers, and **G. Lorenziana** is a variety with double flowers. **G. grandiflora** is a perennial, but blooms the first season. All are beautiful, easily grown and showy. In beds in a sunny place where the soil is not too rich the plants grow a foot high, and set ten inches apart show a waving mass of brilliant flowers on long stems. The seeds may be sown where the plants are to bloom, or may be transplanted.

Picta, single, white, white margined, rose and white, yellow, yellow banded, salmon, and quilled, each 5
Lorenziana, double, yellow, sulphur, red and yellow..... 5

Grandiflora, large-flowered perennials, but blooming well the first season; 3 feet high. Golden yellow, yellow and red in superb mixture, 4 packets 10 cts, 1 pkt... 3

Grandiflora, New Compact. This is a variety of dwarf growth, compact and free blooming. Mixed, 4 pkts 10 cts, 1 pkt..... 3
 Mr. Park—I have red, yellow, purple, white and variegated flowers of **Gaillardia grandiflora**. They are very showy and beautiful.—Mrs. Levina Whittaker, Greene Co., N.Y.,

any flower that grows. It begins blooming early, and if cut freely will bloom until after late frosts. Showy in single specimens, and challenges our admiration when grouped in masses.—Ida A. Cope, Santa Clara, Cal.

Gillias in Fine Variety.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Beautiful annuals for edgings or borders; flowers in clusters of lovely colors, and freely produced during the season. Deserves to be better known. Sow either in spring or fall.

Tricolor, varieg. 5
 Alba, lovely white 5
 Dwarf compact... 5
 Rosea splendens... 5
 Rubro-violacea... 5
 Special mixture... 3
 The above are exceedingly fine sorts—very charming garden flowers.

Lacinata, blue... 5
Liniflora, white... 5

Achilleaefolia, blue, white, rose, each... 5
Capitata, 15 inches high; blue, white, each... 5
Minima, blue, Nivalis, white, each... 5
 Complete special mixture, 4 pkts 10 cts, 1 pkt... 3

Godetia in Variety.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

These are glorious annuals, a foot high, and bearing a mass of rich bloom. The beds of this fine annual in Germany, were the most gorgeous display of colors I have ever seen. They are very easily grown from seeds. Start the plants early, where they are to bloom. I offer the finest varieties.

Duchess of Albany, silvery white with spots... 5
Grandiflora rosea, fl. pl., superb double, beautiful 5
Albemarle compacta, elegantly blotched... 5
Fairy Queen, bright carmine, extra fine... 5
Bijou, dwarf, white, spotted rose, see engraving... 5
White Pearl, pure white... 5
Whitneyi Brilliant, rich carmine, splendid... 5
 Complete special mixture, 4 pkts 10 cts, 1 pkt... 3

Mr. Park:—My Godetias from your seeds were the envy of all my friends; a dense mass of deep red and pink blossoms. Excellent for cutting, lasting five days in water. Thrive in medium location.—Mrs. H.G. Valentine, Reno, Nev...

Glaucium.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Very graceful biennials, but bloom the first season if started early. The foliage is very graceful, and the flowers are very showy and freely produced. The plants make a handsome display either in masses or borders.

Corniculatum, vivid red, beautiful..... 5
Flavum tricolor, new, large orange flowers with black spots; very handsome..... 5
 Special mixture, all sorts, 4 pkts 10 cts, 1 pkt..... 3

I ask special attention to the new **Glaucium flavum tricolor**. It is showy in both foliage and flower, and the lovely colors are contrasted strikingly. A superb sort.

Grammanthes Gentianoides.

Belonging to the Stone Crops we have, from the Cape of Good Hope, this lovely little annual. It is very dwarf, but bears freely orange flowers three-fourths of an inch across, with a

V-shaped mark at the base of each petal. So early and transplant to a dry, sunny place. It is low, dense and very beautiful. 4 packets 15 cents, 1 packet 5 cents.

Gaura Lindheimeri, a perennial, growing three feet high, graceful, bearing freely showy white and rose flowers the first season. Flowers are of lovely texture, and always much admired. The plants can be set among low shrubbery and beds of low spring annuals when a variety of flowers is desired in the same bed. Four packets 15 cents, one packet 5 cents.

Gerardia hybrida, compact bushy perennials blooming the first season. Foliage finely cut and very beautiful; flowers large, Glove-like, and borne abundantly. A bed of these new hybrids makes a fine display in the garden, and will last for several years. As yet they are not well known, but give general satisfaction where grown. 4 pkts 15 cts, 1 pkt 5 cts.

Gamolepis tagetes, an annual... 5
Gardoquia betonicoides, purplish flowers... 5
Gnaphalium fetidum, yellow Everlasting... 5
Grahamia aromatica, sweet scented, yellow... 5
Gymnolomia multiflora, miniature Sunflower... 5

Helianthus---Sunflower.

Complete Special Mixture, Annual Sorts, Large and Small-flowered 4 pkts. 15 cts., 1 pkt. 5 cts.

For growing among shrubbery and for screens or back grounds Sunflowers are very desirable. The plants are robust, and the flowers very large, cheerful and attractive. Sow the seeds early, where the plants are to bloom, or sow in a bed and transplant. Everybody should cultivate Sunflower.

Large Annual Varieties.

Bismarckianus, the Tree Sunflower, bears many large single flowers; seeds fine for chickens, Ounce 10c, 1 pkt. 5
Californicus, fl. pl., double... 5
Globosus, fl. pl., enormous flowers, double to the center; very showy... 5
Macrophyllus giganteus, large-leaved... 5
Nanus, fl. pl., dwarf; large double flowers; handsome... 5
Nanus folis Variegatus, beautifully blotched foliage... 5
Large annual Sunflowers, mixed 4 pkts. 15 cts., 1 pkt. 5 cts.

Small Annual Varieties.

Cucumerifolius, small-flowered golden yellow... 5
Orion, golden yellow, twisted petals... 5
Argyrophyllus, silver-leaved, small, showy yellow blooms 5
Primrose-colored, sulphur yellow flowers; lovely...
Arboreus giganteus plenissimus, the new giant double-flowered sort, very handsome...
Lenticularis, very tall and showy...
Uniflorus, tall, bearing a single flower at the top...
Oculatus viridis, double, golden, green-centered...
Peruvianus, compact in habit...
Small annual varieties mixed, 4 pkts. 15 cts., 1 pkt. 5 cts.

New Red Sunflowers.

Large-flowered annual Red Sunflower, introduced last year when the seeds were sold at 25c per pkt.; 8 feet high; flower red and brown with golden background; 4 pkts. 15c, 1 pkt. 5c
Small-flowered annual Sunflower, new, 3 feet high, branching and bearing many showy star-like flowers; color red and purple brown upon yellow background; 4 pkts. 15c, 1 pkt. 5c

Hibiscus---Mallow.

Special Mixture, 4 pkts, 15 cts., 1 pkt. 5 cts.

These are very showy and easily grown flowers. The annual *H. trionum grandiflorum* grows a foot high and bears many large, showy flowers, sulphur with a dark purple center. I offer only the true, large-flowered sorts. I also offer the new *Hibiscus manihot*, Sunset, grows from four to six feet tall, branches like a tree, and bears primrose-colored flowers as large as a saucer, the petals having a dark blotch at the base. This is a perennial, but blooms well the first season. *Hibiscus Mehanii* is a race of hybrids of *H. coccineus*. The plants grow from five to seven feet high, and bear large showy flowers of colors ranging from white to crimson. They are hardy perennials, but seedlings will bloom in autumn if started early.

Hibiscus Manihot grandiflorus, true... 5
Coccineus splendens, crimson-eye... 5 mixed
Special mixture of all kinds, 4 pkts. 15 cts., 1 pkt. 5 cts.

Hannemanian Fumaricifolia, the beautiful Mexican perennial Poppywort. The flowers are large, cup-like, orange-colored, and borne upon plants two feet high. Sow early, and give the plants a warm, sunny bed. 4 pkts. 15 cts., 1 pkt. 5 cts.

Hebenstreitia comosa, the African Mignonette. The plants grow a foot high, branch, and bear spikes of pretty, white, fragrant flowers. Once introduced it will retain its place by self-sown seeds. 4 pkts. 15c, 1 pkt. 5c.

Ice Plant, *Crystallinum*, a species of *Mesembryanthemum*, succulent, and covered all over with singular ice-like protuberances; it is very handsome for pots or baskets, and likes the sun, and rather dry, sandy soil. Easily grown from seeds, and always attractive on account of its icy appearance. Four packets 15 cents, 1 packet 5 cents.

Jonopodium Acaule, Diamond flower, a little flower for carpeting pots or beds, a plant of low growth and bearing a profusion of very bright little violet flowers. Sow by the pathway, or steps or rocks. If sown over the surface soil of pot plants it will form a flower carpet, novel and beautiful. 4 packets 15 cents, 1 packet 5 cents.

Koehia scoparia, the Belvidere Cypress; a dense, symmetrical annual, green in summer, and showy red in autumn; makes a fine hedge, and appears very well as a specimen plant; 2 feet high. 4 pkts. 15 cts., 1 pkt. 5 cts.

Kaufussia amelloides, annual with very handsome blue, rose and violet flowers; easily grown from seeds; splendid in garden beds, and for cutting they cannot be surpassed. Grow about a foot high. The seeds can be sown in rows and thinned, or the plants may be set out six inches apart. Each color 5 cts., mixed 4 pkts. 15 cts., 1 pkt. 5 cts.

Kenilworth Ivy, a handsome trailing perennial, blooming the first season; grows in dense shade, and is a lovely carpet for a bed, pot or a basket in a shady place. The plants are hardy in a sheltered spot, and an excellent wall or rock plant. Mixed, 4 pkts. 15 cts., 1 pkt. 5 cts.

Lavatera trimestris, Beautiful annuals not unlike a dwarf, branching Hollyhock; grow three feet high, and in a sunny bed become a showy mass of lovely flowers that continue throughout the season. Make a fine low hedge or screen. Easily grown. White 5c, Rose 5c, mixed 4 pkts. 15c, 1 pkt. 5c.
Lavatera trimestris,—The most useful of *Lavatera* species is *L. trimestris*, a beautiful South European annual, growing from two to three feet high, bearing in summer large pale rose or white blossoms, thriving in rich and light soil. Sow in border in early spring. English Flower Garden.

Layia Elegans, a beautiful, free-blooming annual a foot high, and becoming a mass of elegant golden bloom edged with white. The flowers are Daisy-like, and last for a long time. I can also supply a variety with pure white flowers. Either sort, 5 cents per packet. Special Mixture 4 packets 15 cts., 1 packet 5 cts.

Lepiosiphon, handsome dwarf California annuals, forming tufts of foliage with very attractive little flowers. Sow early and thin to 6 in. apart. Androsaceus, beautiful, mixed, 5 cts. Densiflorus, dwarf, profuse 5 cts. Hybrids, yellow, rose, carmine-scarlet, white, each 5 cts., mixed 5 cts.

Special Mixture of all sorts, 4 packets 15 cts., 1 packet 5 cts.

Impatiens Hybrids, New African Balsams.

Complete Special Mixture, 4 packets 15 cents, 1 packet 5 cents.

It is only a few years ago that a very beautiful, free-blooming, ever-blooming plant was introduced from South Africa, *Impatiens Sultani*, commonly called Zanzibar Balsam. Then, soon after, another species somewhat similar was introduced, *Impatiens Holsti*. The florists, learning their value as bedding and pot plants, began hybridizing them, and today we have them in all the leading colors, as pure white, white with red eye, rose, purple, scarlet, salmon and various shades. The plants grow two feet high, branch like a tree, and are densely clothed with lovely foliage, above which the flowers stand out in pleasing and showy contrast. For a summer bed these Balsams are very desirable, as they are perpetual blooming, while for pots in the window or conservatory they are never out of bloom. Easily grown from seeds, and come quickly into bloom. The plants like moist, porous soil and partial shade from the hot midday sun.

Holsti Hybrids.

Right vermilion.....5 Alba rubro-oculata, white.5
Alba-rosea, fine rose.....5 Carminea, rich carmine.5
Delicata, delicate light rose.5 Isabellina-rosea, sal.rose.5
Almonea, salmon-orange.5 Striata, lovely striped.....5

Sultani Hybrids.

Sultani, bright rose.....5 Queen Carola, chamois.....5

Complete special Mixture of all Holsti and Sultani varieties, 4 pkts. 15 cts., 1 pkt. 5 cts.

Mr. Park:—From a packet of your Hybrid *Impatiens* I received 15 plants, and the flowers were of many colors. They are as easily raised as *Petunias*, and bloom freely the first year from seeds. I prefer raising seedlings each spring to entering the old plants in my cold house.—Mrs. Edw. Rauntz, Campbell Co., Ky., Nov. 14, 1914.

Impatiens glandulifera, an annual six feet high, bearing clusters of showy rose and white flowers; fine for a group, or for growing among shrubbery. 4 packets 15 cents, 1 packet 5 cents.

New Dwarf Hybrids.

Holsti nana amabilis, new dwarf, 10 in. high; flowers striped and shaded carmine-rose on silver-white ground, with purple eye; very pretty; fine for pots 5
Holsti nana Liegnitzia, dwarfest scarlet, free-blooming; a charming pot plant; blooms continuously, both summer and winter.....5

Mr. Park:—Your Hybrid *Impatiens* are the most inveterate winter-bloomers I ever saw, and the blossoms have a peculiar dazzling effect at night. It is surely a lamp-light beauty. The flowers are of various lovely colors, and I am very fond of them.—Mrs. James Kerns, Grand Traverse Co., Mich., Oct. 14, 1914.

Linum Grandiflorum.

Linum grandiflorum, the Scarlet Flax, is a very effective annual in beds. At the big German Seed Gardens I saw nothing to equal the odd and pleasing color of masses of this easily grown annual; a foot high. Roseum, rose, 5c. Rubrum, red, 5c. mixed 5c. 4 pkts. 15 cts., 1 pkt. 5 cts.

Linum Lewisii, a rare and very beautiful perennial ever blooming the first season; plants grow more than a foot high, and bear dense heads of flowers of the most velvety blue imaginable, each flower showing a white center. This is a rare perennial flower that would be popular if its merits were known. 4 pkts. 15 cts., 1 pkt. 5 cts.

Lupinus, annual.

These are beautiful, easily-grown flowers, Pea-like in form, and produced in fine spikes. They come in many colors, and make a showy bed. The dwarf sorts are particularly attractive in beds. Sow early, where the plants are to bloom, and thin to 6 or 8 inches apart.

Nanus, dwarf blue.....5 Hartwegii, showy kinds..5
Albus, dwarf white.....5 Affinis, blue, white, purple.5
Albo-coccineus, scarlet.....5 Hybridus atro-coccineus..5
Albo-violaceus, violet.....5 Mutabilis Cruickshankii..5
Albo-roseus, white, rose..5 Sub-Carnosus, rich blue..5
Special mixture, all colors..5 Hirsutus, Old Man's Face.5
Special Mixture, 4 pkts. 15 cts., 1 pkt. 5 cts.

Linaria in Variety.

Special Mixture, 4 pkts 15 cents, 1 pkt 5 cents.

These are annuals that should be better known. They are of the easiest culture, growing a foot high, and bearing spikes of charming, Snapdragon-like flowers. The new *Maroccana*, by birds, shown in the engraving are beautiful, and show flowers of various rich colors.

Aparinoides, very beautiful. 5 | **Alpina**,... 5
Hipartita, white, violet, yellow, striped, mxd 5
Maroccana, white, carmine, purple, mixed. 5
Triornithophora, 5 | **Multipunctata**,... 5
Reticulata, three feet high, showing long spikes of carmine, violet and purple flowers mottled with orange, very handsome..... 5

Complete Special Mixture, 4 pkts 15 cts, 1 pkt.. 5

Leptosyne Douglassi, a fine composite annua growing a foot high, bearing large yellow flowers. **L. Stillmanii** bears smaller flowers. **L. Maritima** is a perennial, six inches high, and should be treated as an annual. It bears very freely, large, bright yellow flowers.

Douglassi, large yellow..... 5
Stillmanii, beautiful small flowers..... 5
Maritima, handsome..... 5

Complete Special Mixture, four packets 10 cents, one packet 3 cent

Limnanthes Doug-

lassi, a very profuse-blooming, prostrate hardy annual; the plants grow six inches high, bearing in great abundance, very showy yellow and white blooms. It likes a moist, rich soil. 4 packets 15 cts, 1 packet 5 cents.

Lychnis.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts,

Among the brightest and best of garden flowers, **L. Chalcedonica**, white and scarlet, is splendid, the scarlet dazzling the eye with
L. Haageana has very large, rich-colored flowers of various colors. All are perennials, but bloom well the first season.

In a bed they make a gorgeous display.
Chalcedonica, scarlet, white, each.... 5
Alpina, very dwarf and pretty..... 5
Fulgens, bright scarlet..... 5
Haageana hybrida, splendid sort.... 5
Sieboldii, white, very fine..... 5
Special Mixture, 4 pkts 15 cts, 1 pkt..... 5

Mr. Park:—Few persons know the value of the old-fashioned perennial, **Lychnis Chalcedonica**. Its color is as bright as the Scarlet Geranium, and it is perfectly hardy, a permanent feature of the garden. I have a number of clumps, raised from seeds. The seeds germinate readily, and the plants are very easy to care for. If the heads of bloom are

Lychnis Chalcedonica.

picked when they fade, the plant continues to bloom from side shoots. I have kept it in bloom nearly three months by this means.—*Amelia H. Botsford, Philadelphia, Pa.*

Mr. Park:—I am pleased with your **Lychnis**, and find it very desirable. The plants are of easy culture, growing almost anywhere, and are lovely.
—*Lena O. Ahlers, Stronghurst, Ill.*

LYCHNIS HAAGEANA.

Lobelia in Splendid Variety.

Complete Special Mixture, all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

When Lobelias do well there is no flower used for bedding that is more lasting, beautiful or showy. They grow six inches high and are literally smothered with the great profusion of bloom. Charming also for pots and baskets. Started in summer they will bloom in a sunny window throughout the winter.

Bernard's Perpet. blue 5 | **Paxtoniana**, white, blue 5
White Lady, white.... 5 | **Duplex**, double, blue. 5

Special Mixture, 4 pkts 10 cents, 1 pkt..... 3

Mr. Park:—I have a border of Lobelias from your seeds that surpasses anything of the kind I ever saw. I heartily recommend your seeds to my friends.—*Mrs. O.N. Baird, Lincoln Neb.*

Mr. Park:—I want to tell you about my Lobelia from a packet of your special mixture. I raised many plants which bloomed throughout the entire drought, and became one handsome solid mass of blue and white. I most heartily recommend them.—*Daisy Brutsentors, Kahoka, Mo.*

Mr. Park:—I have been buying my flower seeds from you for thirteen years, and they have never disappointed me. I have such good luck with Pansies, Salpiglossis, Carnations and all.—*Mrs. Hamrick, Linden Heights, Ohio.*

Marigolds in Splendid Variety.

Complete Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

There are few brighter flowers than the Marigolds, and few that bloom more freely and continuously. They will thrive in sand or loam, and delight in the hot sunshine, and do not mind drought. They are everybody's flower, bringing sunshine and cheer to the heart of every observer. By all means have a bed of Marigolds. You will be delighted with the new and improved varieties.

Mignonette in Variety.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

A very popular flower because of its delicious fragrance. The seedling plants begin to bloom early, and continue to bloom until frost. The choice sorts I offer are compact, and bear large, rich spikes of bloom of various handsome shades.

Grandiflora aurea, yellow... 5
Parson's White, White Pearl, ea... 5
Golden Queen, compact... 5
Grandiflora ameliorata... 5
Crimson Queen... 5
Bismarck, new, Machet... 5
Gabriele, large flowers, fine... 5
Gigantea pyramidalis... 5
Goliath, very large; superb... 5
Machet, fine for pots... 5
New Golden Machet, yel... 5
Pumila erecta, dwarf... 5
Victoria red, dark red... 5
Common Sweet \$1 per lb, 8 cents per ounce... 3
Special mixture, all the above, 4 pkts 10 cts, 1 pkt 3 cts... 3

Mr. Park:—My Mignonette from your seeds is exceptionally pretty, with its dark green foliage topped with clusters of bright red blooms, and its delicious fragrance pervades the whole garden. It is in full bloom now, and I appreciate it very much. They are very handsome.—Mrs. Ethel Kirby, Jasper Co., Mo.

Mirabilis, Four O'clock.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

An old-fashioned flower of much beauty, the flowers being bright, showy, fragrant, and freely produced. The Dwarfs are fine for beds, the foliage being very beautifully variegated.

Complete Special Mixture, Tall and Dwarf, all colors, 4 packets 10 cts, 1 packet 3 cts.

Mr. Park:—I want all my old-fashioned sisters to try a hedge of Four O'Clocks. I have a hedge that is very much admired. The flowers are beautiful in early morn. and their fragrance is delicious.—M. L. Warren, Ken. Co.

Myosotis---Forget-me-not.

Complete Special Mixture, 4 pkts 15 cents, 1 pkt 5 cts.

For many years the lovely flowers of the Forget-me-not have been very highly prized. The plants are dwarf in habit, very free-blooming, and of easy culture. If the seeds are sown in early autumn the plants will bloom beautifully in the cool spring weather. They like moisture and a cool atmosphere. Started in the spring the plants bloom in autumn. The varieties of Victoria (see larger engraving) are all very beautiful, and fine for pot culture as well as the shady garden. I offer all of the finest varieties known, and my complete special mixture is unsurpassed.

Alpestris grandiflora, blue, white, rose, each..... 5
 Stricta, blue, rose, etc..... 5
 Grandiflora, royal blue, rose 5
 Elegantissima, blue, white, rose, each..... 5
 Victoria, white, rose, blue, ea 5
 Nana comp., blue, etc..... 5
 Distinction, very fine blue..... 5
 Complete mixture of all sorts, 4 packets 15 cts, 1 packet 5 cts.

Mr. Park:—I sowed your Myosotis seeds last July, and have had such beauties this year—pink, blue and white, and they spread and bloomed all summer. I never succeeded with Forget-me-nots till I got your seeds.—C.M. J., Montclair Co., Mich.

Nemesia.

These are very free, continuous-blooming plants, elegant for either beds or pots. The new Strumosa hybrids rival Phlox; flowers lovely in form, rich in color. Easily raised from seeds; beautiful and showy. Floribunda, white..... 5
 Compacta, white, blue, mixed... 5
 Versicolor, blue, lilac and white 5
 Strumosa carmine..... 5
 Strumosa, scarlet, cream..... 5
 Orange, handsome..... 5
 Tigred and spotted..... 5
 Nana Compacta, rich, dwarf..... 5
 Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—My Nemesias from your seeds bloomed early—white, blue, blue and white, and later the large blue Strumosa hybrids, best of all, one spotted like a Gloxinia.—J Colburn, Lake City.

Nemophila, charming little annuals, free-blooming and beautiful. Flowers of exquisite color and texture.

Crambeoides, mixed..... 5
 Discoidal, mixed..... 5
 Insignis, mixed..... 5
 Holborn Blue Bell..... 5

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—I sowed your Nemophila seeds in a cool, shady location, and the bed was a wealth of bloom all summer, showing 7 different varieties. If the flowers are cut freely the plants bloom till frost.—Mrs. J. G. Valentine, Reno, Nebraska.

Nicotiana, very beautiful, fragrant plants

of the Tobacco family. The new hybrids are splendid, growing two feet high, and making a showy bed during summer. N. Affinis and hybrids are deliciously scented in the evening.

Oolosea, giant; Suavelens, sweet-scented; Macrophylla, large-leaved; Acutifolia, white-flowered; Tobaccum Variegatum, marbled foliage; Sylvestris, 3 feet high, each 5 cts. Sanderia, rose, crimson, white, flesh, purple, blood, violet, each 5 cts, mixed, 4 pkts 15 cts, 1 pkt 5 cts. Affinis, white, flesh, lilac, crimson, purple, violet, Rose, each 5 cts, mixed 4 pkts 15 cts, 1 pkt 5 cts. Special mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Nicandra Physaloides, Shoo-fly plant, flowers large, bell-shaped, blue and white; 4 pkts 10 cts, 1 pkt 3 cts.

Nierembergia, lovely cupped flowers, bluish white pencilled purple, in great profusion; fine for the rockery or vases. Frutescens, subshrubby, and Gracilis, slender perennial, each 5 cts. Special Mixture, 4 packets 10 cts, 1 packet 3 cts.

Nigella, Love in a Mist, annuals of easy culture, with fine-cut foliage and showy and beautiful flowers. Sow in a sunny place in spring or fall, where plants are to bloom. N. diversifolia, a novelty of great beauty, bell-shaped; Damascena fl. pl., Miss Jekyll, rich blue, light blue and white; Nana fl. pl., light blue and white; Hispanica, blue, white, purple, each 5 cts. Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Nolana, trailing annuals, with showy, rich-colored, Convolvulus-like flowers. Fine for baskets or rock work. Sow the seeds where plants are to bloom, in a sunny spot. White, blue, violet, lacinated, white-centered, each 5 cts. Special mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Nycteria, a dwarf tuft-like annual with large clusters of very richly scented flowers. Selaginoides... 5 | Capensis....

Mr. Park:—I have found Nycteria one of the most satisfactory annuals I have ever grown, chaste, delicate and beautiful.—A. L. Truax, Day Co., S. D.

Obeliscaria pulcherrima, a very handsome composite, with cone-like centre and golden drooping rays—a sort of Rudbeckia. They are very easily grown, and very odd. 4 pkts 10 cts, 1 pkt 3 cts.

Oxyura Chrysanthemoides 1½ feet; handsome yellow-flowered composite annual from California; 5 cents.

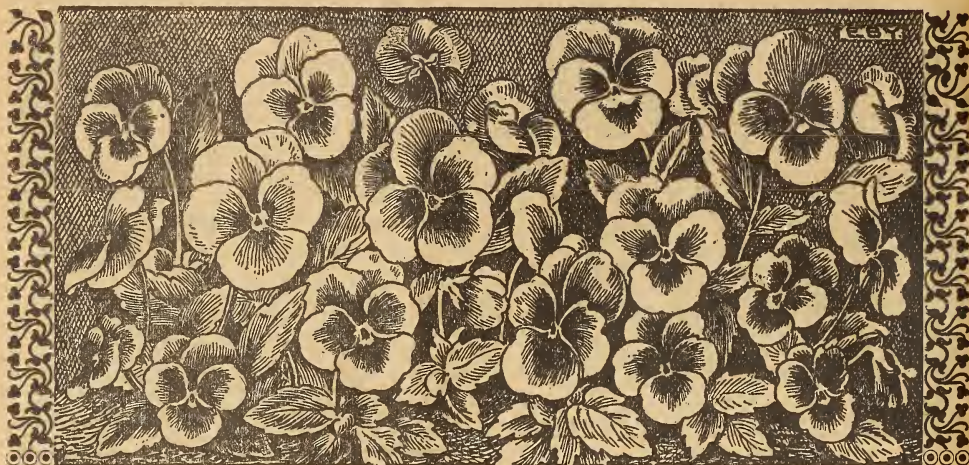

Oenothera, Evening Primrose, splendid annuals, biennials and perennials. Sow in autumn or spring, where plants are to bloom. Flowers cup-shaped, mostly a fine Primrose yellow. Dwarf white, Frazeri, Macrantha, Missouriensis, Lamarckiana, Rosea, Johnsonii, each 5 cents. Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Oxalis, low plants with clover-like foliage and clusters of very pretty flowers; fine for edgings, baskets and ground-work. F. floribunda alba, F. rosea, Rosea alba, R. delicata, Tropaeoloides, Valdiviana mixed, Sensitiva Each 5 cents. O. Tropaeoloides has brown foliage—a fine low background for bedding designs. Special mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Pansy, Roemer's Giant Prize.

Complete Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

THE PANSY is the most popular of garden flowers, and justly deserves its popularity. No flower blooms earlier, or more freely and continuously, and none is more delicate in texture, rich and varied in color, or more pleasing and attractive. A bed of well-grown plants in bloom is gorgeous, and always enthusiastically admired. It rivals the Tulip bed in the spring, and blooms freely till July, then continuously, though less freely till winter. The strains I offer are unsurpassed, the plants being robust, the flowers of enormous size, and the colors of wonderful variety and beauty. Ten packets of ten different mixtures, White, Red, Blue, Black, Yellow, Blotched, Striped, Shaded, Azure, and Varieties, only 25 cents, or all varieties in complete mixture, 4 pkts 15 cts, 1 pkt 5 cts. I also offer the following splendid varieties separately at 5 cts per packet:

ROEMER'S GIANT PANSIES, Distinct Varieties.

Adonis, light blue, beautiful.
Atropurpurea, royal purple.
Blotched and Striped, splendid.
Bridesmaid, rosy white, blotched.
Bronze, splendid bronze shades.
Black Blue, very dark blue.
Candidissima, pure white.
Cardinal, brownish scarlet.
Canarybird, yellow, blotched.
Cliveden, fine for beds.
Coal Black, darkest Pansy.
Coquette de Poissy, mauve.
Crown Prince, velvety black.
Diana, cream-colored.
Elite, a lovely variety.
Emperor Frederick, royal purple.
Gold-edge and gold-bronze face.
Emperor Joseph, white, blue spots.
dwarf and stocky plants.
Emperor William, fine blue.
Eros, deep velvet, gold edge.
Fairly Queen, azure, white edge.
Fire King, gold, banners blue.
Freya, maroon, white margin.
Golden Queen, pure yellow.
Golden Yellow, brown eye.
Havana Brown, rare shades.
Hero, new, fine.
Hortense Red, new, fine.
Hydrangea Rose, new.
Indigo King, true indigo blue.
King of Blacks, coal-black.
Lavender, pale blue, blotched.

Light Blue, white eye.
Lord Beaconsfield, blue.
Madam Perret, red-shaded.
Mahogany, red shades.
Marmorata, red, marbled.
Mauve Queen, red-blotched.
Master Piece, frilled.
Mercury, rich purple.
Meteor, bright brown.
Orange, golden yellow, new.
Orange Prince, orange, blue eye.
Parisian Stained, large blotched.
Peacock, rich blue, edged white.
marked rose-carmine in face.
President Carnot, white, blue blotch.
Prince Bismarck, golden bronze.
Prince Henry, darkest blue.
Psyche, blotched; wavy margin.
Purple King, crimson-violet.
Quadrilateral, richly variegated.
Ruby King, purplish red.
Rosy Morn, crimson, red edge.
Red Riding-hood, fine red shade.
Sky Blue, lovely shade.
Snowflake, pure white.
Snow Queen, pure white.
Striped Giant, splendidly striped.
Sunlight, new, orchid-flowering.
Victoria, bright, blood-red.
Violet Blue, very fine.
Vulcano, new, dark red, blotched.
White with purple eye, fine.
Yellow with dark eye.

Complete Special Mixture of all the above varieties, 4 pkts 15c, 1 pkt 5c.

The New Orchid-flowering Pansies.

I offer a fine strain of the New Orchid-flowering Pansies (Cattleayana), and hope all of the New Orchid-flowering Pansies was developed by German florists, and will be found surpassingly beautiful. The plants are strong and free-blooming, the flowers of fine form and large size, and the colors exquisite and of the most pleasing shades and combinations. These Pansies are well-named Orchid-flowering, for they are royal in beauty, distinct in their superior character, and enchanting in their soft, rich colors. 4 pkts 15 cts, 1 pkt 5 cts.

Brown's Improved Giant Pansies.

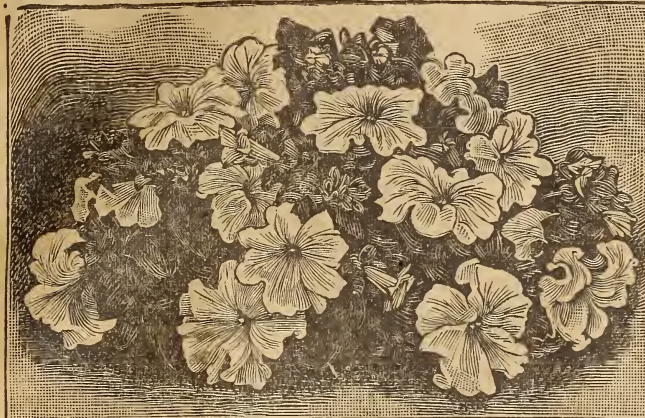

As surpassing all other Giant Pansies I offer this season Brown's Improved Giant, the flowers of which are Giants of the Giants, and appear in all the rich shades and variegations of the Pansy family. These Pansies are an American improvement, the result of years of painstaking effort by Mr. Peter Brown of Lancaster County. The plants are therefore adapted to a warm, sunny climate, such as we have, and to the peculiar rich soil of our American gardens. These Pansies are the "no plus ultra" of Pansy development, and will delight all who grow them. As yet I can offer but two varieties separate, White with distinct blotches, and Yellow with distinct blotches, each at 5 cents per packet; but my mixture embraces all the fine colors and combinations, and the price is only 5 cents per packet or 4 packets for 15 cents. If desired in larger quantity I will supply this grand strain of Pansies at 50 cents per packet of 1000 seeds.

Park's Mammoth Petunias.

Single and Double, Plain and Fringed, Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

I Offer the Finest Strain of Mammoth-flowered Petunias in Cultivation, the seeds saved only from selected pot plants and carefully hybridized. All the exquisite shades and colors, and the flowers both plain and fringed. Plants strong and very free-blooming. Following are my superb mixtures;

were fine. I had bought a plant of double Petunia that spring but it never bloomed, but such plants as I had from seeds—some were so large I gave them away as I could not keep them through the winter. This spring I bought large-flowered single seeds, and I now have some of the largest flowers I ever saw, some almost white with a satiny shiny finish, some dark and velvety, some pale pink, some blotched and striped. I admired them very much and think anyone can raise them.—Mrs. L. H. Godfrey, Kansas City, Kans.

Mr. Park:—I got a five-cent packet of your Double Petunia seeds and raised several plants. The flowers were certainly beautiful. They were as double as a Rose. One was pink, one white, the balance variegated.—Clara Humrick, Frank, Co., O.

Petunia Superbissima, and Fimbriata, flowers of enormous size, ruffled edges; White, Blood-red, Yellow-throated, Dark Crimson, Rose, Veined, Margined, White and Lilac, Crimson, Deep Carmine, Purple, Purple with White Throat, Rose and White, Purple margined White, Yellow Throated, each 5 cents; mixed, 4 pkts 15 cents, 1 pkt 5 cents. I can supply these colors in plain edged mammoth sorts, at same price.

Petunias for Beds and Pots.

The Petunia, in its many varieties, is the best all-round flower known for general cultivation. It is free-blooming, rich in color, fragrant and showy, making a gorgeous display throughout the whole season, until after severe frosts. It is very easily started from seeds, blooms early, has no enemies, and rejoices in sunshine. It is almost perfect, and can be used for pots in the winter as well as for beds in the summer. I offer, from seeds of the finest quality, and my mixtures are unsurpassed. For beds or pots I most freely recommend the following:

SPREADING VARIETIES.

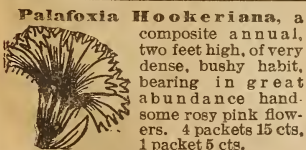

| | |
|--|---|
| Adonis , carmine, white throat | 5 |
| Abia , white, often with dark throat | 5 |
| Belle Etoile , striped and handsomely striped | 5 |
| Carmen Sylva , violet, white throat | 5 |
| Gen. Dodd , rich dark purple, fine | 5 |
| Howard's Star , distinct white star | 5 |
| Intus Aurea , with yellow throat | 5 |
| Marginata , margined with green | 5 |
| Reticulata , distinctly veined, beautiful | 5 |

Spreading varieties in superb special mixture, 4 pkts 10 cents, 1 pkt 3 cents.

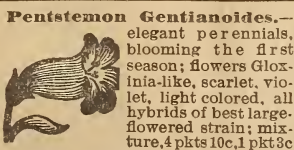

COMPACT VARIETIES.

| | |
|---|---|
| Multiflora , striped, starred and blotched | 5 |
| Snowball , pure white, very fine | 5 |
| Rosa, rose , Venosa-veined, Sclaria , starred, each | 5 |
| Rosy Morn , rose with white centre, splendid | 5 |
| Baby Blue , beautiful purplish blue | 5 |
| Rose-striped , splendid purplish variety | 5 |
| Enchantress , new strain in many varieties | 5 |
| Compact varieties, special mixture, 4 pkts 10 cts, 1 pkt | 3 |

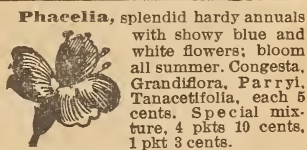

Mr. Park:—I live in western Texas where it is so dry that yard flowers will not grow, and there is too much alkali in the soil for house flowers, so I tried Petunias, and they are grand. I got a three-cent pkt from you in the spring, and now I have lots of pretty Petunias in the house, the wonder of all my neighbors.—Mrs. J. L. Hockins, Young Co., Tex..

Palaflexia Hookeriana, a composite annual, two feet high, of very dense, bushy habit, bearing in great abundance handsome rosy pink flowers. 4 packets 15 cts, 1 packet 5 cts.

Pentstemon Gentianoides, elegant perennials, blooming the first season; flowers Gloxinia-like, scarlet, violet, light colored, all hybrids of best large-flowered strain; mixture, 4 pkts 10c, 1 pkt 3c.

Phacelia, splendid hardy annuals with showy blue and white flowers; bloom all summer. Congesta, Grandiflora, Parryi, Transcendentia, each 5 cents. Special mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Perilla nankinensis, plants with showy dark brown foliage, many plants showing finely crimped and lacinated leaves. Makes a very handsome foliage effect. Mixture, 4 pkts 10c, 1 pkt 3c.

Physalis, Ground Cherry. Free-growing plants with showy capsules, and edible "cherries" inside. Franchetti, Alkekengi, both red, and handsome. 5c. Edulis, golden, for preserves, 5 cts. All mixed 5 cts.

Phlox Drummondii, Large-Flowered, Improved.

Complete Special Mixture, 4 pkts 15 cts. 1 pkt 5 cts.

The Improved races of Phlox Drummondii are hardly surpassed by any other annual. The plants start quickly from seeds, are compact in growth, begin to bloom when small, and continue blooming till after frost. The flowers are graceful in form, bright and varied in color, and produced in large clusters. Set eight inches apart in a bed, the plants make a bizz of rich color throughout the summer. The dwarf, compact varieties are excellent for pots. The Grandiflora and Hortensiaeflora Phloxes are especially valuable for beds. Finish off the first shoots that appear, and the plants will become compact and bushy, like the one shown in the engraving. My seeds of these flowers are first-class, and my special mixtures are carefully prepared.

GRANDIFLORA SORTS.

| | | | |
|-----------------------|---|----------------------------|---|
| White | 5 | Scarlet striped | 5 |
| White with eye | 5 | Carmine, white eye | 5 |
| Dark purple | 5 | Quadriflor rosea | 5 |
| Purp. with eye | 5 | Viola | 5 |
| Purple | 5 | Crimson striped | 5 |
| Brilliant Scarf | 5 | Deep pink, wht. eye | 5 |
| Scarlet | 5 | Rose, white eye | 5 |
| Chamois rose | 5 | Crimson, star centre | 5 |
| Flesh color | 5 | Rose, star centre | 5 |
| Rich crimson | 5 | Carmine, star centre | 5 |
| Blue striped | 5 | Zonalis, with zone | 5 |
| Light yellow | 5 | Discoidalis elegans | 5 |
| Rose | 5 | Discoidalis lilacina | 5 |
| Rose striped | 5 | Mixed, 4 pkts 15 cts | 5 |

HORTENSIAEFLORA.

Smaller flowers, in very handsome, large clusters:

| | | | |
|---|---|-------------------------|---|
| Rose | 5 | Carmine striped | 5 |
| White | 5 | Rose, white eye | 5 |
| Scarlet | 5 | Deep Pink, white | 5 |
| Purple | 5 | eye, beautiful | 5 |
| Chamois rose | 5 | Brilliant scarlet | 5 |
| Violet with star | 5 | Cinnabar scarlet | 5 |
| Hortensiaeflora Special Mixture, 4 pkts 15 cts, 1 pkt | 5 | | |

CUSPIDATE and FRINGED.

The flowers of this class have cut and fringed petals, and are much prized:

| | | | |
|----------------------|---|----------------------------|---|
| Alba, white | 5 | Purpurea, purple | 5 |
| Coccinea, scar | 5 | Salmona, salmon | 5 |
| Blue-marbled | 5 | Viola | 5 |
| Rosea | 5 | Mixed, 4 pkts 15 cts | 5 |

They are fine for pots or garden beds.

SEMI-DOUBLE.—These bear semi-double flowers of the leading colors. Dark red, 5 | Pure white, 5 | Bright scarlet, 5 | Pale yellow, 5 | Brown, 5 | Red, 5 | Cinnabar, 5 | Mixed, 5

COMPACT DWARF SORTS.—Fireball, bright scarlet, globular, 5 | Snowball, pure white, globular, 5 | Surprise, vermilion, white centre, 5 | Violaeca Striata, 5 | Mirabilis, 5 | Coccinea Striata, 5 | Mixed, 5 | Complete Special Mixture of all colors, 4 packets 15 cents, 1 packet, 5

Mr. Park:—I planted a row of Phlox Drummondii ten feet long and found I had all I could manage. I had but one packet of your seeds, but could have made the bed four feet square and had a much nicer display. They would not have been any prettier, however, for they were so large and of every color.—Mrs. Emma Isaacs, Saline Co.

Mr. Park:—I find your Phlox Drummondii easily raised and very free-blooming. The plants will bloom continuously if not allowed to seed. The flowers are sweet-scented, very showy and of so many bright colors, and double and single.—Ruth A. Johnson, Glasgow, Kansas.

Poppy, Annual.

The Annual Poppies are exceedingly showy and beautiful flowers, and all easily grown. Sow in early autumn or early spring, and thin the plants to eight inches apart. I offer choice seeds of the finest varieties.

Park's Giant, 3 feet, great fluffy, double flowers, in the following colors:

| | | | |
|---|---|-----------------------|---|
| White | 5 | Scarlet | 5 |
| Feathered | 5 | Ash gray | 5 |
| Striped scarlet | 5 | Dark ash gray | 5 |
| White and Purp. | 5 | Dark lilac | 5 |
| Light yellow | 5 | Dark violet | 5 |
| Red, striped | 5 | Steel blue | 5 |
| Cinnabar | 5 | Black, brown | 5 |
| Pomegranate | 5 | cinnabar | 5 |
| Rose | 5 | Purple on black | 5 |
| Bright rose | 5 | Purple | 5 |
| Delicate pink | 5 | Salmon rose | 5 |
| Mixture of all sorts, 4 pkts 10 cts | 3 | | |

Peony-flowered, large flowers of many handsome colors, as above, also striped, each 5c, mixed, 3

Other Poppies:—Admiral, Double Umbrosun, Peacock, Tulip Poppy, Miss Sherwood, Hybridum Splendens, Murselli fl. pl. japonese, Laevigatum, Giganteum, Japanese, Rheas, Ranunculus-flowered, each 5 cts. Mixed, 4 pkts 10 cts, 1 pkt, 3

Cardinal Poppy, 18 inches, very double, elegantly fringed, Cardinal red, rose, copper, chamois, brick red, white, Mary Campbell, each 5 cents; Special Mixture, 4 packets 10 cts, 1 packet, 3

Shirley Poppy, Tall or Dwarf, all the fine new shades, fine mixture, 5

Portulaca.

Beautiful, free-blooming annuals, exceedingly showy in a bed, and continuous blooming. Fine also for vases and window-boxes. Likes a sunny situation and a sandy soil. The colors are very rich and varied. The plants, which are low and spreading in habit, begin blooming in a few weeks, and bloom well till fall. Started in mid-summer they bloom gloriously throughout autumn. Easily raised from seeds.

Double and Single.

| | | | |
|-----------------------|---|---|---|
| White, pure | 5 | Rose, fine | 5 |
| Red striped | 5 | Splendens, crim. | 5 |
| Red centre | 5 | Rose striped | 5 |
| Golden yellow | 5 | Double, mixed | 5 |
| Bronze colored | 5 | Single, Single and Double 4 pkts 15c | 5 |
| Carmine striped | 5 | Mr. Park:—I wish everybody would try your Double Portulacas. They are fine, the blossoms so large and double.—Mrs. F.D. Newton, Grainfield, Kan., | |
| Flesh-colored | 5 | | |
| Scarlet | 5 | | |
| Light yellow | 5 | | |
| Sulphur | 5 | | |
| Orange | 5 | | |
| Single, mixed | 5 | | |
| Mixed | 5 | | |

Polygonum.

Free, continuous and beautiful flowering annuals, often called Cat-tails. Orientalis, 6 ft tall, white, red, each 5 Pumilum, dwf. 2 ft, white, red each 5 Variegatis, tall, variegated leaves .. 5 Capitatum, round, dense heads, pink 5 Posumbu, erect, 1 ft, rosy panicles .. 5 Special Mixture, 4 pkts 10 cts, 1 pkt .. 3

Pumilum and Posumbu are fine for low hedges. P. Lanigerum, Baldschuanicum Multiflorum and Cuspidatum, see perennial pages.

Arboreus, 15 ft. .. 5 Zanzibariensis, Camboodensis .. 5 Zanzibariensis, carmine, black, Gibsoni, dark red .. 5 spotted, enormous, Panormitanus .. 5 mis, Cinerascens, Picturacarpus .. 5 atus each .. 5 Philippiensis .. 5 atus each .. 5 Sanguineus Ker. .. 5 Mxd 4 pkts 15c, 1 pkt 3

Rudbeckia, showy, easily grown plants, fine for beds or borders.

Newmanii, golden, dark cone, fine .. 5 Bicolor semi-plena, yellow, brown .. 5 Amplexicaulis, yellow .. 5 Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3

Salvias in Splendid Variety.

Complete Special Mixture of all sorts, 4 pkts 15 cts, 1 pkt 5 cts.

Mr. Park:—Your *Salvia pendula* is the finest I have ever seen. This is identical with "Drooping Spikes" that other seedmen have been selling at very high, fancy prices. I procured Drooping Spikes, *Clia* Bedman, St. Louis, Burning Bush, and Bonfire, and grew them side by side, together with your *Pendula*, costing only 5 cents, and they are all identical, being an improved *Salvia splendens*. Our *Salvia pendula* bought of you, attracted great attention last summer. We planted our Cannas, half a dozen varieties, in the centre of a large circular bed. We surrounded them with a row of *Salvia pendula*, and just outside of the *Salvia* we had a row of scarlet flowering dwarf *Nasturtiums*, I bought of you, and that large bed looked like a house burning down, minus the smoke. A city man who saw it, said he had seen nothing more strikingly beautiful in the great parks.—Dr. A. O. Williams, Hugo, Illinois.

Salpiglossis, New Emperor.

Special Mixture, all colors, 4 pkts 15c, 1 pkt 5c

The New Emperor race of *Salpiglossis* is a great improvement on the old-fashioned kind, the plants being strong and stiff, and the flowers of great size, appearing in all the rich shades and colors, mostly beautifully penciled. The plants grow two to three feet high, branch freely, and bear their showy flowers continuously and liberally throughout the season. I offer a superior strain of seeds, and my mixture is specially prepared from all the finest varieties.

| | | |
|---|---------------|----------------------|
| Brilliant crimson... 5 | Rich yellow 5 | Brown with gold. 5 |
| Purplish violet... 5 | Chamois... 5 | Azure with gold... 5 |
| Light blue... 5 | Bright rose 5 | Dark scarlet... 5 |
| Special Mixture, all sorts, 4 pkts 15 cts, 1 pkt 5 cts... 5 | | |

Mr. Park:—Your *Salpiglossis* were grand, and pleased me greatly. I shall always recommend them to my flower-loving friends.—Miss Inez Speer, Wash. Co., Pa.

Scabiosa in Variety.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

The Improved Double-flowered *Scabiosa atropurpurea* or Mourning Bride, is a splendid hardy annual, the flowers being of great size, very double, and embracing a wide range of colors from white through shades of red to black, as well as shades of blue or rich purple. The plants grow two feet high, bearing their lovely globular flowers on long, swaying stems. They bloom throughout the summer, and are truly beautiful. Seeds may be sown early in autumn or early in spring. Sown in early autumn the plants winter safely, and come into bloom early the next season. I offer the following superb varieties:

| | | |
|----------------------|---|-----------------------|
| Pure white... 5 | Rose, fine... 5 | Flesh color... 5 |
| Cherry Red... 5 | Lilac, pretty 5 | King of Blacks... 5 |
| Fiery scarlet... 5 | Purple... 5 | Cherry and White 5 |
| White and Lilac... 5 | Sulphur... 5 | Purple and White... 5 |
| Dark Brick Red... 5 | Pompadour 5 | Rosy Carmine... 5 |
| Azure Fairy... 5 | Special mixture, 4 pkts 15 cts, 1 pkt 5 cts | |

Double Dwarf. fine for pots in winter. Brown, blood-red, crimson, rosy lilac, white, purple, snowball, each 6c.

Senecio Elegans, Double-Flowered Dwarf.

Special Mixture, all sorts, 4 pkts 15 cts, 1 pkt 5 cts.

Plant of Senecio Elegans.

Pompon.—Copper..... 5 | Purple..... 5
 Cream white..... 5 | Rose..... 5 | Red..... 5
 Bronze yellow..... 5

The new Double-flowered Dwarf varieties of Senecio Elegans are exceedingly showy and beautiful, and make a glorious bed. The plants grow eight inches high, branching, and becoming a mass of lovely rich-colored, very double flowers. Set six or eight inches apart in a bed they make a grand display. The seeds germinate readily, and the plants quickly come into bloom, and remain in bloom for many weeks. This is one of the rare annuals that should come into general cultivation. None are more easily grown, and none make a finer show in a bed. I heartily recommend it.

Double.

*Dark rose 5 | Yellow .. 5
 *White... 5 | Purple... 5
 *Blue... 5 | Violet... 5
 Rose..... 5 | Red..... 5
 Bronze yellow..... 5

Flowers of Senecio Elegans.

*Elegant bedding sorts. Complete Special Mixture of all varieties, both classes, 4 packets 15 cents, 1 packet 5 cents.
 Mr. Park:—Last season I had a bed of Cannas bordered with your Senecio Elegans, dwarf double, in red, white and blue colors. They were very beautiful, and admired by all.—Mrs. Gibbon, Chenango Co., New York.

Solanum in Varieties.

Easily grown, handsome foliage, flower or fruit plants. The following are bushy kinds to be treated as annuals. Some of them are very handsome pot plants.

Balbisi, shrubby, half-hardy; leaves deep-cut, brown epines; the flowers mauve; bright red berries..... 5
Citrullifolium, lobed leaves, rosy-violet flowers, golden fruit..... 5
Ciliatum, orange fruit, lovely.... 5
Giganteum, sub-tropical foliage plant 6 ft high North, 25 ft at South; blue flowers, red fruit..... 5
Laciniatum, cut foliage, flowers dark violet, fruit yellow..... 5
Melongena, flowers blue, ornamental, Cardinal, Scarlet, Striped, Black each 5c. Mixture, 4 pkts 10 cts, 1 pkt 3

Sanvitalia procumbens fl. pl., a showy, spreading annual, with bright golden double flowers an inch across. Easily started, and blooms all summer; very hard.

some. 4 pkts 15 cents, 1 pkt 5 cents.

Saponaria calabrica, a trailing annual with a profusion of lovely white and rose flowers. a carpet of bloom. Sow early in fall or spring. Each 5c. mixd 5c
S. paniculata tall, red, white, 5 cts.

Saxifraga cymbalaria, a very handsome, rather succulent little plant with light green foliage and exquisite golden bloom; useful for pots and dry edgings. It delights in a sunny situation; profuse

bloomer 4 pkts 15 cents, 1 pkt 5 cts.

Schizopetalon Walkeri, a Chilean half-hardy annual grows a foot high; lovely, richly scented, and beautifully fringed white flowers. Sow where plants are to bloom..... 5

Schizanthus, Butterfly Flower.

The varieties of Schizanthus are useful alike for either pots in the house, or beds in the garden. The plants are easily started, begin to bloom early, produce their flowers in wonderful profusion, and are showy for a long time. Flowers are rich and graceful. The New Hybrids of Grandiflorus bear large and handsome flowers, and are as showy as those of *S. Wisetonensis*, a beautiful pot variety, while they are more easily grown.

Grahami, red, carmine, flesh, each. 5
Papilionaceus pyramidalis, fine. 5
Rebusus, red, white, dwarf, mixed 5
Grandiflorus, white, purple, spotted 5
Hybrids, large-flowered, mixed 5
Pinnatus, white, blue, rose, dwarf 5
Tigridioides, blotched and spotted. 5
Wisetonensis, free-blooming pot-pkt 5
Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3

Silene in Varieties.

Beautiful and showy plants, easily grown from seeds. The following are all hardy annuals, sown fall or spring, and bloom in great profusion. They make a fine bed or edging of rich-colored flowers

Fortunei, large flowers, very finely fringed, shades of rose mixed..... 5
Martima, lovely carpet of green, spangled with pink flowers..... 5
Pendula compacta, very double, compact and free-blooming Snow Queen, Peach Bloom, Triumph, Rosea fl. pl. Each 5 cts, all mixed. 5
Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3

Sedum Ceruleum, a charming little annual from Southern Europe; the flowers are blue, in elegant clusters; the plants dwarf, branching; the foliage green spotted with red... 5

Shortia Californica, a tufted plant six inches high, producing a wealth of Daisy like yellow flowers, with a rich golden centre. Sow in early fall or spring..... 5

Sphenogyne speciosa, a handsome, showy annual, one foot high; flowers Marguerite-like, in beautiful shades of yellow. They are useful for cutting, and make a showy display in beds. Mixed... 5

Stachys coccinea, a Mexican perennial, a foot high; spikes of red flowers; handsome..... 5

Stevia Eupatoria, a Mexican plant growing 18 in. high, bearing a multitude of white, brush like flowers, in loose corymbs; the plants are branching, and become a mass of fine bloom..... 5

Ten Weeks' Stock in Splendid Variety.

Complete Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

This Annual is almost perfect, being of easy culture, clothed with pretty foliage, and bearing long spikes of delicate, double flowers of handsome texture, having a delicious fragrance, and blooming throughout the season. There is hardly another garden flower with so many good qualities. The seeds I offer were saved from pot-grown plants, and can be depended upon for the finest flowers. Transplant the young plants carefully during moist, cloudy weather, giving rich soil and good after-culture. Fine for either beds or pots.

NEW HOLLYHOCK-FLOWERED STOCK.

A new mammoth race, producing a single stem which attains the height of three feet, clothed with lovely green foliage for a foot or more at the base, the spikes being from 15 to 18 inches in length, and a perfect wreath of lovely big double fragrant flowers. This splendid Stock is the earliest to bloom, and keeps in bloom throughout the summer. A double row makes a grand show, and fills the air with rich perfume. I have never known seeds of this magnificent new sort to be sold for less than 15 cents per packet, but I offer the same at 4 packets for 15 cents, or 1 packet for 5 cents. Each packet contains about 50 seeds. Don't fail to get this splendid novelty in Stocks.

Giant Perfection, 3 feet high, of pyramidal growth, with large spikes of double bloom, white, blood-red, flesh and carmine, crimson, canary, azure, each. 5
 Mixed, 4 pkts 15 cts, 1 pkt. 5

Complete Special Mixture of all colors, 4 packets 15 cents. 5

Mr. Park:—Last spring I bought a five-cent packet of your mixed Ten Weeks' Stock plants. The flowers are mostly double and of all colors, some white, pink and purple shades. They are very fragrant and easily grown from seeds. I have as satisfactory a bed of them as could be had from a more expensive packet. A double crimson one is almost exactly like a Crimson Rambler Rose in color and blossom and is more easily grown, besides being very fragrant.—Euzia O. Smith, North Pitcher, N. Y.

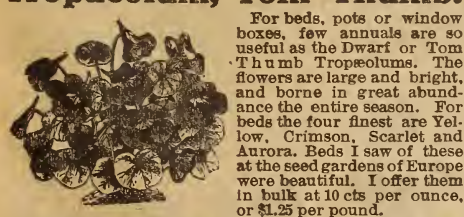

Mr. Park:—I wish the flower lovers could see my Ten Weeks' Stock grown from your seeds. I planted each seed in an egg shell and transplanted when the weather was warm. I have one with six spikes of bloom. All are greatly admired.—Mrs. Lavina Whittaker, Green Co., New York.

Trachelium, handsome plants of the Bellflower family; plants grow two feet high; leaves deeply cut; flowers small, blue or white, in great abundance. Either color 5 cts; mixed, 4 pkts 15 cents, 1 pkt 5 cents.

Trachymene, see *Didiscus*, page 20.
Trifolium suaveolens, the sweet-scented Italian Clover, a favorite annual, ½ foot high, with purplish, very fragrant flowers, pkt 5 cents.

Tropaeolum, Tom Thumb.

For beds, pots or window boxes, few annuals are so useful as the Dwarf or Tom Thumb Tropaeolums. The flowers are large and bright, and borne in great abundance the entire season. For beds the four finest are Yellow, Crimson, Scarlet and Aurora. Beds I saw of these at the seed gardens of Europe were beautiful. I offer them in bulk at 10 cts per ounce, or \$1.25 per pound.

Yellow, Crimson, Scarlet, Aurora, White, Spotted, Rose, Ceruleum, Beauty, Lady Bird, King of Tom Thumbs, Yellow-foliage, Golden King, Empress of India, Scheuerianum, each 5 cents; mixed 4 pkts 15 cts, 1 pkt 5 cts.

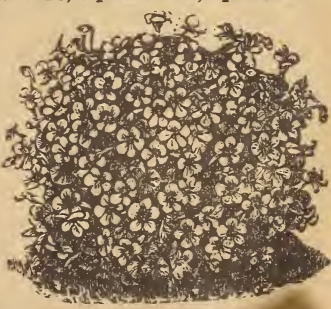

Mr. Park:—I am successful with your Tom Thumb Tropaeolum, and find great pleasure in them, and have taken several prizes at County Fairs.—J. N. Williams, Broome Co., N. Y.

Tropaeolum, Lilliput.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

A race of miniature Dwarf Nasturtiums, beautiful in pots and for out-door edgings. I can supply the following elegant colors:

| | |
|----------------------------|---|
| Dark Purple 5 | |
| Snow Queen 5 | |
| Scarlet..... | 5 |
| Spotted..... | 5 |
| Sulphur with brown spots 5 | |
| Othello, almost black. 5 | |
| Brick Red... 5 | |
| Crimson..... | 5 |

Mr. Park:—I have a bed of Tropaeolums every year have never had anything to compare with what I raise your seeds this season. There were so many lovely and every day I had all the blossoms I could want. They were the most beautiful Tropaeolums I ever saw. Jenne, Sullivan Co., N. H.

Verbena, Large-Flowered Hybrids.

Complete Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Verbenas are well-known favorites. They are easily grown from seeds, the flowers appearing in elegant clusters, of many rich colors, and continuously produced from June till after frost. They are superb bedding plants not only showy and beautiful, but emitting a fragrance that is truly delicious. The hybrid varieties I offer are very superior, and will yield the best results.

| Complete Special Mixture of all sorts, 4 pkts 15 cts, 1 pkt 5 cts. | | | |

Mr. Park:—My large-flowered Verbenas are admired by all who see them. If I could only raise one flower, it would be the Verbena. They are so beautiful and so easily raised.—Mrs. John Beeghly, Ashland, Ohio.

Mr. Park:—My Verbenas from your seeds have been a mass of bloom all summer, and showed a wonderful variety of colors.—L. E. Marsh, Chester, Vt.,

Virginia Stock.

A very profuse-blooming annual, a foot high, becoming a mass of bloom in autumn. Handsome also in pots. The colors are white, rose, crimson and yellow. The same in special mixture, 4 packets 15 cents, 1 packet 5 cts. If they are started in early autumn the plants will bloom well in a cool window in the winter.

Fairy Queen, Carmine, and Crimson King, crimson, are very rich-flowered sorts, especially useful either for garden beds or window pots, 5 cts each.

ful either for garden beds or window

Viola, Tufted Pansy.

The Tufted Pansies are beautiful, Pansy-like flowers which succeed well wherever a Pansy can be grown. The seedlings start in from ten to fifteen days, begin to bloom in a few weeks, and if cut freely will bloom till the snows of winter appear. The colors are varied, and a mixed bed is very attractive. They are deliciously fragrant.

| | |

| Mauve..... | 5 |
| Pure white..... | 5 |
| Yellow..... | 5 |
| Rich Purple..... | 5 |
| Mxd, 4 pkts 15c, 1 pkt 5 | |

Valerian, Fragrant.

A showy and beautiful fragrant perennial. Plants are easily started from seeds, bloom the first season when sown early, and are perfectly hardy, blooming for many years. Flowers small, in clusters.

Fine for cutting. A worthy garden perennial, and should be in general cultivation.

| | | | |
|------------|---|--------------|---|
| White..... | 5 | Scarlet..... | 5 |
| Red..... | 5 | Rose..... | 5 |

Vendium fugas, a very handsome half-hardy perennial of spreading habit, covered with Marigold-like yellow flowers during summer. 1 pkt 5 cents, 4 pkts 15 cents.

Verbena venosa, a very pretty trailing annual bearing clusters of purple flowers; foliage deeply cut and very handsome; useful for either beds or pots. 4 packets 15 cents, 1 packet 5 cents.

Vinca Rosea.

Lovely everblooming plants with glossy green foliage and Phlox-like flowers. It is easily grown, and fine for beds in summer and pots in winter. Grows a foot high; thrives in a warm, sunny place.

Colors, white, white with eye, and rose, each 5 cents. Special mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Mr. Park:—I planted your mixed Vincas, and had a bed of beautiful flowers. Now I have many sturdy little volunteer plants that have stood several winters. I expect a beautiful bed next year.—Alice Peak, Allen Co., Kansas.

Viola Munbyana, Algerian Viola, one of the prettiest of hardy plants; it grows and blooms freely, and continues in bloom a long time. Handsome. 4 packets 15 cents, 1 packet 5 cents.

Vittadenia trilobata, very handsome border plant growing nine inches high; becomes a very dense mass of daisy-like bloom; flowers pink, changing to white; is a hardy perennial. 4 packets 15 cents, 1 packet 5 cents.

Viscaria oculata.

Viscaria oculata are beautiful flowers belonging to the Pink family. They are of fine form as shown in the little engraving, and come in very bright colors. White, spotted, blue, rose, red and crimson, each 5 cts. Mixed, 4 packets 15 cents, 1 packet 5 cents.

Wall-flower, Parisian, fragrant flowers in spikes, blooming the entire season. Bloom first season; if grown in pots bloom well in winter. Light brown, blood-red, yellow, cream, 5c ea, mxd 4 pkts 15c, 5c.

Whitavia Gloxinoides, a lovely annual a foot high; small flowers, Gloxinia like, blue, white, very pretty; mxd 4 pkts 15c, 1 pkt 5c.

Zinnia, Finest Improved Double.

Complete Special Mixture, 4 pkts 15c, 1 pkt 5 cts.

The Double Zinnias are among the most beautiful and easily-grown of annuals, while they begin blooming early and keep in full bloom throughout the season. The newer varieties far surpass the older ones in richness of color and elegance of form. My seeds were carefully saved from perfectly double flowers, and are of surpassing excellence.

Bedding Zinnias.—These are of dwarf, compact growth and bloom very freely; full double. They make a very attractive bed or border. White, Sulphur, Golden, Salmon, Scarlet, Crimson, Purple, Violet, Striped, each 5 cts per pkt. Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Mammoth Zinnias.—These grow three feet high, and bear enormous full double flowers. Pure white, Striped, Sulphur, each 5 cts. Special Mixture 4 pkts 15c, 1 pkt 5 cts.

Fringed Zinnias.—Very double, the flowers handsomely fringed. Rare and beautiful. White, Flesh, Carmine, Rose, each 5 cts. Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Lilliput.—Small-flowered, full double flowers, odd and attractive. Fine for beds as well as for cutting. White, Golden, Orange, Scarlet, Crimson, Lilac and Flery red, each 5 cts. Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Pygmy.—Small double flowers on dwarf plants. Scarlet, White, Crimson, each 5 cts. Mxd 4 pkts 15 cts, 1 pkt 5 cts.

Tom Thumb or Miniature.—Similar to the preceding, double and very dwarf, pkt 5 cts.

Crispa fl. pl.—very double, of various colors. with curled petals pkt 5 cts.

Benary's Striped.—Beautiful striped flower, pkt 5c. Iris.—New Sulphur, Striped, Spotted, pkt 5 cts.

Complete Special Mixture, 4 pkt 15 cts, 1 pkt 5 cts.

Mr. Park:—Those who wish a continuous display of rich bloom in summer should plant your double Zinnias. They are the most satisfactory of all annuals, that I have. They show such a diversity of color and shades, and each flower

remains in bloom for six weeks.—Mrs. F. G. Stevens, St. Johnsbury, Vt.

Superb Ornamental Grasses.

These Grasses are beautiful, either for garden decoration, for using for bouquets, or for drying for winter decoration. Some persons dye the dried bunches, and thus make them more attractive. Besides the following I can supply many others, as *Eragrostis elegans*, *Erianthus Ravenna*, *Gymothrix graminifolia*, *Gynerium argenteum*, *Pennisetum angustatum*, *P. Rupeellianum*, *Sorghum nigrum*, *Zizania aquatica*, *Zea quadriflor*, etc., each 5 cts. Special Mixture, large packets, all sorts 3 pkts 25 cts, 1 pkt 10 cts.

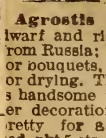

Agrostis nebulosa, an airy, elegant annual grass, the delicate panicles appearing like a cloud or nebula. Sow early in spring. This fairy-like grass is fine for bouquets, green or dry pkt 5 cts.

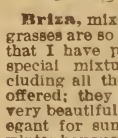

Briza geniculata, another lovely Quaking Grass, very handsome for bouquets, either green or dried; hardy annual, growing a foot high; sow in rows 8 inches apart in a sunny bed early in spring. 6 cts.

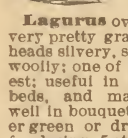

Job's Tears, *Colch. Lachryma*; it is prized for its hand-some gray bead-like seeds; fine for children's beads; worn about the neck for croup and sore throat; 50 seeds 8 cts, 1 oz. 25 cts. pkt 5 cts.

Agrostis pulchella, a more dwarf and rigid sort from Russia; splendid for bouquets, also fine or drying. This grass is handsome for winter decoration. Very pretty for a garden bed, pkt 5 cts.

Briza, mixed. The Briza species of grasses are so popular that I have put up a special mixture, including all the kinds offered; they are all very beautiful and elegant for summer or winter bouquets. 5 cts.

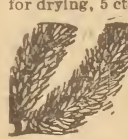

Lagurus ovatus, Hare's Tail Grass. very pretty grass, the heads silvery, soft and woolly; one of the finest; useful in garden beds, and make up well in bouquets either green or dry; fine for drying, 5 cts.

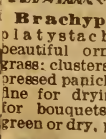

Avena sterilis, Animated Oat, a very hardy annual from Barbary; handsome drooping panicles of large spikelets; very ornamental, fine for drying, pkt 5 cts.

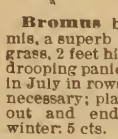

Bromus briziformis, a very pretty decorative grass, the flat panicles appearing in clusters; excellent for drying, as well as for summer bouquets; a rare but handsome grass. 5 cts.

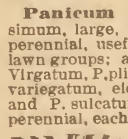

Panicum altissimum, large, showy perennial, useful for lawn groups; also *P. Virgatum*, *P. plicatum* variegatum, elegant; and *P. sulcatum*, all perennial, each 5 cts.

Brachypodium platystachyum, a beautiful ornamental grass: clusters of compressed panicles; very fine for drying; fine for bouquets either green or dry, pkt 5 cts.

Chloropsis Blanchardiana, a graceful and beautiful grass with plume-like panicles, fine for drying; easily grown, desirable for bouquets either green or dry. 5 cts.

Stipa pennata, feather grass, lovely perennial with feathery plumes; once worn as feathers for personal adornment; a very fine perennial grass, hardy. 5 cts.

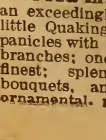

Briza maxima, a beautiful, hardy annual grass, with nodding panicles; it is the large Quaking Grass, very graceful, and elegant for bouquets, pkt 5 cts.

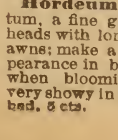

Hordeum jubatum, a fine grass, the heads with long hoary awns; make a fine appearance in bouquets; when blooming it is very showy in a garden bed. 5 cts.

Tricholena rosea, a showy tall grass with handsome rosy panicles; splendid for decorative purposes; deserves to be better known; the panicles are excellent for bouquets, 5 cts.

Briza minima, an exceedingly pretty little Quaking Grass; panicles with hair-like branches; one of the finest; splendid for bouquets, and very ornamental. pkt 5 cts.

Choice Everlasting Flowers.

Special Mixture, all sorts, large packets, 10 cts, 3 packets 25 cts.

The so-called Everlasting Flowers have firm, straw-like petals that retain their form and color when dried. Most of them should be cut when the buds are just opening, and hung up in bunches in the shade to dry. Some persons dye them to brighten their effect. They make up well with dried grasses (see preceding page) and are fine for mantel and table decoration in winter. All are easily grown from seeds.

Acroclinium, graceful and very pretty half-hardy annuals, growing a foot high, the nodding flowers an inch across, double, and very showy in groups, as well as fine for drying. Cut while in the bud. Double Rose, Double White, each 5 cts; mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Ammobium alatum, new, large-flowered, grows two feet high; the plants are robust, branching, and covered with handsome double flowers; the plants are very easily grown from seeds; one of the best either in the garden or for drying for winter bouquets; cut while they are in bud. 4 packets 15 cents, 1 packet 5 cents.

Gomphrena globosa, known as Globe Amaranth, and German Clover. A beautiful annual, grows a foot high, covered with very large, showy heads of attractive colors during the season. A fine bedding plant, and splendid for drying. Cut when fully developed. The dwarf sorts are showy for beds and edgings.

Globosa, carmine 5
White, Flesh, each 5
Variegated, handsome 5
Aurea, large, orange, superb 5
Special mixture of all 5
Dwarf sorts, separate or mixed 5

Gypsophila, superb little flowers borne in great profusion in panicles, and lovely for bouquets, green or dry.
Rosea, Alba, each, . . . 5
Murals, fine for edging or baskets . . . 5
Paniculata, 2 ft. perennial, excellent for summer or winter bouquets . . . 5
Special mixture, 4 pkts 15 cts, 1 pkt. . . 5

Helipterum Sanfordii, a foot high, the small golden flowers borne in large clusters; a rare and beautiful annual everlasting; fine for drying and arranging with grass. Per pkt 5 cts.

BOUQUET OF EVERLASTINGS.

Helichrysum Monstrosum.

Annual of great beauty either in the garden bed in summer or dried bouquets in winter; of very easy culture from seeds; 2 feet high, rich colors, double flowers; cut early if wanted for winter bouquets.

White, Rose, each 5
Crimson, Scarlet, each 5
Yellow, Purple, Salmon, each 5
Finest Special Mixture 4 pkts 15 cts. 5
Dwarf Sorts in Special Mixture 5
Lanatum, silvery foliage 5
Bracteatum, single, mixed 5

Gnaphalium leontopodium, a very pretty alpine everlasting, easily raised from seeds; a favorite souvenir flower among tourists who visit the Alps, where the plant grows wild. . . 5

Rhodanthe, a very handsome everlasting, the plants growing a foot high, bearing very pretty bell-shaped drooping flowers. Superb for bouquets either green or dry. White, Rose, Crimson, each 5 cts. Mixed, 4 pkts 15c. . . 5

Statice.

Everlastings of great beauty either in the garden or in dried bouquets; grows from one to three feet high, branching; flowers small, in lovely big clusters. Rose, Blue, White, each 5

Purple, beautiful. . . 5
Imperiale, mxd 5
Superbissima, mxd 5
Mixture of all, 4 pkts 15 cts, 1 pkt. . . 5

Hundreds of Thousands of Flower-loving Homes

are visited and made brighter and happier every month by **Park's Floral Magazine**, the oldest and most popular journal of its class in the world. It is entirely floral, freely illustrated, original and practical; keeps you posted upon the merits of flowers and successful methods of culture; tells you how to get rid of plant diseases and insects, and gives special information on garden and window culture. It is the flower-lover's own journal, answering floral queries, and helping to overcome all floral difficulties. *Are you a subscriber?* If not, **why not?** Only 10 cents a year, 25 cents for three years, 50 cents for six years. Or, see combination offers on Title Page of this Guide. I hope all of you, my friends, will subscribe. Please see your neighbors and get up a club. Address

GEO. W. PARK, La Park, Pa.

Mr. Park—I have been a subscriber to your Magazine most of the time since the first publication, and have many back numbers. I never wanted one destroyed. I passed them along to others, if I didn't keep them. I look for it with pleasure each month. It is the best publication of the kind that I have ever found. One can get more real knowledge of flowers from it than from any other source I know of.—Mrs. F. B. Colton, Hartford Co., Conn.

HOW TO REMIT.—Sums of \$1.00 or more send by draft, money order or registered letter. Smaller sums send in coin in coin card or sew in a split pasteboard. Or, send in ordinary 1-cent green stamps. Ordinary stamps above the 2-cent denomination cannot be accepted. If sent they will be returned, as I cannot use them.

Choice Ornamental Climbers.

Special Mixture of all varieties, 3 packets 25 cents, 1 packet 10 cents.

These are very useful for covering trellises and summer houses, for screening walls or porches, or hiding old fences or buildings. They quickly transform an unsightly object into a thing of beauty. Nothing makes a place more pleasing or home-like than the tasteful use of vines. Those I offer start readily from seeds, grow rapidly, and are beautiful and attractive. I heartily recommend them to my flower-loving friends.

Cardiospermum Hirsutum.

Cardiospermum.

Special Mixture, 4 pkts 15c, 1 pkt 5c.

Known as Balloon Vine, because of its balloon-like seed-vessels. It is a very graceful, easily-grown vine, reaching the height of eight or ten feet. Its chief beauty is in its charming foliage and curious fruit. Easily grown from seeds.

Halicacabum, common Balloon Vine 5

Hirsutum, a headsome, rare sort 5

Mixed, 4 pkts 15 cts, 1 pkt 5

Bryonopsis laciniata, a lovely annual vine, the foliage handsomely cut and very pretty; in autumn it is thickly set with small ball-like variegated fruits in clusters. This is one of the most satisfactory of ornamental vines. It belongs to the Gourd family; is handsome and graceful in foliage. Grows 15 feet high, makes a lovely screen. 4 pkts 15c, 1 pkt 5c.

Cajophora lateritia, often catalogued as *Loasa lateritia*. Flowers are large, orange-red, borne upon twin stems and freely produced in autumn. Treat as a half-hardy annual. Furnish brush or wire support, as the vines branch and make a dense growth. A good hedge-vine which says "hands off" by its stinging hairs, 1 pkt 5 cts.

Coboea Scandens.

4 pkts 15 cts, 1 pkt 5 cts.

One of the most rapid and beautiful of climbers. It has graceful, bronze-green foliage, and bears throughout the season an abundance of large, drooping, bell-shaped flowers, greenish white and rich reddish purple. In the South the vine is hardy, and will bloom for several years, when once established. The vines grow thirty feet high, and bloom continuously till frost.

Purple, large, handsome, nodding bells. See engraving 5

White, not pure, but a greenish color 5

Macrostemma, not so showy as *C. Scandens* 5

Mr. Park:—Last year I planted a packet of your *Coboea Scandens* and set out five plants. By July they had nearly covered the porch, when hail and wind storm left them literally in rags. But by September they were a thick mass of foliage, and until frost came they were loaded with buds and blossoms. They grew fully seventy-five feet during the season. For a rapid climber, dense foliage and beauty, they are the finest I have ever seen or grown. They were greatly admired by all who saw them.—Mrs. J. F. Berry, Knoxville, Tenn.

Mr. Park:—My *Coboea Scandens* from your seeds were new in this place and greatly admired. Many wanted me to save seeds for them.—Mrs. H. Damon, Cath. Co., N. Y.

Mr. Park:—Last spring with other seeds, I received a packet of *Coboea Scandens* seeds. One plant from the seeds was planted on the north side of the house, and it grew like "Jack's Bean Stalk". It climbed all about the porch, and above the door in the second story; and was covered with large bells, light and dark purple colored. If you want a rapid growing vine, try the *Coboea*.—Mrs. J. R. Etheridge, Iowa.

Calampells Scabra, splendid tuberous perennial; vines covered with lovely clusters of carmine and golden flowers, very showy and beautiful. Keep over like Dahlias, increase in size and beauty with age. Golden, Carm. 5c

Canary Creeper (*Tropaeolum peregrinum*), a superb climber; foliage light green, lobed and pretty; flowers numerous, yellow, like a miniature bird in form; grows 15 ft high. Is called Canary-bird Vine. 5 cts.

Centrosema grandiflora, a beautiful southern vine, trailing or climbing; flowers pink, large, showy, pea-shaped, start seeds early; a very pretty leguminous vine which grows 3 feet high. 5 cts.

Clitoria ternatea, a charming vine from India; flowers of various shades, richly ornamented with a pure white ring. See engraving. Rich blue, white, lilac. Single and double. Separate or in special mixture. 5 cents per packet.

Cypress Vine, an *Ipomoea* vine of great beauty; grows ten feet high, with cut moss-like foliage, covered with star-like bloom throughout autumn. Sow in a warm, sheltered place when the apple is in bloom, or sow earlier in beds and transplant. An exceedingly handsome vine, valuable for a trellis or to ornament the pillars of the veranda. The foliage is a rich, dark green, very beautiful and attractive, always greatly admired.

Coccinea, scarlet, 5
Alba, white, 5
Rosea, rose-colored, 5
Hederacea, Ivy-leaf, 5
Kerberi, late bloom, 5
Special mixture of all 5
Mr. Park:—My *Cypripis* Vines are fine. So delicate, graceful and fern-like.—Mrs. Hagerman, Sag Co., Mich.

Convulvulus Major.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

This is the old-fashioned Morning Glory, improved. The flowers are very large, the colors and variations more varied, and the growth more vigorous. They are among the loveliest of flower vines, being a mass of rich bloom every morning throughout the entire season.

Dolichos in Variety.

Special Mixture, 4 pkts 15 cents, 1 pkt 5 cts.

These are very handsome annual vines of the Bean family. The flowers are borne in big clusters, are of various delicate colors, and succeeded by very showy purple pods, from which it derives the name of Hyacinth Bean. D. bicornatus has pods that are twisted and curved like a ram's horn. All are lovely vines. Fine for arbors, trellises or the summer house.

Gourds and Cucumbers in Splendid Variety.

Special Mixture of all Sorts, Large Package 10 cents, 3 Packages 25 cents.

ABOBRA.

These are beautiful and useful vines of easy culture, very desirable for foliage, flowers or fruit. A few are perennials, but most of them are annuals. The Lagenarias and Luffas are alike very useful for flowers and fruits. They are fine for covering old fences, buildings, etc. The Fancy Gourds are beautiful toys for children, as well as handsome prolific vines. They all like a warm, sunny place and rich, moist soil.

Abobra viridiflora, tuberous perennial; flowers green, fragrant, succeeded by scarlet fruits the size of a cherry; foliage divided and very pretty, growth rapid; tubers kept like Dahlias 5 cts

Bryonia Dioica, a handsome perennial vine with scarlet fruits 5 cts

Cucumis flexuosus, snake cucumb. 5

Cyclanthera explosens, C. pedata, each 5

Echinocystis lobata, wild Cucumber 5

Lagenaria vulgaris, mixed 5

Dipper Gourd, Bottle Hercules Club, each 5

Dish, Sugar Trough, Egg Cannon Ball, each 5

Nest Egg, white, fine for nest eggs 5

Apple Gourd, Lemon Orange, Gooseberry 5

Apple-striped, Pear, Green-striped, Red-striped 5

Luffa acutangula, yellow (Dish Cloth Gourd) 5

Momordica balsamina, Balsam apple 5

Charantia, Balsam Pear 5

Invulcerata, scarlet, 5

Momordica, all sorts mixed, 4 pkts 15 cts, 1 pkt 5

Hundred-weight, yellow, scarlet, striped, mxd 5

Tricosanthus, snake Gourd 5

Turk's Turban, mixed 5

Gourds, Small Fancy, mixed 5

Gourds and Cucumbers, mixed 5

Mr. Park:—From two packets of mixed Gourd seeds I raised so many odd plants! They were a constant wonder to the neighbors, besides supplying the neighborhood with darning eggs and dippers. They grew so rapidly that they covered an old shed in a very short time.—Mrs. J. Webster, Washington, D. C.,

Mr. Park:—I got some seeds of your Gourds and have been very successful with them. They are very handsome and a source of much pleasure.—Georgia V. Scofield, Malvern, Pa.,

Hamulus, Japan Hop, variegated, a very easily grown and quite handsome hardy annual vine of exceedingly rapid growth; very graceful, dense foliage; panicles of whitish flowers; excellent for a screen or trellis. 5 cents.

Ipomoea, in fine variety. Lovely Morning Glory-like vines, the flowers very large and handsome; vigorous, easily grown annuals; useful for covering fences, walls or buildings.

Coccinea, scarlet and yellow small, free-blooming, mixed 5
Hederacea, Ivy-leaf, large-flowered 5

Limbatia, rich blue, edged white 5
Leoni, splendid blue 5

Nil Grandiflora, blue 5

Violaacea vera, cluster Morning Glory 5

Superba, variegated foliage, mixed 5

Complete Special Mixture of all sorts, 4 packets 15 cts, 1 packet 5 cts

Lathyrus, in variety; rare Pea Vine, free-growing and bearing handsome flowers. All are perennials except the last.

Azureus, blue, white, 5

Rose, mixed, each 5

Sylvestris, fine vine 5

red, variegated flwrs 5

Rotundifolius, fine, 5

rose-colored flowers in clusters 5

Tingitanus, annual, red, and purple 5

Lathyrus latifolius is the beautiful Perennial Pea, one of the finest of hardy garden flowers. The vines grow six feet high, and bear large flowers in clusters on long stems from spring till fall. I cannot too freely recommend it. White, rose, purple, scarlet, each 5

Mixed, all sorts, 4 pkts 15 cts, 1 pkt 5

Lophospermum

scandens, a pretty half hardy peren. climber, with soft, silvery foliage and purple, bell-shaped flowers; grows 15 feet high. This is a fine trellis plant for a large pot, and a perennial that can be kept

over winter in a frost-proof room 5

Mina lobata, a very handsome vine of quick growth, covered in autumn with long racemes of rich scarlet flowers. Start early. The vines are as vigorous as a Morning Glory, and are fine for a screen or shade; beautiful bloom 5

Moon Vine, fine vines for screening a wall or building. These are elegant vines, rapid in growth, very free blooming and fragrant. Small rose-flowered 5c; Large white flowered 5c; mixed 5

Maurandya, a fine, dense vine with tubular flowers in autumn. If given support the vines grow ten feet high, and are lovely for adorning the pillars of the veranda. Rose, white, purple, Semperflorens, Antirrhiniflora, each 5; mxd 5c

Morning Glory, Ipomoea, Improved Japanese.

Complete Special Mixture, all sorts, 4 pkts 15 cts, 1 pkt 5 cts.

COPYRIGHTED 1895

IMPERIALIS—Special mixture, Green, Silver and Gold-leaved all colors, 4 pkts 15 cts, 1 pkt 5 cts.

IPOMOEA COLLATA.

Another class of Japanese Morning Glories, a great variety of shapes and colors, the flowers gigantic, and partly curled or frizzled, giving a charming effect.

- | | | | |

Nasturtiums. — Mr. Park — I had four packets of your Nasturtiums and have seen lots of them but none like these, every color and shade, pretty shades of pink and every flower keeping for a week and over.

MRS. L. S. BRAINUM,

Galena, Kans.,

Sweet Pea, Improved, Large-flowered.

Complete Special Mixture, per lb. 90 cts., one-fourth lb. 25 cts., ounce, 10 cts., pkt. 5 cts.

If you grow but a half-dozen annuals, one of them should be the Sweet Pea. The vines are of easy culture, and bloom freely and continuously, while the flowers are showy, of exquisite texture, rich in color, delicious in fragrance, and produced in fine clusters on long, stiff stems. For rows or hedges they are beautiful, and scent the entire garden; for bouquets or personal adornment they are unequalled. Sow early, in trenches running north and south, covering a half-inch deep; fill in with earth as the plants grow; when hot weather comes mulch with stable litter; cut freely to prevent seed formation, and to prolong blooming. Of late years the vines have been attacked by Aphid or green lice in some localities. This pest can readily be avoided by placing tobacco stems on the ground along the rows. My mixtures are specially prepared of the finest sorts.

PARK'S SWEET PEA MIXTURES.

For some years past I have been putting up a collection that has become popular. Each packet contains about one-tenth of an ounce, and the ten packets embrace all the finest colors and varieties. I offer the entire collection, ten packets, together with Park's Floral Magazine a year, for only 25 cents. Following are the mixtures:

Shades of White, all the new, fine shades, as pure white, pearl, blush, flesh and porcelain, only the newer, larger-flowering sorts as:

Blanche Burpee, large, 5
Dorothy Eckford, pure white 5
Emily Henderson, early, 5
Shasta, large and fine, 5
White Wonder, extra fine, 5
Special mixture of the above 5

Shades of Red, bright red, carmine, scarlet, crimson and other such hues:

Black Knight, deep maroon, 5
King Edward VII, crimson, 5
Millie Maelin, rosy crimson, 5
Mrs. Dugdale, deep rose, 5
Othello, deep, glossy maroon, 5
Prince Ed. of York, scarlet, 5
Prince of Wales, bright rose, 5
Queen Alexandra, giant size, 5
Stanley, rich, dark maroon, 5
Special mixture of the above 5

Yellow and Salmon, as canary,

pure yellow, orange, sulphur, salmon; Evelyn Byatt, salmon orange, 5
Jas. Grieve, sulphur yellow, 5
Mrs. Eckford, shaded primrose, 5
Mrs. Collier, primrose yellow, 5
Sybil Eckford, creamy buff, 5
Hon. Mrs. E. Kenyon, yellow, 5
Special mixture of above varieties, 5

Red Striped, Blotched and Variegated, many tints in contrast, with red predominating:

America, blood red, striped white, 5
Aurora, white, flaked orange-rose, 5
Blanche Ferry, pink and white, 5
Jessie Cuthbertson, cream striped red, 5
Mrs. Joe Chamberlain, white and rose, 5
Senator, chocolate striped white, 5
Special mixture of above varieties, 5

Shades of Pink, shell-pink, deep pink, salmon, rose; Apple Blossom, bright rose, 5
Bolton's Pink, rich salmon, 5
Countess of Latham, blush, 5
Janet Scott, large rich pink, 5
Lovely, soft, shell-pink, 5
Queen of Spain, buff pink, 5
Rue du Barri, rich carmine, 5
Zarina, deep buff pink, 5
Special mixture of the above 5

Shades of Dark Blue, deep blue, violet, indigo, reddish mauve with blue wings; Brilliant Blue, rich colored, 5
Captain of the Crimea, fine, 5
Countess of Cadogan, lovely, 5
David R. Williamson, indigo, 5
Emily Eckford, blue wings, 5
Midnight, very dark purple, 5
Mrs. Walter Wright, mauve, 5
Navy Blue, deep violet blue, 5
Romolo Piazani, true violet, 5
Special mixture of the above 5

Blue Striped, Blotched and Variegated, many shades in contrast, blue predominating:

Gladys French, light blue on white, 5
Hester, bright blue stripes, 5
Helen Pierce, blue mottled on white, 5
Prince Olaf, white striped with blue, 5
Special mixture of above varieties, 5

Cupid or Dwarf Bush Varieties, bushy plants needing no support: White Cupid, free-blooming varieties, 5
Pink Cupid, free-blooming varieties, 5
Special mixture of finest Cupid sorts, 5

Choice Varieties—I also offer a special mixture of Choice Spencer and Eckford varieties, including E. J. Castle, salmon; Frank Dolby, lavender; and Phyllis Unwin, rose; each 5 cents. Spencer and Eckford varieties, mixed, 5

Shades of Light Blue, as azure, lavender, sky-blue, slate-blue, etc.: Countess of Radnor, pale lavender, 5
Dobbies Mid-blue, light blue, 5
Flora Norton, beautiful rich lavender, 5
Lady Grisel Hamilton, lavender blue, 5
Lottie Eckford, white and lavender, 5
Mrs. Bleberstadt, deep lavender, 5
Special mixture of above varieties, 5

Shaded and Margined, light shades charmingly flaked, edged and shaded with many tints and colors: Dainty, white with pink edge, 5
Lottie Eckford, white shaded lavender, 5
Hon. F. Bouverie, pink and buff, 5
Maid of Honor, white edged blue, 5
Miss Wilmot, orange-pink and rose, 5
Phenomenal, white and rosy lavender, 5
Special mixture of above varieties, 5

My Sweet Pea Mixtures are of the best quality, the varieties carefully proportioned, and the seeds of prime vitality. One oz. of any variety, 15 cts. Complete Special Mixture, per lb. 90 cts., one-fourth lb. 25 cts., oz. 10 cts., pkt. 5 cts.

Scarlet Runner.

a lovely, fast-growing, free-blooming vine; flowers scarlet, in big clusters; also white-flowered. Butterfly runner; Pink Mammoth runner, ea. 5c. Mxd 4 pkts 15c. 5c.

Schubertia grandiflora, a handsome evergreen vine bearing large, white, sweet flowers in clusters; desirable as a pot vine, to be bedded out in summer, packet 5 cents.

Scyphanthus elegans, a half-hardy annual twining plant, covered with hairs; foliage pretty, the golden flowers axillary, and of the form shown in the engraving; allied to Loasa; native of Chili 5 cts

Sicyos angulata, a native vine of vigorous growth, useful for covering an old fence or tree or an unsightly object; seeds in clusters, and should be planted in fall where plants are to grow. 5c

Solanum searforthianum, a perennial vine of quick growth, blooming in autumn from spring-grown plants; flowers blue, in big clusters; lifted and kept from frost, will last for years. 5 cts.

Viola fulgens, a pretty trailing annual bearing racemes of red and rose flowers; beautiful foliage. I can also supply Viola Gerard, violet flowers. Both rare vines. Each 5 Mixed sets.

Thunbergia Alata, a charming vine, one of the prettiest and freest-blooming of annual vines; grows six feet tall, and is covered from June till October with the bright, showy little flowers. Is easily grown from seeds, and delights in a warm, sunny situation. Elegant for trellis or low screen.

Buff with black eye, 5 | Pure yellow, very pretty, 5 | Pure White, beautiful, 5
White with black eye, 5 | Orange, rich and showy, 5 | Orange with black eye, 5

Special Mixture of all the colors, proportioned, 4 packets 15 cents, 1 packet 5 cents.

Part II. Biennials and Perennials.

Many Varieties Mixed, Large Packet 10 cents, 3 packets 25 cents.

These are beautiful and lasting flowers, and should be more popular. A bed of them is easily started from seeds, and when once established will bloom richly every season for years, the Biennials reproducing from self-sown seeds. You cannot spend a dollar to better advantage than for seeds of Biennials and Perennials.

Aquilegia, Columbine.

Complete Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Hardy Perennials. Flowers both single and double in form, and of all shades of red, white, blue and yellow. The sorts offered are mostly large-flowered. All bloom in the spring, and some continue to bloom all summer. My complete mixture will show great variety; sure to please.

Aquilegia (Columbine) is a genus of free-blooming subjects of easy culture in ordinary garden soil. They are suitable for beds, borders and shrubberies, and thrive in a shady situation. They are also very beautiful when naturalized in grass; flowers prized for cutting.—Gardening.

Mr. Park:—I found a prize, indeed, in your mixed varieties of Aquilegia—flowers of all conceivable shapes and colors, double and single, spurred and otherwise. They are perfectly dazzling. They needed so much room that they smothered out a bed of Pinks in short order; but hurrah for this grand acquisition to beds and borders!—Mrs. J. E. Wheeler, Lebanon Co., Pa.

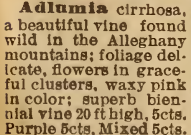

Achillea, showy, hardy perennial, with yellow, white and pink heads of bloom. A. filipendula, 3 ft. tall, golden heads; A. ptarmica, pure white, double, 1 ft. high; A. Pearl, white, dwarf. Each 5 cts. Mixture 4 pkts 15c, 1 pkt 5c.

Aconitum, Monks-hood, 2 feet high, erect racemes of beautifully hooded flowers, richest colors; hardy perennial of special merit. Lycocotum, yellow, 5 cts. Napellus, blue; Napellus, white. Each 5 cts.

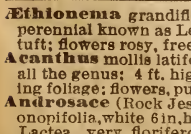

Adenophora, a splendid Campanula-like perennial, a foot high, mostly branching, bearing an abundance of bell-shaped flowers. Polymorpha stricta; Potanini, blue. Each 5 cts. Mixed 5 cts.

Adlumia cirrhosa, a beautiful vine found wild in the Alleghany mountains; foliage delicate, flowers in graceful clusters, waxy pink in color; superb biennial vine 20 ft high, 5 cts. Purple 5 cts. Mixed 5 cts.

Adonis vernalis, a lovely golden, hardy perennial; foliage fine-cut; flowers are large, cupped and produced freely in the spring; grows 9 in. high, stools out becoming a mass of globular bloom, 5 cts.

Ethionema grandiflora, fine, hardy perennial known as Lebanon Candy-tuft; flowers rosy, freely borne, 5c. **Acanthus mollis** latifolius, finest of all the genus; 4 ft. high, broad shining foliage; flowers, purple, white, 5c. **Androsace** (Rock Jessamine), Coronopifolia, white 6 in. high, pretty, 5c. **Lactea**, very floriferous, white, 5c. **Anthemalis** Kelwayi pumila, fine, 5c. **Tinctoria**, bright yellow flowers 5c.

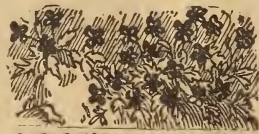

Anemone, very beautiful perennial of easy culture from seeds; flowers large, graceful and of rich color: Japonica, 2 ft. tall, rose and white; Jap. Queen Charlotte, white; St. Brigid. Each 5 cts. mixed, 5 cts.

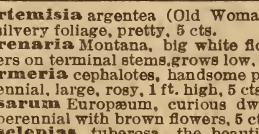

Arabis Alpina, superb hardy perennial flower, pure white, big clusters in spring; spreading, six inches high. 4 pkts 15c, 1 pkt 5c.

Mr. Park:—I raised several plants of Arabis Alpina which in June were covered with delicate white bloom.—Mrs. L. B. Zastre, Mass.

Aubrietia, a low, trailing hardy plant that covers the ground with a sheet of bloom in early spring; easily started, will grow anywhere; choice perennial. Bougainvillea, blue; Deltoidea, lilac; Eryll, violet; Purpurea. Each 5 cts. Mixed, 5c.

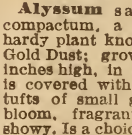

Artemisia argentea (Old Woman), silvery foliage, pretty, 5 cts. **Arenaria Montana**, big white flowers on terminal stems, grows low, 5c. **Armeria** cephalotes, handsome perennial, large, rosy, 1 ft. high, 5 cts. **Asarum Europæum**, curious dwarf perennial with brown flowers, 5 cts. **Asclepias tuberosa**, the beautiful Butterfly Flower; 1 ft. high, large heads of orange-scarlet flowers, 5c.

Agrostemma, coronaria, perennials a ft. high, with silvery foliage and large terminal clusters of bright and beautiful flowers. Easily grown from seeds. White, Crimson, Rose Each 5c. Mixed, 5 cts.

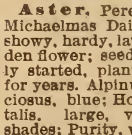

Ajuga metallica crispa, first-class bedding plant; foliage is a metallic lustre, curious, crinkled and attractive; flowers, blue, borne well above the foliage, on upright stems; showy, 5 cts.

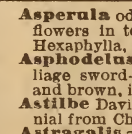

Alyssum saxatile compactum, a lovely hardy plant known as Gold Dust; grows ten inches high, in spring is covered with large tufts of small golden bloom, fragrant and showy, is a choice perennial, 5 cts.

Anchusa Italica, a splendid hardy perennial 3 ft. high, bearing bright blue flowers in panicle scorpion racemes. Leaves smooth and shining. A showy plant for background. Good bee pasture, 5c.

Aster, Perennial, Michaelmas Daisies, a showy, hardy, late garden flower; seeds easily started, plants last for years. Alpinus speciosus, blue; Horizontalis, large, various shades; Purity, white; Each 5c. Mixed 5c.

Asperula odorata, Woodruff, white flowers in terminal corymb; 5 cts. **Hexaphylla**, useful for baskets, 5 cts. **Asphodelus ramosus**, 4 ft high; foliage sword-shaped; flowers white and brown, in dense racemes, 5 cts. **Astilbe Davidi**, tall, splendid perennial from China, rosy flowers, 5 cts. **Astragalus galegiformis**, very showy perennial four feet high, with pale yellow pendulous flowers, 5 cts.

Campanula in Variety.

Special Mixture, 4 packets 15 cents, 1 packet 5 cents.

These are all splendid biennial and perennial flowers, hardy, beautiful, and of very easy culture. (See large engraving.)

Campanula Medium or Canterbury Bell.

Mr. Park—Among other seeds bought of you was a packet of double Hollyhocks. The plants are now blooming and show all colors from dark purple, almost black, to bluish pink, and one is variegated. They are certainly beautiful.—Mrs. M. C. Ricketts, Lima, Ohio.

Mr. Park—My experience with your single and double Hollyhocks is such that I advise all of my friends to order such of you. They are truly beautiful.—Roger C. Whitten, Bridgeman, Mich.

Mr. Park—I have some of the finest Hollyhocks raised from your seeds. Some were seven and one-half feet high, and of all colors. They were both double and single; bloomed all summer.—Mrs. L. Norman, Bosque Co., Tex.

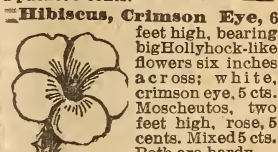

DOUBLE HOLLYHOCK.

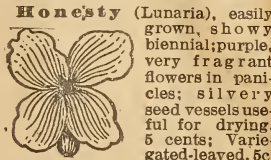

Heuchera sanguinea, graceful spikes of bloom, very fine for cutting. Grandiflora, large, mixed 5c; White, Crimson, Rose, each 5 cts, mixed, 5 cts. My Heuchera seeds are of the finest quality.

Malva Moschata.

This is a beautiful, free-blooming perennial. The foliage is deeply lobed and very handsome; and the flowers are large, silky and freely produced. Pure white. 5
Rose-color. 5
Mxd 4 pkts 15c, 1 pkt 5c
This Musk Malva deserves a place in every flower garden.

Meconopsis cambrica. Welsh Poppy. A very showy perennial 1 foot high; flowers pale yellow, erect, on long stems; very desirable. 5 cents.

Mirabilis Multiflora. beautiful hardy perennial; flowers bright purple, long tube, terminal panicles. 5 cts.

Monarda didyma. an elegant Mint, a foot high; rich scarlet flowers, deliciously fragrant foliage. 5 cents.

Matricaria Capeusis.

A fine perennial known as Feverfew; grows two feet high, and blooms very profusely, the flowers being about the size of a nickle, white, and produced in great abundance. Plants easily produced from seeds, and very often bloom freely the first season. 4 packets 15 cents, 1 packet 5 cents.

Morina longifolia. 1 foot high; leaves 2 ft. long, waxy; flowers white, changing to crimson. 5 cents.

Mulgedium Plumieri. 6 ft. tall; showy foliage, Chickory-like flowers, pink with blue centre. 5 cents.

Myosotis Dissitiflora Perfection, the large, blue Forget-me-not. 5 cents.

Palustris semperflorens. fine perennial Forget-me-not; likes a moist, shady place; mxd 4 pkts 15 cts, 1 pkt 5c.

Oenothera Lamarckiana.

The superb large-flowered biennial Primrose; grows 4 feet tall, and makes a fine, large bush, covered with big Primrose yellow flowers throughout the summer. The plants are gorgeous in a group or bed.

4 packets 15 cents, 1 packet 5 cents.
Oenothera. perennial sorts mixed, 5c.
Ononis rotundifolia splendens, handsome, hardy plant, 1 foot high; flowers rose, in clusters. 5 cents.

Onopordon acanthium. 8 feet; purple flowers; foliage cottony, handsome perennial, 5 cts. Salter 10 feet, silvery leaves, stems white, new. 5 cts.

Orobis vernus. one foot; spring-blooming; flowers purple, blue, veined red, whole changing to blue; 5 cents.
Ostrowskia Magnifica. Bellflower, beautiful perennial; 5 cents.

Perennial Poppy, New Hybrid.

One of the most gorgeous and attractive of perennials, and when once started will make a fine display annually for years. The plants grow three feet high, have very beautiful, graceful foliage, and bear flowers of enormous size and richest colors. The new hybrids vary more or less in colors, but the prevailing hue is scarlet, while the texture is silky and glittering. Do not fail to add Perennial Poppy to your collection. I offer the finest named sorts.

- Beauty of Livermere, rich red. 5
- Blush Queen, bluish pink. 5
- Brightness, vivid scarlet. 5
- Bright, bright vermilion. 5
- Colosseum, giant, scarlet. 5

- Complete mixture of all above named, 4 pkts 15 cts, 1 pkt. . 5

Mr. Park:—I wonder more people do not grow the Perennial Poppy. The plants are easily grown from seeds and make such a lovely show. They are really handsome.—Mrs. M. C. Ricketts, Lima, Ohio,

Poppy---Alpine.

Complete Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

The lovely Alpine Poppies, *P. Alpinum* and *P. Nudicaule*, are not as well known as they deserve to be. *P. Alpinum* is a very dwarf biennial, but it shows lovely colors; is fine, early, blooming bed and pot plant. *P. Nudicaule* will grow a foot tall, and its flowers are large and exceedingly handsome. They are rare and always admired, being both double and single in form.

Alpinum, 3 in. high, silvery foliage, mixed, 4 pkts 15c..... 6

Nudicaule, Single: Yellow, 5 cts, White, 5 cts, Scarlet, 5 cts, Striped, 5 cts, Sulphur, 5 cts; mixed 5

| <i>Park's Hardy</i> , mixed... 5 | <i>Gold-laced</i> , fine 5 |
| <i>Rosea</i> , large-flowered, 5 | <i>Mixture</i> , 4 pkts 15 cts, 1 pkt 5 |

These Primroses are all easily grown from seeds, and are lovely garden flowers for a partial shade. They are mostly spring-blooming, and very fragrant.

Japonica, white, carmine, red, salmon, striped, each 5 cents; Special mixture, all colors, 4 pkts 15 cts, 1 pkt 6
Denticulata, purple, rose, white, each color 5 cents; Special mixture, all colors, 4 pkts 15 cts, 1 pkt 5

P. Vulgaris is the lovely yellow-flowered English Primrose that blooms in clusters in early spring. It is a handsome flower and very fragrant; 4 pkts 15 cents, 1 pkt 5

Mr. Park:—The only success I have ever had with seeds were the ones purchased from you. A package of your *Primula* seeds gave me blooming plants in a short time.—Mrs. Jennie Unger, Atwater Station, Ohio.

PRIMULA GOLD-LACED

Pyrethrum---Perennial Cosmos.

Single and Double, mixture 4 pkts 15c, 1 pkt 5c.

The New Hybrid Pyrethrums are sometimes called Perennial Cosmos, on account of their Cosmos-like flowers and feathery foliage. The plants grow two feet or more high and bloom during summer, the large, showy flowers being of many shades, from rosy white to deep crimson; double and single.

Large-flowered crimson..... 5
 Large-flowered rose..... 5
 Large-flowered rosy white..... 5

 Single and Doub. mxd, 4 pkts 15c 5

P. Tchihatchewii, a dwarf creeper, covering a dry bank or slope, or for a shady place where grass will not grow; forms a lovely green carpet; flowers white with yellow disk, small. Sow in pots and transplant 3 inches apart, 4 pkts 15 cents, 1 pkt 5 cents.

DOUBLE PYRETHRUM.

P. Uliginosum, Giant Daisy; 5 feet high, with flowers two inches across, held on long, graceful stems; blooms profusely, and makes a glorious bed of white blooms; perfectly hardy, and lasting. 4 packets 15 cents, 1 packets 5 cents.

SINGLE, LARGE-FLOWERED PYRETHRUM.

Paeonia Arborea.

The beautiful Tree Paony. The plants are shrubby, branching, and bear large, showy, double flowers early in spring. Pkt 5 cts.

Pardanthus Chinensis, the Blackberry Lily, a fine hardy, herbaceous perennial of easy culture, 5 cts.

Pentstemon, hardy perennials, very fine in garden beds. Cobaea, purple, 5c, Heterophyllis, azure, 5c, Murrayanus, 5c, Lobbi, yellow, 5c, Ovatus, blue, 5c, Punicus, scarlet, 5c, Spectabilis, blue, 5c, Wrightii, 5c. All in mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Polygonum multiflorum, a handsome hardy vine with masses of white bloom, 5 cts. Baldschuanicum, also a hardy vine with white flowers, 5c. Cuspidatum, hardy herbaceous plant, white flowers, 5 cts. Lanigerum silver foliaged hardy plant, 5 cts; mixed, 5c.

**Pea, Perennial.**

Mr. Park:—My Perennial Peas from your seeds were a great success. They grew six feet high, and were admired by all. Such a mass of beautiful flowers as I had has been a great surprise to everyone who has seen them.—Mrs. F. M. Dowane, Watertown, N. Y.

These are very handsome hardy vines that bloom freely throughout the entire season. They are very strong and defy dry weather and storm, and will last for many years. They are deserving of the name of Everlasting Peas. They are superb for a trellis or for a trailing mound or clump

Blush 5
Red 5
Mixed, 4 pkts 15 cents 1 pkt 5

Phlox, Perennial.

Beautiful hardy herbaceous plants making very handsome clumps or beds of bloom in autumn. The plants grow two feet high, bearing their showy flowers of so many beautiful colors in big panicles. One of our best perennials. The seeds are very slow in germinating. If sown in the fall the plants come up in the spring. Finest mixture of all colors, 4 packets 15 cts, 1 pkt. 5

Mr. Park:—I have a long row of Perennial Phlox, the flowers being of all the most beautiful shades from white to deep crimson. They are the admiration of all who pass. They are easily cared for, are not troubled with pests and come up every year. Mrs. F. G. Stevens, St. Johnsbury, Vermont.

Platycodon Grandiflora.

This is a grand perennial, also known as Campanula grandiflora, and Wahlenbergia. The plants are easily started, grow two feet high, and bear their attractive flowers during autumn. A superb bedding plant.

Grandiflora, white, 5c, Blue, 5c, Double, White, 5c, Double, Blue 5c, Dwarf White, 5c, Dwarf Blue, 5c Maries White, 5c, Blue, 5c; Majus, large blue, 5c, Complete Special mixture, all sorts, 4 pkts 15 cts, 1 pkt 5 cts.

Pinks, Carnations, Picotees

Beautiful, fragrant hardy perennials, starting readily from seeds; flowers double, of fine texture and lovely colors. I offer the lovely new, improved sorts.

Pink, everblooming, Clove-scented, finest double and single, all sorts, mixed, 4 pkts 15 cts, 1 pkt 5 cts.

Carnation, Border, red, white, yellow ground, each 5c. Striped, yellow, Vienna white, striped, each 5 cts.

Picotees, doub. flowers, many colors; mxd, 4 pkts 15c, 5c. Pinks, Carnations, Picotees, mixed, 4 pkts 15c, 1 pkt 5c.

Wall Flower, yellow, brown, blue, violet, double, fragrant, easily grown. Tall branching, Dwarf branching, Tall Tree, Dwarf Tree, Harbinger, Neplus Ultra, each 5c, mixed, 4 pkts 15c, 1 pkt 5c.

Wahlenbergia (Platycodon, p. 49)

Part III. Seeds of Window Plants.

Have you ever experienced the pleasure of raising a window plant from the seed—seeing the soil burst, the little plantlet appear, and then watching and caring for it day by day till full-grown, blooming and seeding? If not try a few seeds this year. You will be charmed with the result. I send cultural directions with each packet, insuring your success. A mixture of many sorts, 3 packets 25 cents, 1 packet 10 cents.

Abutilon, New Hybrids.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

This lovely everblooming shrub is known as the Flowering Maple, and is a splendid pot plant, the flowers being very large, showy, and of many rich colors. I offer the new, large-flowered, compact sorts.

Golden Ball 5
White Lady 5
Salmon Rose 5
Fireball 5
Boule de Nègre 5
Atrorubra 5
Chamaeleon 5

Special Mixture of all sorts, 4 pkts 15 cts, 1 pkt 5

Mr. Park:—From 1 pkt of your mixed Abutilon seeds, I raised six fine plants, all different. I always have good success with your

seeds.—Olen King, Milroy, Braxton Co., W. Va.,

Acacia in Variety.

Special mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Superb pot plants, both for foliage and flowers. *Armata*, *Dealbata floribunda*, *Liniifolia*, *Grandis* and *Verticillata* bloom well, the flowers ball-like, very fragrant. All are easily grown from seeds. The dwarf *Lophanthia speciosa* here offered is fine for pots in the window, being compact, and each leaf as pretty as a Fern frond.

Dealbata floribunda. 5
Decurrens, superb. 5
Cultriformis, pretty. 5
Farnesiana, hardy. 5
Armata, dwf bloomer 5
Julibrissin, hardy. 5
Liniifolia, narrow leaf 5
Lophanthia 5 | *Grandis* 5 | *Verticillata* 5 | Mxd. 4 pkts 15c., 1

Achimenes, New Hybrids.

bulbous, summer-blooming plants that thrive and bloom well in pots or baskets; purple, red and white. Seeds are small, plants are easily raised, treated as *Gloxinia* seedlings. I offer a choice strain in finest mixture, 4 pkts 15 cents, 1 pkt 5 cents.

Abrus precatorius, Prayer Bean, a vine, hardy in Florida; 30 feet high; flowers in clusters, pea-like, followed by pods of scarlet, black-eyed seeds; used for rosaries and fancy work. 4 pkts 15 cts, 1 pkt 5 cts.

Agapanthus umbellatus, the African Blue Lily. Nearly hardy; fine pot or tub plant; strap-leaved foliage, and scapes bearing an umbel of lovely blue flowers at summit. I have also a white-flowered sort. Each color 5 cts. Mixed, 4 pkts 15 cents, 1 pkt 5 cents

Agathaea, the lovely Paris Blue Daisy; grows a foot or more high, rigid branches bearing blue Daisy-like flowers on stiff stems; fine winter as well as summer bloomer, either in pots or beds. 4 packets 15 cents, 1 packet 5 cents.

Agave Americana, Century Plant; beautiful, succulent foliage; flowers often 15 feet high. In Mexico the leaves are cut at base, the place excavated, and a cider-like juice obtained, called pulque, a favorite native beverage. 4 pkts 15 cts, 1 pkt 5 cts. Variegated-leaved and *Utahensis*, hardy, each 5 cents.

Angelonia grandiflora, a very pretty pot plant quickly blooming; flowers in clusters, showy and very fragrant; this plant deserves to be better known; white, 5 cts; purple, 5 cts; Mixture, 4 packets 15 cents, 1 packet 5 cents.

Antigonon leptopus, Mountain Rose; a beautiful climber, hardy South, but the knotty roots must be protected at the North. It bears charming rose flowers in compound racemes; of easy culture, 15 ft.

Does well bedded out, and greatly admired when in bloom. 4 packets 15 cents, 1 packet 5 cents.

Anomatheca cruenta, a bulb.

ous plant sometimes called Scarlet Freesia; very easily grown from seeds; handsome summer bloomer; the bulbs are preserved like the *Gladiolus*. Grows one foot high. 4 pkts 15c, 1 pkt 5c.

Alstromeria chilensis, Lily-like, two feet tall, tuberous roots, very showy flowers. 4 pkts 15c, 1 pkt 5 cts.

Anthericum Liliastrium, St. Bruno's Lily; upright racemes of pure white, very fragrant flowers; Lillago, St. Bernard's Lily, similar, but smaller; handsome; each 5 cts, mixed, 4 pkts 15 cts, 1 pkt 5 cts.

Ardisia crenulata, handsome evergreen shrub from Mexico; panicles of reddish violet flowers, succeeded by coral-red berries; a fine pot plant; 4 pkts 15c, 1 pkt 5c.

Aristolochia elegans, splendid free-blooming vine, 5c. *A. Ornithocéphala*, the Goose-flower; flower has a fancied resemblance to a goose. *A. Siphon*, a hardy vine with big leaves and small, pipe-like flowers in early spring. Each 5 cents. Mixed, 4 packets 15 cts, 1 packet 5 cents.

Asclepias tuberosa, the native hardy "Butterfly Weed." *A. Curassavica* *Atrorubra*, the new, red-flowered sort. Each 5 cents.

Asparagus, Charming foliage plants for baskets and pots. I offer fresh seeds of the most elegant kinds, as follows:

Acutifolius 5
Plumosus nanus 5
Robustus, vine 5
Blamplidii 5
Decurrens, drooping, elegant 5
Sprengeri, handsome 5
Spinosus, very pretty 5
Scandens Deflexus 5
Tenuissimus 5

Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Azalea Indica, mixed, 5 cents.

Blancaea scandens, an Indian vine; pinnate foliage, yellow bloom, 5c.

Billbergia zebrina, a foot high; leaves green with gray zones; flowers greenish; scape clothed with salmon bracts, 4 pkts 15 cts, 1 pkt 5 cts.

Bocconia, Plum Pomey, a hardy plant, growing 3 feet high; lobed, light green leaves and plumelike panicles of white flowers. *Japanica*, 5 cts; *Microcarpa*, 5 cents; Mixture, 4 packets 15 cts, 1 packet 5 cents.

Bouvardia, handsome evergreen shrubs from Mexico; flowers scarlet and brighter shades, tubular, in corymbs; very fine winter bloomer. 4 packets 15 cents, 1 packet 5 cents.

Browallia speciosa, the new large-flowered, free-blooming sort; blue; lovely pot plant, blooming summer and winter. 5 cts. *B. Elata*, taller; smaller-flowered. Blue 5 cts, white, 5 cts. All sorts mixed, 4 packets 15 cents, 1 packet 5 cents.

Boston Smilax, a charming vine for a pot trellis; leaves shining, in graceful sprays, fine for cutting; flowers in white clusters, richly scented; scarlet berries. 4 packets 15 cents, 1 packet 5 cents.

Begonias in Splendid Variety.

Complete Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Begonias are both Tuberous and Fibrous-rooted, and all are easily raised from seeds by proper care. The Tuberous kinds bear larger flowers than the others, and keep in bloom all summer. In winter the tubers are kept dry in a temperature of 50°. The fibrous-rooted will often bloom continuously, summer and winter, under judicious treatment. All are easily grown from seeds and may be grown in partially shaded beds in summer, or in pots. My seeds are of the finest quality, and every packet is accompanied by instructions for culture.

Puschkinia, see page 43.

Primula, New French Giant.

Complete Special Mixture, all colors, 4 packets 15 cts, 1 packet 5 cts.

GIANT PRIMROSE, LADY RANDOLPH CHURCHILL.

This is the finest strain of Chinese Primrose known. The seeds are direct from one of the most successful specialists, and were saved from selected plants, in all the leading new and choice colors. They will be found much finer than the ordinary Chinese Primroses. My mixtures are carefully prepared, and are sure to please.

GIANT MALLOW-LEAVED VARIETIES.

| | |
|--|---|
| Lady Randolph Churchill , pure white | 5 |
| Princess Louise , handsome rosy-white | 5 |

| The Queen , very beautiful bluish | 5 |
| Angelica , handsome snow-white | 5 |
| Perfection , pure white, superb | 5 |
| Cerulea , handsome blue | 5 |
| Cupreata , coppery-rose, very showy; handsome | 5 |
| Leopoldii , pure rose, splendid | 5 |
| La Rose , light rose, very beautiful | 5 |
| Striata , white, red-striped; exquisite | 5 |
| Special mixture of the above, 4 pkts 15 cts, 1 pkt | 5 |
| Mixture of Mallow and Fern Leaved varieties, 4 pkts 15c, 1 pkt 5 | |

Mr. Park:—I was successful with the seeds of Chinese Primroses. I had pure white, pale pink with yellow eye and rose color with a double centre, also other varieties. They were all very beautiful. Mrs. Julia Magoon, Orange Co., Vermont, September

Primula, Improved Chinese Fringed.

Complete Special Mixture, Mallow and Fern leaved, 4 pkts 15 cts, 1 pkt 5 cts.

For many years I have offered this strain of Chinese Primroses, and it has given unbounded satisfaction. Both plants and flowers have been developed to a high degree of perfection. I offer all of the fine colors, old and new, and they are all represented in my mixture. These Primroses are easily grown, and are the most beautiful of window flowers in winter, always in bloom if given half a chance.

CHINESE FRINGED, DOUBLE.

Rubra, splendens, excellent. 5
Rubra Magnifica, superb sort. 5
Salmonica, distinct color; handsome 5
Striata, fine striped; superb 5

MALLOW-LEAVED VARIETIES.

| | |

| Fern-leaved varieties in mixture, 4 pkts 15 cts, 1 pkt | 5 |

DOUBLE CHINESE PRIMROSES.

White 5 || **Blue** | 5 |
| **Spectabilis**, double flowers, crisped foliage, fine | 5 |
| Special mixture, all varieties, 4 pkts 15 cts, 1 pkt | 5 |

Primula Obconica Grandiflora.

Complete Special Mixture, 4 packets 15 cts, 1 packet 5 cts.

These are hardly equalled by any other flower for winter blooming. The plants are easily raised from seeds, begin to bloom in six to eight months, and bloom profusely throughout winter and spring. The new large-flowered sorts I offer make a glorious display in the window. You can never get too many of them.

Plain.

Obconica Gigantea.

These originated by crossing Prim. Obconica Grandiflora with Primula Megasaffolia. They are really giants, the leaves measuring 5 to 6 inches across, and the flowers from 1½ to 2 inches across. They are very free-blooming, and a great acquisition in Primroses.

Each pkt of these new, scarce giant sorts contains 8 seeds.

Complete Special Mixture, 4 packets 15 cents, 1 packet 5 cents.

Primula Forbesi. This is the Baby Primrose, a charming little plant, very free-blooming, and of easy culture. Seedlings begin to bloom in four to five months after started, and keep in bloom a long time. They are superb pot plants, and always greatly admired. The flowers are borne in whorls, and are rosy lilac with a clear yellow eye. I also have the beautiful new colors.

Rosy Lilac, yellow eye, Magenta, Rubra, each 5 cts. Special mixture, 4 pkts 15 cts, 1 pkt. 5

Kermesina, crimson, 5 | Lilacina, lilac, 5 | Each pkt of these new, scarce
 Rosea, rose, 5 | Rubra, red, 5 | giant sorts contains 8 seeds.

Primula Floribunda Grandiflora.

This is the new, improved Buttercup Primrose. The flowers are golden yellow, borne in great abundance throughout the winter, as represented in the little engraving. It is one of the most desirable of Window Primroses, and of the easiest culture.

Golden yellow, large, 5 | Isabellina, sulphur, large, 5
 Special mixture, large-flowered sorts, 5

Primula Mollis, a scarce species, doing well in pots; a foot high, with heart-shaped, woolly leaves, and large rosy purple flowers in whorls. 5 cents.

Primula Verticillata, fine pot plant; long foliage covered with white farina; flowers bright yellow, fine, 5 cts.

FINE HARDY PRIMROSES.

These Primroses are all hardy, but most of them do well in pots. I heartily recommend them.

Auricula, see page 9. Beautiful varieties of various shades, but golden yellow predominating; flowers large, on strong spikes. Finest mixed, 5 cts. Blue shades, 5 cts. Special mixture, all strains, 4 pkts 15 cts, 1 pkt 5 cts.

Acaulis, dwarf, flowers on radical stems; fine globular blooming plants; large-flowered hybrids, mixed, 5 cts.

Cashmeriana grandiflora, a fine Primrose, 1 foot high; leaves covered with gold dust upon under side; flowers in globular heads, purple, 5 cts.

Cortusoides, hardy sort 1 ft. high; flowers lilac, in heads, 5 cts.

Denticulata, New Hybrids, form rosettes of graceful leaves; stems 8 inches, flowers white and lilac, 5 cts.

Farinosa, rosettes of small leaves, flowers rosy, heads on 6 inch stem, 5c.

Japanica, grand hardy Primrose, 1 to 2 ft high, bearing 4 to 6 whorls of large flowers, various colors, with eye. Seeds germinate slowly. Finest mixture, 4 pkts 15c, 1 pkt 5 cts.

Officinalis, Cowslip; a rosette of narrow leaves, from which the stems rise, bearing an umbel of fragrant flowers in early spring. Mixed colors, 4 packets 15c, 1 packet, 5 cts.

Rosea grandiflora, a spring-blooming Primrose, six inches high; flowers rose with distinct yellow eye, very freely produced, even upon the smallest plants; splendid, 4 pkts 15c, 1 pkt 5.

Elatior, superb early-flowering varieties, the flowers borne in umbels, fragrant, many colors, finest Hybrids. E. Gold-laced, fine Primrose; flowers

Primula Sieboldii, an improvement upon P. Cortusoides, the flowers larger, some fringed, and representing a variety of colors. The plants are hardy and free-blooming, and are elegant for either pots or beds. I offer the choicest seeds in mixture, 4 pkts 15c, 1 pkt..... 5

Primula Kewensis, a beautiful hybrid sort for pots, grows a foot high, and is covered with golden yellow flowers in whorls. A handsome sort, 5 cents.

red with gold markings. E. Duplex, a beautiful house-in-house hardy Primrose, blooms early in spring, each 5c. Finest mixed, 4 pkts 15c, 1 pkt 5 cts.

Parryi, a beautiful large Primrose from the Rocky Mountains; 1 ft high, large, purple, yellow-eyed flowers in big clusters. 5 cts.

Sikkimensis, forms a rosette of long, wrinkled leaves, from which the scapes rise two ft high, bearing at the summit an umbel of golden drooping flowers; showy and beautiful, 5 cts.

Polyanthus Primroses in finest mixture, 5c. These are splendid for edgings; showy flowers of many colors, bloom early, 4 packets 15 cts, 1 packet 5 cts.

Hardy Primroses in fine mixture, many handsome sorts, 4 packets 15 cts, 1 packet 5 cents.

Rehmannia Angulata, see p. 51
Beseda, Mignonette, very fragrant, free-blooming plants.

Rhodochiton volubile, a Mexican vine, 10 feet high,

bearing showy flowers, the calyx pale red, the corolla dark red; very free-blooming and handsome. 4 packets 15 cents, 1 packet 5 cents.

Rhododendron, an evergreen shrub with leathery leaves, and large, very showy clusters of beautiful bloom; the plants like a shady place and should be protected in a cold climate. Mixed, 5 cts.

Richardia Etheopica, the White Calla, very large, and handsome white flowers, often fragrant, 5 cents. Compact, dwarf, very free-blooming. 5 cents. Alba Maculata, spotted Calla, 5c.

Rivina humilis, Blood Berry; grows a foot high; is covered with racemes of bright scarlet berries during autumn and winter; they are very showy and handsome. 4 packets 15 cents, 1 packet 5 cts.

Bodgersia podophylla, hardy herbaceous perennial from Japan, 3 feet high; flowers yellowish. 5 cts.

Ruellia tuberosa, dwarf, rich flowering plant; flowers blue, funnel-shaped, standing out from the foliage. 4 packets 15 cents, 1 pkt 5 cts.

Saint Paulia ionantha, improved large-flowered, rich blue, purple, violet and lilac. These are charming pot plants that bloom continuously; known as the Usambara Violet. 4 packets 15 cents, 1 pkt 5c.

Salvia coccinea splendens, a grand winter-blooming pot plant; flowers richest scarlet. 5 cts. **Romeriana**, scarlet spikes, 5 cts. **Bonfire**, large, scarlet spikes 5 cts. Mixed, 4 packets 15 cents, 1 pkt 5 cts.

Santolina, for pots and edgings. See page 50.

Saxifraga cymbalaria, yellow flowers, 5 cts. **Cordifolia**, 1 foot high, big red flowers, 5 cents. Both mixed, 4 pkts 15 cts, 1 pkt 5 cts.

Scabiosa atropurpurea, Dwarf Double, lovely pot plants for winter-blooming, if started in early summer. Brown, crimson, white, lilac, purple, etc., each 5 cts.

Schizanthus Wisetonensis, a free-blooming pot plant of easy culture; flowers light colored, appearing in great profusion, 5 cts. **Grandiflorus**, new hybrids mixed 5 cents. Both are choice winter-bloomers.

Schinus Molle, the California Pepper Tree; scarlet berries in big panicles, 5 cents.

Schubertia grandiflora, a vine similar to *Stephanotis*; large fragrant white flowers, 5 cents.

Scilla Peruviana, a very handsome hardy bulbous plant, known as the Cuban Lily; flowers lilac, in shades. 4 packets 15 cents, 1 packet 5 cents.

Sempervivum, species for the window garden, mixed, 5 cents.

Sinningia Regina, new hybrids; fine, Gloxinia-like plants of easy culture; flowers bell-shaped, rose and lilac shades, beautiful. I offer the finest mixture; 4 packets 15 cents, 1 packet 5 cents.

Skimmia Japonica, clusters of white, deliciously scented flowers, followed by bright red berries. A beautiful shrub from Japan. 4 packets 15 cents, 1 pkt 5 cents.

Smilax (Boston) *Myrsiphyllum* *Asparagoides*, see p. 51. I can also supply the new Myrtle-leaved variety, which is entirely new and very highly praised by all who grow it. Either sort 5 cents.

Solandra grandiflora Magnifica, a vine 15 feet high, from Jamaica; flowers white, 10 inches long; fruit egg-shaped, sweet, sub-acid. 4 packets 15 cts, 1 packet 5 cts.

Solanum Pseudo-capsicum, the Jerusalem Cherry a bushy plant bearing bright Cherry-like fruit, 5 cts. *Wetberlii* hybrids, 5 cts. *Ciliatum*, large orange fruits; prickly stems, 5 cts. Mixed 5c; p. 34.

Sollya heterophylla *Ala*, Australian Blue-bell creeper, 5 cents.

Spartocytisus nubigenus, fine white, sweet-scented flowers, 5 cents. **Stephanotis floribunda**, a fine evergreen vine from Madagascar; the flowers are white in tubular clusters, very fragrant; the fruits are egg-shaped; splendid. 4 packets 15 cents, 1 packet 5 cents.

Omissions and Odds and Ends.

The following choice things, many of which were unintentionally omitted from the body of the Guide, I can supply at 5 cents per packet. Look over the list in making up your order, and select what you may want.

TROPICAL FRUITS.

These may be successfully grown in pots at the North. I furnish seeds at 5 cents per packet.

Anona squamosa the Sweet Sap Sugar Apple; fragrant leaves; edible, rough-skinned fruit.

Arbutus Unedo, 6 feet; Strawberry Tree; large, scarlet, edible fruit; nearly hardy at the North.

Carica Papaya, the tropical Papaw; large, handsome fruit of easy culture; blooms and bears 2nd year.

Cerantonia siliqua, the Carob Tree; edible fruit; elegant.

Citrus Japonica, Kumquat; small, golden fruit in abundance; edible, evergreen, very ornamental.

Citrus Nobilis, Mandarin, small Orange, scarlet, sweet, very productive.

Diospyros Kaki, the Japan Persimmon; large, delicious fruit; almost hardy at the North.

Eriobotrya Japonica, the Japanese Medlar, much prized as a fruit by some people. The fruit is fine for pies or stewing, having a sub-acid taste much like our orchard cherry.

Ficus Carica, Fig; choice varieties mixed.

Opuntia or Prickly Pear, a prolific-bearing Cactus, the fruits purple and edible; plants curious and flowers very handsome.

Passiflora Edulis, a Passion vine with beautiful bluish flowers, and purple fruit, size of a hen's egg.

Physalis Edulis, an easily grown plant from South America, three feet high, bearing yellow, cherry-like fruits enclosed in a pale, inflated capsule; very prolific and the flavor much prized by many. Used as a dessert fruit, and for preserves. Known as Cape Gooseberry.

Psidium Guava, the large-fruited kind, very much prized for making jelly; for eating raw or cooked.

Psidium Cattleyanum, smaller fruit, in clusters; fine dwarf shrub.

Punica granatum, the Pomegranate; very pretty in flower and useful in fruit.

Sunberry or Wonderberry, a variety of *Solanum Nigrum*, bearing large black berries in abundant clusters. This fruit has been highly recommended for pies, preserves and sauce. It is of the easiest culture, and bears freely under even adverse conditions. Start plants early, and transplant to the garden. It deserves a trial. Dealers have been advertising it at 20 cents per packet, but I will supply it as other fruits, at 5 cents per packet.

Tomato semperfructifera, a Tomato, bearing great clusters of small, scarlet, pear-shaped fruit from spring till autumn; fine for pickling or preserves.

ANNUALS.

Beta, Chilian scarlet, Chilian yellow, Brazilian mixed, showy variegated foliage, etc., as well as ornamental, separate or mixed.

Borecole, lovely cut, colored and striped foliage; fine late in autumn, very ornamental; mixed. Palm-tree Borecole, tall, showy, fine.

Calonyction speciosa, a beautiful rapid-growing annual vine; handsome foliage, large showy flowers.

Carnation, Improved Margaret, double, fragrant.

Centaurea Imperialis, new, 3 feet high, large, fragrant flowers, fine for cutting. White, lilac, rosy, purple, rose with light center, purplish lilac. Each 5 cts; mixed 4 pkts., 15 cts., 1 pkt. 5 cts.

Cleome gigantea, a fine South American Annual, 3 feet high, upright and branching, flowers of giant size,

graceful and of a gorgeous crimson color, new and beautiful.

Cryptostemma calandraceum, a pretty yellow composite from the Cape of Good Hope; an annual, pot plant.

Diaseia Barbera, a charming annual a foot high; flowers vivid rose, borne in abundance, fine for cutting.

Dracopcephalum moldavicum, Bee Balm, a hardy annual from Siberia, a foot high, showy blue and white flowers, good honey plant.

Heterospermum Xanthil, chrome yellow flowers; bloom 4 weeks after sowing and continue until frost, down very free blooming.

Larkspur, Tall Rocket, elegant spikes of bloom. White, rose, lilac, brown, indigo, lavender, azure, brick, ash, apple-blossom, white shaded blue. Each 5c, mixd 4 pkts 15c, 1 pkt 5c. P.20.

Panicum frumentaceum giganteum, annual grass, 6 feet tall, very rapid grower.

Podolepis, Chrysanth, golden-flowered annual a foot high. Gracilis, hardy perennial, 3 feet high, branching, and covered with bloom, white, red, mixed, all mixed.

Polygonum Posumbu, one foot, dense foliage, covered with small rosy panicles, fine for pots or beds.

Polypteris callosa, 1 foot, covered with rose-colored flowers, a rich flowering annual, new.

Scabiosa brachyla, charming pale blue flowers, early and continuous blooming, fine for cutting. Page 50.

Silene pendula compacta Luna, yellow foliage, compact, edging, flowers delicate Carnation-color. Page 34.

Tridax Gallardiolides, new, early bedding plant, chrome yellow flowers.

Zinnia Iris, pale yellow, striped, spotted and speckled red, handsome, double. See page 37.

PBENNIALS.

Agapanthus Umbellatus Mooreanus, a new hardy variety of African Blue Lily; of dwarf habit, very desirable for pots, flowers dark blue in big umbels.

Allisma plantago, a very beautiful aquatic, easily naturalized, 2 feet high, appearing as a cloud of fairy bloom and seed-vessels. Does well by streams.

Alyssum Gemonense, golden bloom in clusters. A. rostratum, fine.

Aquilegia Alpina Superba, 1 foot, large, deep blue flowers. A. Siberica, 1 foot, bright lilac, free bloomer. A. Olympica Nana, new, dwarf, with very large flowers, handsome. Page 43.

Arundo Phragmites, 6 feet, water reed, large plumes.

Armeria formosa hybrida. See A. Cephalotes, page 43.

Astrantia Major, two feet, pink flowers in umbels.

Baptisia Australis, a strong, hardy perennial, 3 feet high, flowers Pea-shaped, in large clusters, followed by showy seed-pods.

Boltonia glastifolia, a beautiful, very free-blooming, Aster-like plant, 1½ ft high, becomes a mass of showy pink flowers in fall, very desirable.

Bupthalamum cordifolium, a tall, rather coarse composite, not unlike Elecampane, but more robust. Grows eight feet high, and is covered with large, showy, golden flowers in autumn; the leafy stalk issues from a rosette of long, graceful, showy leaves. A hardy perennial for the background.

Campanula varicolor, 3 feet tall; a fine border Bellflower, the shaded violet bells disposed in long spicate racemes from July till September. Is a native of Greece.

Chrysanthemum frutescens, White Paris Daisy, Comtesse de Chambord, lovely yellow variety.

Clematis crispa, hardy evergreen vine with purple, nodding flowers, very handsome. C. Recta, a bush Clematis, 2 feet high, the flowers white, sweet-scented, produced in dense-flowered corymbs. A hardy herbaceous perennial.

Coccinea Indica, a climbing shrub from India; large white flowers, succeeded by oblong, striped fruits that turn red as they ripen.

Dianthus Neglectus, a beautiful low Pink, growing in sandy soil in pots or beds, flowers an inch across, brilliant rose, in profusion, a lovely Pink. D. plumarius diadematus, the new and beautiful hardy, everblooming, sweet-scented Diadem Pink, blooms first season.

Edwardia tetrapeta, a half-hardy leguminous tree, with beautiful pinnate foliage, and showy golden flowers in numerous axillary racemes, 6 to 12 feet high, hardy South. From New Zealand.

Helenium autumnale superbum, six feet high, golden yellow flowers.

Helianthemum mutabile, Rock Rose, elegant hardy perennials, bearing showy flowers of various colors from white to rich crimson, mixed.

Hibiscus Moscheutos, large, pink bloom, beautiful; 2 feet high.

Incarvillea grandiflora, large, dark crimson; new and elegant.

Laurus Camphora, the Camphor Tree, hardy South, pot plant North, beautiful and easily grown.

Lobelia, perennial, beautiful, showy, hardy plants, a great improvement upon our Native Cardinal Flower. Gerardi, Queen Victoria, Cavallini, separate or mixed.

Lupinus, Snow Queen, white-flowered sort, fine. L. amb-carnosus, one foot high, deep, rich blue, perennial, but blooms first season. See page 46.

Lythrum Salicaria, a superb perennial of easy culture, appears well in masses. Acres of this lovely, showy, carmine-flowered perennial grow along the St. Lawrence river between Montreal and Quebec, and make the meadows in autumn appear as a glorious carmine carpet.

Parsley, Beauty of the Parterre, a hardy foliage plant, each leaf mossy, as delicate cut as the choice Fern, fine.

Pentstemon Speciosus, new hybrids, in mixture. See also page 49.

Pink, new everblooming, hardy, flowers richly scented, fine for cutting.

Potentilla, French Nana semiplena, mixed. See also page 66.

Pueraria Thunbergiana, the Kudzu Vine, "Jack's Bean Stalk", 30 feet high. See page 49.

Telekia speciosa, see Bupthalamum.

GREENHOUSE PLANTS.

Aralia, beautiful foliage plant for large pots, for the Season. Sieboldii, Japonica, Mosera, separate or mixed.

Bignonia Tweediana, shrubby vine, yellow trumpets. B. Smithii, (Tecoma Smithii) pot plant. Page 53.

Browallia Roezlii, fine pot plant, azure bloom. Page 61.

Calla Ethiopica, see Richardia, p. 58.

Centaurea Candidissima, silvery foliage, very pretty.

Cryptomeria Japonica, a fine ornamental plant from Japan; has the appearance of the Norfolk Pine, nearly hardy, easily grown. Hardy South.

Cryptostemma calandraceum, silvery, 8 inches, cut foliage, large, sulphur Gazania-like flowers.

Dracena Draco, Dragon Tree, fine pot plant.

Wallflower Kewensis, the new winter-blooming, deliciously scented Wallflower; sulphur, passing to gold and violet, blooms all winter.

HARDY SHRUBS AND TREES.

I can supply fresh seeds of the following fine Shrubs and Trees. Price, each 5 cents per packet. Or, in mixture at three packets for 25 cts, one packet 10 cts. Sow where they will not be disturbed for several months, as they do not always germinate promptly. I would say the long period required for germination of tree seeds makes it impossible to test them, but my seeds are all new.

Acacia Julibrissin, fine foliage tree
Acer Schwedleri, red-leaf Maple
Platanus, big-leaf Maple
Esculus rubicunda, Horse Chestnut
Allantus glandulosa, Tree of Heaven
Akebia quinata, hardy Japan vining shrub; early, sweet flowers
Alnus glutinosa, Edge-water tree
Amelanchier Canadensis, June berry
Amorpha fruticosa, hardy shrub
Ceanothus, Lead Plant
Ampelopsis Veitchii, Boston Ivy
Quincefolia, Native Ivy
Amygdalus com., flowering Almond
Communis fragilis, fine
Andromeda floribunda, shrub
Anona triloba, Pawpaw tree
Aralia spinosa, foliage shrub
Arbutus Andrachne, Strawberry tree
Unedo, a handsome species
Arctostaphylos glauca, Cal. Red Bark
Aronia arbutifolia, slender shrub
Floribunda, fine with preceding
Aristolochia siph., Dutchman's pipe
Aucuba Japonica, spotted evergreen
Azalea pontica, flowering shrub
Mollis, fine, mixed
Baccharis halimifolia, Groundsel tree
Sorberis aquifolium, evergreen
Aristata, yellow, free-blooming
Betula, a choice sort
Darwinii, evergreen, handsome
Elegans, elegant
Jamesonii, evergreen, excellent
Gracilis, Mahonia
Repens, of low habit
Japonica, unbranching, long-leaf
Sieboldii, handsome
Thunbergi, fine hedge plant
Vulgaris, common
Vulgaris purpurea, purple-leaved
Betula alba laciniata, cut-leaf Birch
Pendula, the Weeping Birch
Populifolia, Poplar Birch
Bignonia radicans, Trumpet Vine
Caprolata, everblooming vine
Catalpa, fine blooming tree
Grandiflora, large-flowered
Speciosa, pink, fine
Tweediana, golden, half-hardy
Buddleia variabilis, flowering shrub
Lindleyana, half-hardy
Variabilis Veitchiana, fine
Buxus sempervivum, evergreen box
Cassipolia Japonica, from Japan
Calycanthus floridus, Sweet shrub
Præcox fragrans
Callicarpa Americana, berried bush
Caragana arborecens, Pea Tree
Catalpa Kämpferi, flowering tree
Bignonioides, blooming tree
Caryopteris mastia, Shrub Verbena
Ceanothus azureus, pale blue
Gloire de Vaise, wall shrub
Gloire de Versailles, blue, fine
Cedrella sinensis, fine Chinese Tree
Cephalanthus occident., Button-flower
Celastrus scandens, Blister-sweet vine
Cercidiphyllum Japon., pretty tree
Cercis Canadensis, Red-bud tree
Siliquestrum, Judas Tree
Chionodan Virginia, Fringe tree
Cissus heterophylla, variegated grape
Cistus creticus, Cretan Rock Rose
Monspellicensis, Montp., Rock Rose
Citrus trifolia, hardy hedge orange
Oladrasia tinctoria, native tree
Clematis coccinea, vine, scarlet
Coccinea hybrida, various shades
Flammula, vine, white, fragrant
Jackmanii hybrida, large-flowered
Montana, white, free-bloomer
Virginiana, Mill-dam Fuzzy head
Paniculata, favorite vine
Vitalba, Old Man's Beard
Vitacea, Vine Bower, blue
Special mixture of Clematis
Olethra alnifolia, white flowers

Colutea arborecens, Bladder Senna
Cornus florida, flowering Dogwood
Nuttallii, a fine forest tree
Coronilla glauca, yellow Crown Vetch
Emerus, Scorpion Senna
Cotoneaster Simondsii, very fine
Angustifolia, pretty berry-tree
Buxifolia, Box-leaved
Horizontalis, red berries
Microphylla, a fine evergreen
Crataegus Oxyacantha, Hawthorn
Sanguinea, scarlet flowered
Pyracantha, a lovely shrub, a mass of orange berries in autumn
Cryptomeria Japonica, Evergreen
Cydonia Japonica, Japan Quince
Cytisus Laburnum, Golden Rain
Alpinus, fine hardy tree
Capitatus, shrub, yellow bloom
Nigricans, shrub, yellow bloom
Daphne Mezereum, Spurge Flax
Desmodium penduliflorum
Dillenii, hardy shrub
Deutzia crenata fl. pl. double
Dimorphanthus Mandshuricus
Diospyrus virginiana, Persimmon
Elaeagnus longipes, wine berry
Angustifolius, Wild Olive
Umbellata, berried shrub
Eunonymus Americana, Cat-bell
Japonica, Evergreen, red berry
Europeus, Spindle Tree
Exochorda grandiflora, white flowers
Fagus sylvatica purpurea, Beech
Fraxinus excel. pendula, Weeping Ash
Sambucifolia, Elder-leaved
Quadrangulata, 4-angled Ash
Freemontia Californica, yellow bloom
Garrya Elliptica, blooming shrub
Genista Andreana, fine shrub
Tinctoria, Dyer's Greenwood
Germanica, blooming shrub
Gleditschia sinensis, Chinese tree
Triacanthos, Honey Locust
Glycine sinensis, Chinese Wisteria
Brachybotrya, 5 feet, purple-cluster
Frutescens, Kidney-bean Tree
Magnifica, vine, purple bloom
Gymnocladus canad., Ky. Coffee-tree
Halesta, 2-winged Snowdrop tree
Tetraptera, 4-winged Snowdrop tree
Hallimodendron Argentineum, Pea shrub
Hamamelis Japoni., Japan Witch Hazel
Virginica, Witch Hazel
Hibiscus syriacus, fl. pl. double Althea, hardy shrub; flowers Hollyhock-like, various colors, borne freely throughout the summer. Mixed
Hydrangea hort. Imperatr., Eugenie
Japonica, beautiful
Hypericum calycinum, Rose of Sharon
Ilexia polycarpa, hardy Japanese tree
Ilex Aquifolium, evergreen Holly
Aq. folis variegatis, variegated Holly
Verticillata, Winter berry
Japonica latifol., broad-leaved Holly
Incarvillea Olga, 3 feet high, fine
Juglans regia, English Walnut
Kelreutera paniculata, yellow bloom
Laurus Nobilis salicifolia, Sweet Bay
Sassafras, fragrant bark
Lespedeza bicolor, blooms in fall
Lycesteria formosa, pretty shrub
Ligustrum Japonicum, Japan Privet
Liquidambar styraciflua, Sweet Gum
Lonicera brachypoda reticulata aurea
Caprifolium, Fragrant Honeysuckle
Halls Honeysuckle, everblooming
Morrowi, red-berried
Tartaria, Bush Honeysuckle
Lycium Chinense, climbing shrub
Magnolia grandiflora, evergreen
Glaucæ, white, fragrant
Soulangiana, early-flowering
Yulan (conspicua), deciduous

Maclura aurantiaca, Osage Orange
Morus rubra, Red Mulberry
Nyssa Multiflora, many flowered
Pæonia arborea, the Tree Peony
Paliurus aculeata, Garland Thorn
Paulownia Imperialis, a beautiful flowering tree from Japan, big clusters of blue bloom
Pavia rubra, red flower panicles
Phellodendron Amurense, Cork Tree
Philadelphus coronari., Mock Orange
Grandiflorus, large bloom
Phlomis fruticosa, yellow, showy
Photinia arbutifolia, Cal. May bush
Glabra
Serrulata, the Chinese Hawthorn
Pinus Maulei superba
Populus tremula, trembling Aspen
Ptelea trifoliata, cut-leaf Elm Tree
Pterocarya Caucasicæ, Nut Tree
Pteraria Thunbergiana, Kudzu Vine
Quercus coccinea, Scarlet Oak
Hicx, Holly Oak
Macrocarpa, Burr Oak
Palustris, Pin Oak
Pubescens
Robur, Black Oak
Rubra, Red Oak
Suber, Cork Oak
Rhamnus cathartica, Buckthorn
Alaternus, Buckthorn
Rhododendron hybridum, mixed
Ponticum, Mixed
Rhodotypos Kerri, Everblooming
Rhus cotinus, the Smoke Tree
Copallina, Mountain Sumac
Coriaria, Portugal Sumac
Ribes Aureum, Sweet Currant
Sanguineum, Red-flowering
Robinia Acacia, Black Locust
Bessoniana, Umbrella Locust
Viscosa, flowering Locust
Rosa-Hybrid Perpetual, clean seed
Thea, clean seed, mixed
Hybrida grandiflora
Multiflora, climbing
Rugosa, Single Japan Rose
Rubiginosa, Native Sweet Briar
Rubus sorbifol., Strawberry-Raspberry
Phenicolastus, from Japan
Sambucus racemosa, scarlet fruit
Nigra laciniata, cut-leaved Elder
Ebulus, Danevort
Schinus Molle, Pepper Tree
Sophora Japonica, blooming tree
Japonica pendula, weeping sort
Secundiflora, dense, glossy tree
Sorbus Aucuparia, Mountain Ash
Spartium Junceum, broom
Multiflora alba, white
Scoparium
Spirea opulifolia, shrub
Symphoricarpos vulgaris
Racemosa, Snow Berry
Syringa vulgaris, lilac
Josikea, Japan Lilac
Tilia Americana, American Linden
Argentea, the Silver Lime
Argentea pendula, Weeping Lime
Europea grandifolium
Macrophylla, large-leaved Lime
Ungnodia speciosa, shrub, pink
Viburnum tinus, evergreen
Lantana, Wayfaring Tree
Odonatissimum, fragrant bloom
Opulifolium, Black Haw
Vitis Colnetis, shrubby vine
Vinifera, Common Grape
Vulpina, Southern Fox Grape
Weigela rosea, tubular rosy bloom
Xanthoceras sorbifolia, Hyacinth Tree
Yucca aloefolia, Aloe-like Yucca
Flavæ, Acanth's needle and thre'd
Gloriosa, finely marked foliag
Quadricolor, four-colored

Dianthus pumarius, the beautiful hardy Garden Pink, easily grown, 1 ft high, becoming a mass of richly scented flowers Plain mxd 5c. Fringed, mxd 5c. Double, mxd 5c. Everblooming, mxd 5c. Complete mixture 5c. See page 49.

Leucanthemum maximum, a beautiful, large-flowered Ox-eye Daisy, white with yellow disc; 2 feet high; makes a glorious bed; blooms for a long time and lasts for years; 5 cts. For others see page 46.

Choice Summer-blooming Bulbs, Tubers, Etc.

Some of our Finest Summer Flowers grow from bulbs, tubers and fleshy roots. I offer a choice collection. Those marked with a star are hardy; the others need protection at the North. Always add a few of these fine flowers to your order.

Amaryllis, Aigberth Giant.

I take pleasure in offering a very superior strain of Amaryllis, known as Aigberth Giant. The flowers of this race are enormous, often measuring nine inches or more in diameter, and varying in color from white to rich dark crimson, some being stained in spots with rose and carmine, some tinged with salmon, and others marked by distinct star-like variegations. Still others show self colors of various rich shades. Compared with these Amaryllis flowers the A. Johnsonii, handsome though it is, is hardly worth cultivating. Price, mixed colors, 50 cents each, or \$5.00 per dozen, by mail, prepaid.

Mr. Nieuwenhuis, of Holland, is a special grower of Amaryllis, and his strain, it is claimed, is superior to the Aigberth, or rather is an improved Aigberth. I offer his bulbs, medium size, at 60 cents, and larger size at 75 cents. There are no finer Amaryllis grown than this strain.

ACHIMENES.

tiful bulbous flowers of slender habit, excellent for baskets, bracket pots and window boxes; like partial shade; free-blooming and attractive, the flowers being tubular, of fine texture, and purple, red and white in color. 5 cents each, 50 cents per dozen.

***Aconitum Fisheri**, a beautiful Monkshood; tall; blue flowers in spikes. Each 15 cents, dozen \$1.50.

Agapanthus, African Lily; strong, easily-grown plants bearing on strong scapes umbels of lovely flowers. Shift into a larger pot as the clump develops. Sure to bloom. Blue, also white, each 15c, \$1.50 a doz.

Aistroemeria aurantiaca, a handsome Lily-like plant, with orange flowers, not hardy. 15 cents each, \$1.50 per dozen.

***Anemone Japonica**. These are elegant late fall flowers, profusely borne upon

stems, single white. Each 10 cents; dozen \$1.00.

***Anthericum Liliastrium Major**, three feet high, bearing spikes of snow-white Lily-like flowers. It is known as St. Bruno's Lily; hardy. Each 15 cents; \$1.50 per dozen.

Antholyza, a lovely plant from South Africa, belonging to the Iris family; grows two feet high, bearing very bright flowers. Mixed 15 cts. each, \$1.50 per dozen.

ANOMATHECA.

large tubers that will bloom if laid upon the window sill; flowers large, red, showy and curious; ill-smelling when first open, but if removed a day or two the odor disappears, and the plant can be replaced. Large, blooming size (order early) 25 cents; small size 5 cents.

Begonia, see last page of cover.

Belladonna Lily, a species of Amaryllis; flowers rose-colored, in a cluster, at the summit of a strong scape; each 15 cents, dozen \$1.50.

Canna, New Gladiolus-flowered, in finest named sorts, crimson, scarlet, white, yellow, yellow and red, spotted, etc., each 10 cents, dozen \$1.00. King Humbert, with bronze

AIGBERTH GIANT AMARYLLIS.

foliage and huge trusses of carmine-scarlet bloom, is one of the best. It grows four feet high, and blooms freely till frost. It makes a glorious bed. Richard Wallace, 3 feet high, green foliage, is the best yellow. Both of these are glorious bedding plants. Price for beds, 25 plants \$2.00. For 18 inches apart.

Caladium, Fancy, very beautiful foliage plants, the leaves richly blotched and veined white or pink or carmine, some having a background of green or white or flesh, and some showing carmine with a narrow margin of green. They are among the finest of summer foliage plants. They like a warm, shady place, a moist atmosphere, and liberal watering when growing. Price, named, 20 cents each, \$2.00 per dozen; mixed, 15 cents each, \$1.50 per dozen.

FANCY CALADIUM.

Calla, large-flowered white, fine blooming-sized tubers, sure to bloom under proper treatment. 15 cents each, \$1.50 per dozen. Perle von Stuttgart, an improved variety, with large, handsome flowers; fine for pots, 20 cts. each, \$2.00 per dozen. Calla spotted-leaved, fine for pots,

and outdoor culture in summer; keep dry, as a Gladiolus, during winter.

Cypella Herbertii, pretty little bulbous flowers, growing a foot high; flowers yellow. Lift and store in a frost-proof place in winter. 5 cts. each, 50 cts. per dozen.

***Dicentra Eximia**, hardy, everblooming species, eight inches high; racemes of red flowers; likes partial shade. 15 cents each, \$1.50 per dozen.

***Dicentra Spectabilis**, Bleeding Heart, a fine hardy plant, 18 inches high, with graceful racemes of waxy-pink heart-shaped, drooping flowers; 15 cts each, \$1.50 per doz.

***Dahlia**, Double, finest named double varieties. White, Scarlet, Rose, Crimson, Purple, and Variegated, each 15c, \$1.50 doz.

***Eucomis punctata**, bears a long, fleshy upright spike of greenish, deliciously scented flowers. Treat as Gladiolus, bedding out in summer. 20 cts each, \$2 a dozen.

***Funkia subcordata**, the lovely white Day Lily; beautiful foliage, and clusters of big, fragrant white flowers every day during summer. Each 15 cents, \$1.50 per dozen.

***Funkia Undulata Variegata**, a superb variegated edging plant for spring and early summer; foliage dense and richly variegated with white. The flowers are bell-shaped, drooping, on a tall scape: 15 cts each, \$1.50 dozen.

***Galtonia (Hyacinthus)** Candicans, the Giant Summer Hyacinth; scapes three feet high, with white, drooping bells at the summit. Each, large size, 8 cts, 80 cts per dozen. Smaller, 5 cts each, 50 cts per dozen.

***Gladiolus**, Groff's Hybrids, Lemoine's Hybrids, French Hybrids, and Childs', large bulbs, 3 cts each, 30 cts per dozen, \$2.50 per hundred, in finest mixture, prepaid. (See 3rd page of cover, also title page.)

***Gladiolus trimaculatus**, new, spotted; grows two feet high; flowers in spikes, 10 cts each, \$2.00 per dozen.

***Gloxinias**, Giant Belgian Hybrids, White, Scarlet, Blue, Spotted, Red, Red with white margin, and Blue with white margin, 10 cts each, or the seven varieties, all fine bulbs, for 50 cents.

My Gloxinias are all of the finest Belgian strain, large-flowered and very rich colored. Pot them with the crown protruding, using rich, fibrous loam, well drained, and water not too freely. An eastern exposure and a place sheltered from the strong wind suits them. They are all of easy culture.

***Hemerocallis**, Day Lily. Of these I supply *H. flava*, the Lemon Lily, fragrant, golden bloom, very handsome. *H. Thunbergii*, similar but taller and later. *H. Fulva*, the old garden Lily; all two feet high. *H. Sieboldii*, one foot high, with orange flowers in clusters. *H. Kwanso* fl. pl., a very beautiful double sort. Any of these Day Lilies mailed for 10 cents, or \$1.00 per dozen. They make a fine border or clump, and are perfectly hardy.

***Hemerocallis Aurantiaca** major, the new Japan Day Lily; flowers rich golden yellow, not unlike an *Amaryllis* in form and texture. 15 cts each, \$1.50 per dozen.

***Hemerocallis Disticha** fl. pl., 18 inches high, bearing large, double flowers somewhat like a forced double *Amaryllis*; color orange-scarlet with rich dark marking; rare and beautiful; 15 cts each, \$1.50 per dozen.

***Helleborus niger**, the Christmas Rose, a hardy plant that blooms in midwinter in a mild climate; beautiful and showy, 25 cts each.

***Iris Germanica**, blue; *Iris Florentina*, white, blue and purple. *Iris Acorus*, yellow. *Iris Kämpferi*, white, blue, red, striped. *Iris Madam Chereau*, tall, striped. *Iris Foetidissima Variegata*. *Iris Pumila*, purple and yellow. Any variety 10 cents each, or \$1.00 per dozen. The Florentine Iris are among the most showy and beautiful of the lot, and I especially recommend them for the garden.

***Iris pallida** Damatica, the most attractive and beautiful of blue Iris; strong, spreading clumps two feet high, covered with immense pale blue flowers in gorgeous clusters; splendid in a hedge or border. 10 cts each, \$1.25 per doz., \$10 per 100.

***Iris Pavonia**, the Peacock Iris, a handsome bulbous Iris, a foot high, the flowers white with rich blue peacock-like blotch upon each petal. 10 cts each, \$1.00 per dozen.

***Lilium Auratum**, Gold-banded Japan Lily; grows three feet tall, bearing huge fragrant open flowers, cream-white, spotted, with a gold band through the center of each petal. Large bulbs 20 cents each, \$2.00 per dozen.

***Lilium lancifolium**, red, rose, and white, all spotted, two feet high, free-blooming in autumn; lives for years, and very satisfactory; each color 15 cts each, \$1.50 per doz.

***Lilium Schrymackersii**, a beautiful deep red Lily, large and of fine graceful form: a rare and fine sort; new. 20 cents each, \$2.00 per dozen.

***Lilium Takesima**, a fine hardy pure white Lily, fragrant and handsome; summer-blooming; 15 cents each, \$1.50 per dozen.

***Lilium Tigrinum splendens**, a very showy and graceful Lily, improving with age, being perfectly hardy and tenacious; each 10 cts, \$1.00 dozen; double flowered Tiger Lilies same price.

***Lilium umbellatum**, early-blooming hardy Lily, bearing its flowers in umbel-like clusters. 10 cents each, \$1.00 per dozen. *L. Thunbergianum* more dwarf, same price.

***Lily of the Valley**, Dutch pips, finest quality; also Fortin's Giant, the flowers larger and the racemes longer. 5 pips 20 cts, 12 pips 40 cts. These are perfectly hardy, and once started will bloom every year. They will also bloom well in pots if potted early in spring.

***Madeira Vine**, a handsome porch vine; massive, clean, rather succulent foliage, and bearing very beautiful white, fragrant bloom in autumn. This beautiful vine will climb thirty feet high, and has no insect enemies. 5 cents each, 50 cents per dozen.

***Montbretia Hybrids**, lovely garden flowers borne upon branching stalks; fine in clumps and beds, and good for cutting. 10 bulbs in 10 finest named sorts, only 25 cts, one bulb 5 cts.

***Oxalis arborea**, free-blooming basket or pot plants, colors white and pink. Also, *Oxalis rosea* and *Buttercup Oxalis*. Each 5 cents, dozen 40 cents.

***Peony**, Chinese, pink, red, white and mixed. 15 cts each, \$1.50 per dozen.

***Peony** Officialis, the old-fashioned red sort, also pink, same price.

***Schizostylus**, coccinea a Kaffir Lily, somewhat like a Gladiolus, hardy, grows two feet high, bearing bright crimson flowers late in autumn. 10 cts each, \$1.00 a doz.

***Tigridia (Ferraria)**, the Tigred Shell Flower, grows one foot high, bearing large, handsome flowers throughout the season, white, yellow and red, each 5c, dozen 50c.

***Tritoma**, Flame Flower, big spikes of orange-scarlet bloom throughout autumn. *T. Coralina* is one foot high, and *T. MacOwani*, two feet high, and very showy. 15 cents each, \$1.50 per dozen.

***Tuberosa**, Excelsior Pearl, rather dwarf, with long spikes of lovely white, deliciously scented flowers. If the spikes are cut and placed in a colored liquid, as red ink, the flowers will turn to a fine shade of red. Large bulbs 4 cts each, 35 cts per dozen; smaller but blooming size, 3 cts each, 25 cts per dozen.

***Trielytus hirta**, the Japanese Toad Flower; grows two feet high, bearing handsome curious, spotted flowers during autumn; hardy at the North in a sheltered position. 10 cts each, \$1.00 per doz.

***Water Lily**, a fine native water plant; the flowers are white with yellow center, very beautiful and fragrant. Large tubers 20 cts, \$2.00 per dozen.

***Watsonia**, Bugle Lily, a beautiful bulbous plant of the Iris family, native of South Africa. 15c each, \$1.50 per dozen.

***Valloia Purpurea**, the Scarborough Lily; like an *Amaryllis*, the flowers bright crimson-scarlet, held upon a strong scape. 25 cts each, \$2.50 per dozen.

***Zephyranthes**, fine bulbs, sure to bloom; pink, half-hardy, white, hardy; 5 cts each, 50 cts per dozen.

DOUBLE DAHLIA.

HYBRID MONTBRETIA.

TRITOMA.

TOAD LILY.

MY FLOWER-LOVING FRIEND: In closing I will say again that all the seeds, bulbs and plants I offer are the best to be obtained, although my prices may seem ridiculously low. The best of anything is none too good for my esteemed patrons. Please make out your order early, and send a club order if possible, and I assure you that I will give you my most prompt and faithful service. Address

GEO. W. PARK, La Park, Pa.

Season of 1915.

Splendid Gladiolus at a Bargain.

PERHAPS there is not another summer flower more popular than the improved Gladiolus. In a bed the plants stand erect, bloom freely for many weeks, are showy, and unequalled for cutting. Set the bulbs five inches deep and from six to eight inches apart, and as hot weather approaches mulch with stable litter. The result will surprise you if you have grown only the old-fashioned varieties. For only 15 cents I will mail Park's Floral Magazine for a year, and as a premium 10 bulbs of my fine strain of Gladiolus, in all colors and variegations.

206 Gladiolus Bulbs Free.

GET UP A CLUB.—For a club of 20 subscribers (\$3.00) I will mail the agent 200 Splendid Mixed Gladiolus and collection Lot A, 206 bulbs in all, and each subscriber paying 15 cents will get my Magazine a year and the ten premium Gladiolus. If you cannot get the 20 subscribers, I will send you 10 bulbs for each subscription you secure, and the subscriber will also get 10 bulbs. These bulbs when sent as a premium are prepaid by mail or express.

Gladiolus in Quantity.

If you want this fine mixture of Gladiolus in quantity, please avail yourself of the following special prices, bulbs sent by express; purchaser paying express charges:

| | |
|------------|--------------|
| 500 Bulbs | only \$2.00. |
| 1000 Bulbs | only \$3.50. |
| 2000 Bulbs | only \$6.00. |
| 3000 Bulbs | only \$9.00. |

This splendid mixture embraces all colors from white to crimson, yellow and blue, and many show the most lovely variegation imaginable. They will produce the finest big spikes, showy in a bed, and exquisite for table bouquets, where they last for days, and every bulb will develop. I guarantee these bulbs please you. Order and, and plant a big profitable to grow. Besides the colored upon the title page the following:

Superb Named Gladiolus, Lot A.

Lilly Lehman, white, thought by some to be the best of white Gladiolus; very fine ivory white, large flowers, good grower, the stalks about four feet; flowers expand wide open; highest awards where exhibited. Each 10 cents.

Halley, salmon-pink, extra large flowers; open all at the same time; a very fine and rare color; good grower; stalks three to four feet. This sort should be called No plus ultra; it is not surpassed. Each 5 cents.

Princeline, dazzling scarlet, distinct white blotch; flower large, wide open, beautiful; stalks two feet high, nice dark green foliage; called *Amaryllis Gladiolus*, 5 cents.

This splendid collection, Six Fine Bulbs, 25 cents. Larger Bulbs, 40 cents.

Rare and Choice Gladiolus.

I can also supply the following new and rare named varieties:

Willie Wigman, beautiful pale rose, with distinct crimson blotch on the lower petals, 10c each, \$1.00 per dozen.

Sulphur King, light yellow, very large, handsome flowers produced upon a long spike; splendid; each 10c, dozen \$1.00.

Niagara, immense open flowers upon a stiff, long spike; color yellow with rich rose-carmine stripes and markings at the throat; very fine; each 10c, dozen \$1.00.

Empress of India, the latest; rich, royal purple; spike long and attractive; extra fine; 10c each, \$1.00 per dozen.

Europe, a grand novelty; flowers pure white, and of great size; spike tall, free-blooming. Each 20c, dozen \$2.00.

Kunderd Glory, cream; broadly expanded, paired flowers, all facing the same way, borne on stiff stalks fully four feet high, 4 to 8 blooms open at once; petals exquisitely ruffled; cream with a crimson stripe; unique and very attractive, each 5 cents.

Golden West, brilliant orange, extra large, wide-open flowers; very neat little dark stripes give the highest attraction; three to four feet high; finest decoration for rooms or halls. Each 5 cents.

Baron J. Hulot, indigo blue; a grand novelty; the real rich blue so anxiously looked for; three to four feet; fully open flowers, showing lovely center. Each 5c.

This splendid collection, Six Fine Bulbs, 25 cents. Larger Bulbs, 40 cents.

Liebesfeuer, beautiful, glowing scarlet in giant spikes; described by the introducer as undoubtedly the best scarlet Gladiolus. It is truly a glorious sort. Each 25 cents, dozen \$2.50.

Marie, a glorious new sort; huge, open rose-carmine flowers on tall, showy spikes. One of the finest varieties yet introduced; Each 15c, dozen \$1.50.

Princess, flowers large scarlet with white markings. Each 10c, dozen \$1.00.

Heliotrope, rich violet with royal purple shadings; very fine; each 10c, \$1.00 doz.

Panama, dark pink, large, in long spikes; splendid; 10c each, dozen \$1.00.

Mrs. F. King, pink, 5c each, 50c doz.

PLANT OF
GLADIOLUS.

Mr. Park:—I got 30 Gladiolus bulbs from you last spring, and every bulb threw up a fine spike of beautiful flowers, no two spikes alike. I was delighted with them.—Corda Hamblin, Richland Co., Ohio, Nov. 3, 1914.

SPLENDID TUBEROUS BEGONIAS.

I HAVE NEVER had a finer lot of Tuberous Begonias than those I offer this year. The bulbs are all healthy, well-matured, and of the finest Belgian strains. The European War simply had the effect of reducing price of the tubers, so that I am able to give better tubers for the money than ever before. No summer-blooming pot-plant surpasses the Improved Giant-flowered Tuberous Begonias, such as I offer. The plants grow and bloom freely in any partially shaded place, and the huge, waxy, delicate-textured flowers, in many bright shades of color, never fail to call forth enthusiastic expressions of admiration. When bedded out in a bed sheltered from severe wind and the hot, midday sun the plants make a fine display outdoors. To avoid misunderstanding I will say that in all double-flowered strains of Tuberous Begonias only the staminate flowers are double. The pistillate flowers are always single. You will, therefore, find double and single flowers upon the same plant.

FLOWERS OF DOUBLE TUBEROUS BEGONIAS.

Finest Strain of Double Tuberous Begonias.

Colors: White, Rose, Scarlet, Salmon, Yellow or Orange, also Crimson; fine tubers an inch or more in diameter, the most desirable size to plant, each 6 cents, or the six tubers 30 cents.

Finest Strain of Single Tuberous Begonias.

Colors: White, Rose, Scarlet, Yellow, Orange, Crimson; fine tubers an inch or more in diameter, 6 cents each, or the six tubers, 30 cents.

Finest Strain of Frilled Tuberous Begonias.

Colors: White, Scarlet, Yellow, Orange, Pink, and Salmon; fine tubers of the Fringed or Frilled Begonias, each 6 cents, or the entire collection of six tubers, 30 cents.

New Tuberous Begonia, Marmorata.

For some years I have been wanting to get this elegant new, marbled and blotched Begonia, but was not successful until this year. The flowers are very large, beautifully variegated, and of rich, waxy texture. The plants are sturdy, free-blooming, and exquisite for the window or conservatory. I heartily recommend it. Price, 10 cents each, \$1.00 per dozen.

New Tuberous Begonia, Erecta Cristata.

This fine Begonia has also been difficult to obtain. The flowers are large, of various colors, and each petal has a crest or beard of curiously twisted threads, odd and handsome. Price, 15 cents each, \$1.50 per dozen.

Mr. Park:—I bought a collection of your Double Tuberous Begonias, and had white, red, lemon, and two of darker yellow edged with pink. I never had anything to compare with them. I have had Begonias, but they were single, and bore but one flower on a stem; but these have three or four, or even five flowers on one stem, one single, but the remainder all double, and three and four stems of flowers to a plant. Why, they are simply elegant, and are the admiration of everyone who saw them.—Mrs. H. W. Kelsey, Maine.
